2015 Annual Water Quality Report

City of Camden
PWS ID: NJ0408001

AMERICAN WATER
Contract Services

As the water operations and maintenance contractor for City of Camden, NJ American Water Contract Services is proud to provide customers with high-quality, reliable water service. As you read through this Annual Water Quality Report, you will see that in cooperation with City of Camden we continue to supply water that meets or surpasses all state and federal water quality standards.

This service is an exceptional value when you consider the facilities and technology needed to draw water from the source and treat it, along with miles and miles of pipeline hidden below the ground to bring water to your tap. What's more, our plant operators, water quality experts, engineers and maintenance crews work around the clock to make sure that quality water is always there when you need it.

Because water is essential for public health, fire protection, economic development and overall quality of life, our employees are committed to ensuring that quality water keeps flowing not only today but well into the future. Delivering reliable, high-quality water service also requires significant investment to maintain and upgrade aging facilities. Working with the City of Camden to identify and analyze the system to help prioritize necessary improvement projects is key to efficiently maintaining critical infrastructure.

American Water's Contract Services Group provides water and wastewater management solutions for municipal and industrial clients. The Contract Services Group is part of American Water Enterprises, a market-based subsidiary of American Water. As a part of the nation's largest and most geographically diverse publicly traded U.S. water and wastewater utility company, American Water is uniquely qualified to operate and maintain this system.

Please take the time to review this report. It provides details about the source and quality of your drinking water using the data from water quality testing conducted by Suez Water (previously known as United Water) for your system between January and December 2015.

The Camden Water System is operated through a partnership between American Water and the City of Camden. Through this partnership, which began on February 1, 2016, the City retains ownership of all the water facilities and sets the rates. American Water, as contract operator, provides the day to day management of the water system. These organizations work together to provide you with water that meets-and often surpasses-all the health and safety standards set by the United States Environmental Protection Agency (USEPA) and the New Jersey Department of Environmental Protection (NJDEP).

We regularly test the water to be sure that your water meets the safety standards. All the test results are on file with the NJDEP, the agency that monitors and regulates drinking water quality in our state.

The Water Quality Report is provided to customers on an annual basis. This report contains important information about your drinking water. Please read it carefully and feel free to call us at 856-6351496 if you have any questions about your water or your water service. You can also call the EPA Safe Drinking Water Hotline at 1-800-426-4791 with water related questions. If you have specific questions about your water as it relates to your personal health, we suggest that you contact your health care provider.

Sincerely,

James E. Cowley, Sr., P.E.

Project Manager
American Water Enterprises – Contract Services Group

About American Water

Founded in 1886, American Water is the largest publicly traded U.S. water and wastewater utility company. With headquarters in Voorhees, N.J., the company employs approximately 6,600 dedicated professionals who provide drinking water, wastewater and other related services to an estimated 15 million people in more than 40 states and parts of Canada. More information can be found by visiting www.amwater.com.

Public Participation

How You Can Get Involved
Customers can participate in decisions that may affect the quality of water by:
• Contacting the company directly with questions or to discuss issues at 856-635-1496.
• Attending Camden City Council meetings which take place on the second Tuesday of each month

Our Commitment to Quality

Once again, we proudly present our Annual Water Quality Report, which details the results of water quality testing completed from January to December 2015, a time period for which Suez Water was the operator of record. The purpose of this report is to raise your understanding of drinking water and awareness of the need to protect our drinking water sources. Included in this report are details about where your water comes from, what it contains, and how our water quality results compare to federal and state standards.

We are committed to delivering the best quality drinking water. To that end, we remain vigilant in meeting the challenges of source water protection, water conservation, and community education while continuing to serve the needs of all our water users. We want you to be informed about your drinking water.

How to Contact Us

Thank you... for allowing us to continue to provide you with quality drinking water this year. We ask that all our customers protect our water sources. Please call our office at 856-635-1496 if you have questions.

Protecting Your Water Source

What is S.W.A.P.?

SWAP (Source Water Assessment Program) is a program of the New Jersey Department of Environmental Protection (NJDEP) to study existing and potential threats to the quality of public drinking water sources throughout the state. Sources are rated depending upon their contaminant susceptibility.

Susceptibility Ratings for City of Camden System

The table below illustrates the susceptibility ratings for seven contaminant categories (and radon) for each source in the system. The table provides the number of wells and intakes that rated high (H), medium (M), or low (L) for each contaminant category. Source Water Assessment Reports and Summaries are available for public water systems at www.state.nj.us/dep/swap/ or by contacting the NJDEP's Bureau of Safe Drinking Water at (609) 292-5550.

