**STATEMENT FROM MAYOR REDD REGARDING THE RECENT REPORT  
FROM THE UMDNJ ADVISORY COMMITTEE**

**CAMDEN** – Mayor Dana L. Redd today issued the following statement regarding the recent report from the UMDNJ Advisory Committee:

“While I am still reviewing all the details of the report released yesterday by the UMDNJ Advisory Committee, I support the concepts in the plan which could potentially expand and improve Camden’s position as a national leader in graduate work in the legal, business and medical field. Upon first look, the plan seems that it can also allow for further growth of our university district, which can assist us in not only transforming our campus into a residential campus, but also promote growth in our neighborhoods and business district.

“ I look forward to fully reviewing the recommendations of the advisory committee and working with all our stakeholders to ensure Camden’s footing as a regional center for the ed’s and med’s are truly enhanced.”
