**Phone: 856-757-7032**

**Fax: 856-757-7259**

It is the contractor's responsibility to call for all inspections. They are usually done within 24 hours of being scheduled. After all required inspections are completed and approved a certificate of occupancy/approval is issued and the building may be used.

### **Required Inspections:**

- footing
- foundation
- structural framing
- rough electric
- rough plumbing
- insulation
- final inspection on all completed work