SOURCE WATER ASSESSMENT PROGRAM

	Pathogens			Pesticides			Inorganics			Radon		
Sources	H	M	L	H	M	L	H	M	L	H	M	L
Morris North Well Field (4)		4				4	4				2	2
Morris South Well Field (10)		7	3			10	8	2			10	
Delair Well Field (3)		3				3	3				3	
Parkside Well Field (2)			2			2	2					2

Contaminant Categories

NJDEP considered all surface water highly susceptible to pathogens; therefore all intakes received a high rating for the pathogen category. For the purpose of the Source Water Assessment Program, radionuclides are more of a concern for ground water than surface water. As a result, surface water intakes' susceptibility to radionuclides was not determined and a low rating was assigned. If a system is rated highly susceptible for a contaminant category, it does not mean a customer is or will be consuming contaminated drinking water. The rating reflects the potential for contamination of source water, not the existence of contamination. Public water systems are required to monitor for regulated contaminants and to install treatment if any contaminants are detected at frequencies and concentrations above allowable levels. As a result of the assessments, NJDEP may customize (change existing) monitoring schedules based on the susceptibility ratings.

Source water protection is a long-term dedication to clean and safe drinking water. It is more cost effective to prevent contamination than to address contamination after the fact. Every member of the community has an important role in source water protection. NJDEP recommends controlling activities and development around drinking water sources whether it is through land acquisition, conservation easements or hazardous waste collection programs. We will continue to keep you informed of SWAP's progress and developments.

Susceptibility Chart Definitions

Pathogens:	Disease-causing organisms such as bacteria and viruses. Common sources are animal and human fecal wastes.
Nutrients:	Compounds, minerals and elements that aid growth, those that are both naturally occurring and man-made. Examples include nitrogen and phosphorus.
Volatile Organic Compounds:	Man-made chemicals used as solvents, degreasers, and gasoline components. Examples include benzene, methyl tertiary butyl ether (MTBE), and vinyl chloride.
Pesticides:	Man-made chemicals used to control pests, weeds and fungus. Common sources include land application and manufacturing centers of pesticides. Examples include herbicides such as atrazine, and insecticides such as chlordane.
Inorganics:	Mineral-based compounds that are both naturally occurring and man-made. Examples include arsenic, asbestos, copper, lead, and nitrate.
Radionuclides:	Radioactive substances that are both naturally occurring and man-made. Examples include radium and uranium.
Radon:	Colorless, odorless, cancer-causing gas that occurs naturally in the environment. For more information go to http://www.nj.gov/dep/rpp/radon/index.htm or call 1-800-648-0394.
Disinfection By-product Precursors:	A common source is naturally occurring organic matter in surface water. Disinfection by-products are formed when the disinfectants (usually chlorine) used to kill pathogens react with dissolved organic material (for example leaves) present in surface water.

Where Your Water Comes From

City of Camden System is a public community water system consisting of 19 wells that draw from the lower Potomac-Raritan-Magothy (PRM) Aquifer. The City of Camden system also three (3) emergency interconnections:

- New Jersey American Water Company
- Gloucester City Water Department
- Merchantville-Pennsauken Water Commission

None of these emergency interconnections were activated during 2015.

What's in the Source Water before We Treat It?

In general, the sources of drinking water (both tap and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and can pick up substances resulting from the presence of animals or from human activities. Industrial processes and petroleum production, and may also come from gas stations, urban storm water runoff and septic systems.

Substances That May Be Present in Source Water Include:

Microbiological Contaminants:	Such as viruses and bacteria, this may come from sewage treatment plants, septic systems, agricultural livestock operations or wildlife.
Inorganic Contaminants:	Such as salts and metals which can be naturally occurring or may result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
Pesticides and Herbicides:	These may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
Organic Chemical Contaminants:	Including synthetic and volatile organic chemicals which are by-products of industrial processes and petroleum production, and may also come from gas stations, urban stormwater runoff, and septic systems.
Radioactive Contaminants:	These can be naturally occurring or may be the result of oil and gas production and mining activities.

What Treatment Processes are used?

Morris-Delair Water Treatment Plant

This plant has a treatment capacity of 18 million gallons per day (MGD) that predominately removes iron and manganese, volatile organic chemicals (VOCs), and other contaminants found in the raw water. The treatment processes include aeration, sedimentation, filtration, VOC removal, pH adjustment, and chlorine disinfection. The finished water quality is in full compliance with federal and state standards under the "Safe Drinking Water Act" (SDWA). The Morris-Delair facility is the primary source of supply for the city.

Parkside Water Treatment Plant

This plant has a capacity of 3 MGD that also removes iron and manganese, volatile organic chemicals (VOCs) and other contaminants found in the raw water. The treatment processes at Parkside include aeration, pH adjustment, filtration, VOC removal and chlorine disinfection. The Parkside facility is the supplemental source of supply and is in operation mainly during high demand periods When in service, finished water quality from the facility is in full compliance with federal and state standards under the "Safe Drinking Water Act" (SDWA).

Do I Need to Take Special Precautions?

To ensure that tap water is safe to drink, the U.S. EPA prescribes regulations limiting the amount of certain contaminants in water provided by public water systems. U.S. Food and Drug Administration regulations establish limits for contaminants in bottled water, which must provide the same protection for public health.

