

City of Camden - Needs Assessment Notice:

The City of Camden, Department of Planning & Development, Division of Planning and Zoning surveyed the community and identified priorities as part of the 2010 – 2014 Five Year and 2011 Annual Consolidated Plans, to guide funding decisions. As we begin the FY 2012 – 2013 round of funding, a two week review of the top 10 identified priorities by the Camden City residents and businesses will be conducted.

If you as a resident or business owner believe that a **significant need** affects the majority of Camden households and is not listed in the top 10 priorities attached, please notify the Planning and Zoning Office in writing. Please list the need and justify why it should be considered as a top 10 priority. Your written comments can be sent to the address below:
