

The Adopt A Family Program

Office of Youth Services
713-715 Broadway
Camden, New Jersey 08103
Phone: 856-757-7644

Cogen Technology and the Office of Youth Services jointly conduct this program. The program seeks to help underprivileged families during the holidays with financial assistance. Cogen Technology, and staff, makes financial donations to families selected by the Office of Youth Services. The staff of the Office of Youth Services then takes the families shopping: goods and food are purchased that directly benefit these families. All the families selected thus far stated that their spirits were uplifted, confidence refreshed and holidays much happier. To date fifty families have benefited in the program. We plan to expand the program to 100 families by recruiting other companies, industry and businesses to participate.