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the EPA's Safe Drinking Water Hotline at 1-800-426-4791.

Water Quality Statement

The data presented in the Table of Detected Contaminants is the same data collected to comply with U.S. Environmental Protection Agency and New Jersey state monitoring and testing requirements. We have learned through our testing that some contaminants have been detected, however, these contaminants were detected well below the levels set by the EPA to protect public health. To assure high quality water, individual water samples are taken each year for chemical, physical and microbiological tests. Testing is conducted on water collected at the source, during treatment, from the distribution system after treatment and, for lead and copper monitoring, from customers' taps. Testing can pinpoint a potential problem so that preventative action may be taken.

The Safe Drinking Water Act regulations allow monitoring waivers to reduce or eliminate the monitoring requirements for asbestos VOCs, and synthetic organic chemicals. The City of Camden system has received monitoring waivers for synthetic organic chemicals and asbestos.

How Do I Read the Table of Detected Contaminants?

To read the table start with the **Contaminant**, and read across from left to right. A "**Yes**" under **Compliance Achieved** means the amount of the substance met government requirements. The column marked **MCLG** (Maximum Contaminant Level Goal) is the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety. The shaded column marked **MCL** (Maximum Contaminant Level), is the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology. The column marked **Highest Level Detected** shows the highest test results during the year. The column marked **Range Detected** shows the highest and lowest test results for the year. **Typical Source** shows where this substance usually originates. Compare the detected values with the MCL column. To be in compliance, the Highest Level Detected must be lower than the MCL standard. Those substances not listed in the table were not found in the treated water supply. The footnotes and the definitions below will help you interpret the data presented in the Table of Detected Contaminants.

Unless otherwise noted, the data presented in the table below is from testing done in the calendar year of the report. The EPA or the state requires monitoring for certain contaminants less than once per year because the concentrations of these contaminants do not change significantly.

Vulnerable Populations Statement

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial pathogens are available from the Safe Drinking Water Hotline at 1-800-426-4791.

2015 Table of Detected Contaminants

Secondary Contaminants						
Contaminant	Units	Below RUL	RUL	Highest Level Detected	Range Detected	Typical Source
Iron	ppb	YES	300	40.3	18 - 40.3	Naturally occurring element
Manganese	ppb	YES	50	25.6	11.4 - 25.6	Naturally occurring element

Table Definitions

90th Percentile Value:	Of the samples taken, 90% of the values of the results were below the level indicated in the table.
Action Level:	The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MRDL (Maximum Residual Disinfectant Level):	The highest level of disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDLG (Maximum Residual Disinfectant Level Goal):	The level of drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contamination.
NA:	not applicable
NTU (Nephelometric Turbidity Units):	Measurement of the clarity, or turbidity, of the water.
ND (Not Detected):	Laboratory analysis indicates that the constituent is not present
ppb (parts per billion):	Corresponds to one part substance in one billion parts of water.
ppm (parts per million):	Corresponds to one part substance in one million parts of water.
pCi/L (Picocuries per Liter):	A measure of the radioactivity in water.
RUL:	Recommended Upper Limit
TT (Treatment Technique):	A required process intended to reduce the level of a contaminant in drinking water.

Lead in Drinking Water

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. American Water is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at http://www.epa.gov/safewater/lead.

What is Radon?

Radon is a radioactive gas that occurs naturally in some groundwater. It may pose a health risk when the gas is released from water into air, as occurs while showering, washing dishes and performing other household activities. Radon can move up through the ground and into a home through cracks in the foundation. Compared to radon entering the home through soil, radon entering through tap water is, in most cases, a small source of radon in indoor air. Inhalation of radon gas has been linked to lung cancer; however the effects of radon ingested in drinking water are not yet clear. If you are concerned about radon in your home, tests are available to determine the total exposure level. The EPA is developing regulations to reduce radon in drinking water. Radon in the air is inexpensive to test and easy to correct. For additional information call EPA's Radon Hotline at 1-800-SOS-RADON.

Unregulated Contaminant Monitoring Rule

The City of Camden System participated in the third phase of the Unregulated Contaminant Monitoring Rule 3 (UCMR3) in 2015. Unregulated contaminants are those for which the EPA has not established drinking water standards. Monitoring assists the EPA in determining the occurrence of these compounds and whether or not regulation is warranted. City of Camden System participated in the third phase of the Unregulated Contaminant Monitoring Rule (UCMR3) in 2015.

The UCMR3 samples were required to be collected for the Parkside Facility in 2015, the first set of samples were collected, but the temperature was not maintained within the prescribed range when it arrived at the laboratory, thus the samples were not analyzed. The resampling was not done in time before the Parkside Water Treatment Plant went out of service for the year. Discussions with both USEPA and the NJDEP resulted in shifting the monitoring period for the Parkside facility to 2016. The Parkside Treatment Plant will be tested for these unregulated contaminants twice during this year. The results below only reflect the testing done at the Morris-Delair Water Treatment Plant and the distribution system.

Unregulated Compounds (UCMR3)					
Contaminant	Units	Highest Locational Average	Highest Level Detected	Range Detected	Typical Source
1,4-dioxane[2]	ppb	2.7	2.9	ND - 2.9	Solvent or solvent stabilizer in manufacture and processing of paper, cotton, textile products, automotive coolant, cosmetics and shampoos
Vanadium	ppb	0.19	0.38	ND - 0.38	Naturally-occurring elemental metal; used as vanadium pentoxide which is a chemical intermediate and a catalyst
Strontium	ppb	425	750	100 - 750	Naturally-occurring element; historically, commercial use of strontium has been in the faceplate glass of cathode-ray tube televisions to block x-ray emissions
Chromium (Total)	ppb	0.34	0.47	ND - 0.47	Naturally-occurring element; used in making steel and other alloys;
Chromium-6	ppb	0.184	0.33	0.038 - 0.33	Naturally-occurring element; used in making steel and other alloys
Chlorate	ppb	630	810	290 - 810	Agricultural defoliant or desiccant; disinfection byproduct; and used in production of chlorine dioxide

[2] In accordance with the New Jersey Ground Water Quality Standards, the NJDEP has developed an interim specific ground water quality criterion of 0.4 µg/L for 1,4-dioxane.

ORDINANCE CREATING CITY OF CAMDEN RESIDENT IDENTIFICATION CARD PROGRAM

WHEREAS, the City Council of the City of Camden ("City") understands many of Camden's residents are unable to obtain government-issued identification that is required to fully participate in society and access critical services, benefits, and cultural, educational, and civic opportunities. It is the intent of this City Council to further support Camden's standing in the South Jersey region as a welcoming and inclusive center for its rich diversity of residents. Further, it is the intent of the City Council that the City of Camden's Resident Identification Card Program should affirm the resident status of all City residents who will proudly carry and use the card; and

WHEREAS, Camden offers an array of cultural, educational, and civic opportunities meant to be accessible to all members of our community. City Council intends to create a City of Camden Resident Identification Card that can be used to expand access and incorporate more members of the City's diverse community into the rich fabric of civic life; and

WHEREAS, by authorizing the creation of this Program, City Council does not intend to expand identification requirements for access to basic services or exercise of constitutional rights. The program should not be used as a proxy to require individuals to produce government-issued identification to access services and benefits where such identification is not presently required, such as registering to vote, casting a ballot, or accessing government buildings.; and

WHEREAS, City Council seeks to preserve the safety and privacy of all Camden residents. It is the intent of City Council that personal data gathered during the Card application process should be destroyed or maintained confidentially, subject to the administrative needs of the Program, pertinent law, rule or regulation; and

WHEREAS, the City of Camden has determined that the creation of a City of Camden Resident Identification Card Program would be in the best interests of all Camden's residents and help effectuate efficient, effective, and participative government; and

WHEREAS, City Council has received testimony from the public, administration officials, and experienced advocates as to the substantial and significant personal benefits in creating a City Resident Identification Card Program; now, therefore

BE IT ORDAINED, by the City Council of the City of Camden as follows:

SECTION 1. ESTABLISHMENT

The City of Camden's Resident Identification Card Program ("City Resident ID Program") is hereby established. It shall operate for the benefit of all residents of the City of Camden who can prove their identity and residency in accordance with the terms of this Ordinance as set forth in this Chapter.

SECTION 2. DEFINITIONS

A. "City of Camden Resident Identification Card" (hereinafter, "City Resident ID Card") shall mean a Camden resident identification card issued by the City pursuant to this Chapter.

B. "City" shall mean the City of Camden.

C. "Resident" shall mean a person who can establish that he or she is a current resident of the City of Camden pursuant to Section 5 of this Chapter.

SECTION 3. ADMINISTERING DEPARTMENT

A. The Municipal Clerk's Office shall be designated as the Department to administer the City of Camden Resident Identification Card Program and shall promulgate all rules necessary to effectuate the purposes of this Chapter in consultation with the City Administration.

B. The Municipal Clerk's Office, in consultation with the City Administration, shall issue such policies and procedures necessary to effectuate the purposes of this Chapter; including, the designation of access sites (including at least one site within each of the four (4) wards of the City of Camden), where applications for such cards shall be made available for pick-up and submission.

C. The City Administration shall also make the applications available online on the City of Camden's website and through other official City forums and events.

D. The provisions of this Section shall be subject to the City Administration identifying and providing the necessary additional funding required to implement, operate, and maintain the Camden Resident ID Program, including, without limitation, the funding of Program start-up costs; purchasing of needed equipment; and hiring or compensation of any necessary additional staff.

E. The additional duties and responsibilities imposed hereunder on the Municipal Clerk's Office shall not in any way diminish the Office's statutory responsibilities and related current service delivery levels.

F. All fees received from the issuance of Resident ID Cards shall be deposited in a City account specifically designated and established by the City Administration for the on-going funding of the Program.

SECTION 4. ISSUANCE OF MUNICIPAL IDENTITY CARDS

A. The City Resident ID Card shall be available to any resident of Camden, regardless of his or her race, color, creed, age, national origin, alienage or citizenship status, gender, sexual orientation, disability, marital status, partnership status, any lawful source of income, housing status, status as a victim of domestic violence or status as a victim of sex offenses or stalking, or conviction or arrest record, provided that such resident is able to meet the requirements for establishing his or her identity and residency set forth in this Chapter and any applicable policies and procedures established by the Municipal Clerk's Office, in consultation with the City Administration.

B. The City Resident ID Card shall display at minimum the applicant's full name, photograph, address, date of birth, signature, card issue and expiration dates. The Municipal Clerk's Office, in consultation with the City Administration, shall, through policy and procedure it establishes as required by this Chapter, create guidelines to protect the addresses of victims of domestic violence or alternate requirements for applicants who lack a permanent address. Such card shall also, at the cardholder's option; display the cardholder's self-designated gender. Such identification card shall be designed in a manner to deter fraud which may include: bar codes, serial numbers, watermarks, City Seal, and other security protections to deter fraud.

C. The Municipal Clerk's Office, in consultation with the City Administration, shall establish a reasonable application fee for City Resident ID Cards and adopt rules permitting residents who cannot afford to pay such fee to receive a full or partial waiver.

D. The City of City Resident ID Card is valid for one (1) year from date of issuance. Residents age fourteen (14) or over may apply for a card. Relocation out of Camden invalidates the City Resident ID Card and shall be returned to the City for destruction.

E. The fee for the issuance of the City of City Resident ID Card shall be $15.00 for adults and $7.00 for children, veterans, disabled and senior citizens. Renewal of card shall be $15.00 and change of information shall be $7.00.

F. The Municipal Clerk, with the prior approval of the City Business Administrator, may adopt rules permitting residents who cannot afford to pay such fee(s) to make a hardship application and to be granted a full or partial waiver of the fee. The Municipal Clerk, with the prior approval of the City Business Administrator, may in full or in part waive the fee for the City Resident ID Card, if an applicant can establish a hardship exemption. Applicants may file for a hardship exception waiver during application's intake process. In order for the City to consider an applicant for a hardship waiver, the applicant must demonstrate and have proof of one of the following circumstances:

(1) Applicant is currently homeless; or

(2) Applicant is currently unemployed; or

(3) Applicant has filed for bankruptcy within the last 6 months; or

AN INDIVIDUAL HAVING ANY OF THE ABOVE CIRCUMSTANCES DOES NOT GUARANTEE THE CITY'S GRANTING OF A HARDSHIP WAIVER ON SUCH BASIS. ALL HARDSHIP WAIVERS MUST BE APPROVED IN ADVANCE BY THE BUSINESS ADMINISTRATOR.

SECTION 5. PROOF OF CAMDEN RESIDENCY AND IDENTITY

In order to obtain a City Resident ID Card an applicant must establish his/her identity and residency within the City of Camden as follows:

A. Use of Point System. The Municipal Clerk's Office shall, through the policy and procedure it establishes in consultation with the City Administration, create a point system to ensure uniformity and non-biased requirements by which individuals may establish identity and residency. If the individual is a minor, proof must be furnished on behalf of said minor by the individual's parents or legal guardian or by a court of competent jurisdiction. The Municipal Clerk, through its policies and procedures, shall determine the weight to be given to each type of document provided in this Section, and require that at a minimum an applicant produce more than one (1) document to establish identity. If the Municipal Clerk does not set a point weight for any of the documents listed in Subsection B below, the point weights set forth in Subsection B for each document shall be the default weight of a document.

B. Unless otherwise established by the Municipal Clerk, through its policies and procedures and in consultation with the City Administration, the validation and verification process shall be based on a six (6) points system requiring at least four (4) points providing of identity and two (2) points providing of residency.

C. Proof of identity. In order to establish identity, an applicant shall be required to produce one or more of the following documents, current as of the date of the applicant's City Resident ID Card application, which shall have the accompanying point weights indicated in parentheticals below, unless otherwise set by the Municipal Clerk per Subsection A above:

(1) a U.S. or foreign passport (**4 POINTS**);

(2) a State of New Jersey Motor Vehicles Driver's License or Permit (**4 POINTS**);

(3) a State of New Jersey Identification Card with photograph (**4 POINTS**);

(4) a U.S. Permanent Resident card ("Green Card") (**4 POINTS**);

(5) a Social Security card (**3 POINTS**);

(6) a Consular identification card with photograph (**3 POINTS**);

(7) a current Visa issued by a government agency or current U.S. Work Permit (**3 POINTS**);

(8) a photograph identification card with name, address, date of birth, and expiration date issued by another country to its citizens or nationals as an alternative to a passport for re-entry to the issuing country (**3 POINTS**);

(9) a national identification card with photograph, name, address, date of birth, and expiration date (**3 POINTS**);

(10) a Camden Resident ID Card (for information changes or renewals) (**3 POINTS**);

(11) a U.S. or foreign military identification card (**2 POINTS**);

(12) a certified copy of U.S. or foreign birth certificate (**2 POINTS**);

(13) a current foreign driver's license with photograph (1 **POINT**);

(14) a U.S. individual taxpayer identification number (ITIN) authorization letter or card with accompanying photograph (**1 POINT**);

(15) an electronic benefit transfer (EBT) card (**1 POINT**); or

(16) any other documentation that the Municipal Clerk deems acceptable (**1 POINT**).

D. Proof of Residency. In order to establish residency, an applicant shall be required to produce one or more of the following items each of which must show the applicant's name and residential address located within the city and must be dated no more than sixty (60) days prior to the date such document is presented, except as otherwise indicated in this paragraph:

(1) a U.S. or foreign passport (**4 POINTS**);

(2) a State of New Jersey Motor Vehicles Driver's License or Permit (**4 POINTS**);

(3) a State of New Jersey Identification Card with photo (**4 POINTS**);

(4) a U.S. Permanent Resident card ("Green Card") (**4 POINTS**);

(5) a utility bill (**2 POINTS**);

(6) local a hospital bill (**2 POINTS**);

(7) a current residential property lease (**2 POINTS**);

(8) a City of Camden property tax statement dated within one year of the date it is submitted (**2 POINTS**);

(9) a local real property mortgage payment receipt (**2 POINTS**);

(10) proof that the applicant has a minor child currently enrolled in a school located within the City (**2 POINTS**);;

(11) a bank account statement (**1 POINT**);

(12) an employment pay stub(**1 POINT**);

(13) a jury summons or court order issued by a federal or state court (**1 POINT**);

(14) a federal or state income tax or refund statement dated within one year of the date it is submitted (**1 POINT**);

(15) an insurance bill (homeowner, renter, health, life, or automobile insurance) (**1 POINT**);

(16) written verification issued by a homeless shelter that receives city funding confirming at least fifteen (15) days residency (**1 POINT**);

(17) written verification issued by a hospital, health clinic or social services agency located within the City confirming at least fifteen (15) days residency (**1 POINT**); or

(18) Any other documentation that The Municipal Clerk's Office deems acceptable (**1 POINT**);.

The Municipal Clerk's Office, in consultation with the City Administration, shall create alternative methods by which individuals who are homeless can establish residency notwithstanding the lack of a fixed address.

SECTION 6. CONFIDENTIALITY OF MUNICIPAL ID CARD APPLICATION INFORMATION.

A. The records relating to the application and issuance of the City Resident ID Cards shall be maintained in accordance with all applicable laws, rules, and regulations.

B. The City shall exercise its best efforts to protect the confidentiality of all City Resident ID Card applicants to the maximum extent allowable under applicable laws, rules, and regulations.

C. To the extent deemed by the Municipal Clerk to be unnecessary for the purposes of administering the City Resident ID Program and/or not otherwise required under applicable laws, rules, and regulations, the City shall not retain originals or copies of records provided by an applicant to prove identity or residency for a City Resident ID Card.

D. The City shall not disclose personal information obtained from an applicant for a City Resident ID Card to any public or private entity or individual, including federal, state, or city immigration or law enforcement entities unless required by a court of competent jurisdiction; or authorized in writing by the individual to whom such information pertains; or when such individual is a minor or is otherwise not legally competent, by such individual's parent or legal guardian; to a requesting City department for the limited purpose of administering the program or determining or facilitating the applicant's eligibility for additional benefits or services or care; and provided that such disclosure is made in accordance with all applicable laws, rules, and regulations.

SECTION 7. ACCESS TO SERVICES

A. All City agencies and offices, and all City employees, including law enforcement officers, shall accept such Card as proof of a person's identity and residency in Camden.

B. The City shall support the expansion of the benefits associated with the City Resident ID Card, including encouraging eligible persons to apply for the Card and reasonably promoting the acceptance of the City Resident ID Card by banks, financial institutions, and other public and private institutions.

C. City agencies and officers shall not require the possession of a City Resident ID Card where identification is not already required to obtain City services. Provided, however that agencies may require the possession of a City Resident ID card to obtain benefits or privileges offered exclusively to those persons who possess a City Resident ID Card as an incentive for persons to apply for such Card.

SECTION 8. LANGUAGE ASSISTANCE SERVICES

Unless otherwise required under applicable laws, rules and regulations, the Municipal Clerk's Office shall use reasonable efforts to provide language assistance to applicants for the City Resident ID Cards to facilitate access thereto. The Municipal Clerk's Office is authorized and encouraged to identify and implement measures, including but not limited to staff training, community outreach, and language assistance tools, to address the needs of limited English proficient individuals in the administration of the City Resident ID Card Program.

SECTION 9: COUNTERFEIT AND FRAUDULENT CARDS

No person or entity is to undertake any of the following acts, which shall be punishable by fine and/or penalty as provided under this Chapter:

A. To knowingly present false information in the course of applying for the City Resident ID Card,

B. To alter, copy, or replicate a the City Resident ID Card without the authority of the City of Camden, or

C. To use the City Resident ID Card issued to another person, with the intent to cause a third person or entity to believe the holder of the card is the person to whom the card was issued.

SECTION 10. DISCLAIMER.

The City of Camden is providing the City Resident ID Card for identification and access to services provided by the City of Camden. The City does not act as guarantor or warrantor either of the information provided by the applicant for the City Resident ID Card or of/against acts, criminal or otherwise committed by the individual(s) while possessing or using the City Resident ID Card. The City does not waive any of its protections afforded under applicable laws, rules and regulations, including but not limited to the immunities under the New Jersey Torts Claims Act, N.J.S.A.: 59:1-1 et seq., by processing or issuing the City Resident ID Card.

SECTION 11. REPORTS TO MAYOR AND CITY COUNCIL.

The Municipal Clerk shall submit a report to the Mayor and City Council on the status of the City Resident ID Card Program as may be requested by the Mayor and/or City Council. The report shall only include information pertinent to determine the effectiveness of the Program.

SECTION 12. VIOLATIONS AND PENALTIES.

Unless otherwise provided in this Chapter, penalties against persons violating the provisions of this article shall be imposed in accordance with the provisions of §1-16A of the City Code.

SECTION 13: Any portion of the City Code not herein amended and supplemented shall remain in full force and effect.

SECTION 14: All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 15: If any provision of this ordinance is declared invalid, such invalidity shall not affect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

SECTION 16: This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

AN ORDINANCE OF THE CITY OF CAMDEN, COUNTY OF CAMDEN, NEW JERSEY, AUTHORIZING THE GUARANTY BY THE CITY OF THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON CITY GUARANTEED REVENUE BONDS (CAMDEN WATERFRONT PARKING GARAGE PROJECT) IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $25,000,000 TO BE ISSUED BY THE CAMDEN COUNTY IMPROVEMENT AUTHORITY ON BEHALF OF THE PARKING AUTHORITY OF THE CITY OF CAMDEN, AND FOR THE PURPOSE OF PROVIDING ADDITIONAL SECURITY FOR THE PAYMENT OF SAID BONDS; AND DETERMINING CERTAIN MATTERS IN CONNECTION THEREWITH

WHEREAS, The Camden County Improvement Authority ("Authority") has been duly created by resolution of the Board of Chosen Freeholders ("Board") of the County of Camden, New Jersey ("County") as a public body corporate and politic of the State of New Jersey ("State") pursuant to and in accordance with the County Improvement Authorities Law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto (*N.J.S.A.* 40:37A-44 *et seq.*) ("Act"); and

WHEREAS, The Parking Authority of the City of Camden ("PACC") is a public body corporate and politic of the State and has been created pursuant to an ordinance, duly and finally adopted by the City Council of the City of Camden, County of Camden, New Jersey ("City"), pursuant to the Parking Authority Law, *N.J.S.A.* 40:11A-1 *et seq.* ("Parking Act"); and

WHEREAS, pursuant to the Parking Act, the PACC has heretofore determined to develop and construct certain parking facilities throughout the City to serve governmental, commercial and residential property owners and visitors of the City as part of the City's master development plan; and

WHEREAS, such parking facilities include the development and construction of a new, approximately 1,200 space, multi-level parking facility to be located on certain real property in the City identified as Block 139.02, Lot 1.01 on the Official Tax Map of the City of Camden, in order to provide much needed parking to the rapidly developing waterfront area of the City ("Garage Project"); and

WHEREAS, a portion of the funding for the Garage Project is available to the PACC through funds on hand and from certain funds to be received from other sources, including a grant from the New Jersey Economic Development Authority (collectively, the "Available Funds"); and

WHEREAS, the PACC has sought additional financing sources for the balance of the funding necessary to complete the Garage Project; and

WHEREAS, pursuant to the Act, the Authority is authorized to provide financing for the provision of Public Facilities (as defined in the Act), which includes the Garage Project, for use by the State, the County or any beneficiary county, or any municipality in any such county, or any two or more or any subdivisions, departments, agencies or instrumentalities of any of the foregoing, including the PACC, for their respective governmental purposes; and

WHEREAS, the Authority is also authorized by law to plan, design, acquire, construct, equip and furnish public facilities, including the Garage Project, on behalf of certain governmental units, including Rowan; and

WHEREAS, in furtherance of the development and construction of the Garage Project, the Authority has offered to provide assistance and support to the PACC, as owner of the Project, with respect to the acquisition, development, construction, installation and equipping thereof; and

WHEREAS, the Authority has also offered to provide financial assistance to the PACC in order to pay for those portions of the costs of the Garage Project not otherwise paid for or funded by the Available Funds of the PACC; and

WHEREAS, the PACC has determined that Authority possesses the skill and expertise necessary to develop and manage the development, construction and financing of large scale projects in a timely and cost-effective manner; and

WHEREAS, in furtherance of such determination, the PACC and the Authority have heretofore entered into a Shared Services Agreement ("Shared Services Agreement") pursuant to which the Authority has agreed to provide project development and management assistance to the PACC with respect to the Garage Project; and

WHEREAS, in addition, pursuant to the Shared Services Agreement, the Authority has agreed to provide conduit financing to provide funding for a portion of the costs of the Garage Project not otherwise paid for with Available Funds of the PACC; and

WHEREAS, the Authority now desires to authorize, issue and sell up to $25,000,000, in one or more series, of its City Guaranteed Revenue Bonds (Camden Waterfront Parking Garage Project) ("Bonds"), the proceeds of which will be loaned to the PACC and, thereafter, utilized to: (i) pay for a portion of the costs of the development, construction and equipping of the Garage Project not otherwise paid for with Available Funds of the PACC pursuant to and in accordance with the Shared Services Agreement and the plans and specifications provided by PACC to the Authority; (ii) provide for capitalized interest on the Bonds; and (iii) pay the costs associated with the issuance of the Bonds (collectively, the "Project"); and

WHEREAS, the Bonds will be special, limited obligations of the Authority the payment of which will be secured by, *inter alia*, loan payments to be received from the PACC pursuant to the terms and conditions set forth in a Loan and Security Agreement between the Authority and the PACC ("Loan Agreement") in an amount sufficient to pay the principal of and interest on the Bonds when due, plus any additional fees and expenses charged by the Authority or owed to third parties; and

WHEREAS, pursuant to the Loan Agreement, the PACC shall pay to the Authority loan payments ("Loan Payments") until the amounts due and owing for the Bonds are paid in full; and

WHEREAS, the Loan Payments shall constitute general corporate obligations of the PACC payable from any available funds of the PACC including, but not limited to, revenues derived from the use and operation of the Garage Project; and

WHEREAS, in recognition of the economic importance of the continued development of the City, and the waterfront portion of the City in particular, and to induce the prospective purchasers of the Bonds to purchase the same and provide additional security to the holders thereof, the City desires, in accordance with Section 37 of the Act, *N.J.S.A.* 40:37A-80, to unconditionally and irrevocably guaranty the punctual payment of the principal of and interest on the Bonds as further described herein; now, therefore

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMDEN, COUNTY OF CAMDEN, NEW JERSEY (NOT LESS THAN TWO-THIRDS OF ALL THE MEMBERS THEREOF AFFIRMATIVELY CONCURRING), AS FOLLOWS:

Section 1. This Ordinance shall be adopted by the City Council of the City in the manner provided for the adoption of a bond ordinance as provided in the Local Bond Law, constituting Chapter 169 of the Pamphlet Laws of 1960 of the State, and the acts amendatory thereof and supplemental thereto, *N.J.S.A.* 40A:2-1 *et seq.* ("Local Bond Law").

Section 2. Pursuant to and in accordance with the terms of the Act, specifically Section 37 thereof, *N.J.S.A.* 40:37A-80, the City is hereby authorized to and hereby shall unconditionally and irrevocably guaranty the punctual payment of the principal of and interest on the Bonds in an aggregate principal amount not exceeding $25,000,000 to be issued for the purpose of undertaking and financing the Project as further described in the preamble hereof, such Bonds to be dated, to be in such form, to mature, to bear such rate or rates of interest and to be otherwise as provided or established in a bond resolution to be adopted by the Authority on or about March 8, 2016, and consistent with the provisions of the Act. The full faith and credit of the City are hereby pledged for the full and punctual performance of its payment obligations under this Ordinance.

Section 3. Upon endorsement of the Bonds referred to in Section 4 below, the City shall be unconditionally and irrevocably obligated to pay the principal of and interest on the Bonds

in the same manner and to the same extent as in the case of bonds issued by the City and, accordingly, the City shall be unconditionally and irrevocably obligated to levy *ad valorem* taxes upon all taxable property within the City for the payment thereof without limitation as to rate or amount to the extent payment of the Bonds is not otherwise provided.

Section 4. The Mayor, Treasurer/Chief Financial Officer and Director of Finance are each hereby authorized and directed to execute on each of the Bonds, by manual or facsimile signature, language evidencing such guaranty by the City of the punctual payment of the principal of and interest thereon ("Guaranty"). The Guaranty shall be in substantially the following form:

"GUARANTY OF CITY OF CAMDEN, COUNTY OF CAMDEN, NEW JERSEY

The payment of the principal of and interest on the within Bond to the extent considered outstanding under the resolution of the Authority authorizing the Bonds is hereby fully and unconditionally guaranteed by the City of Camden, County of Camden, New Jersey ("City"), and the City is unconditionally liable for the payment, when due, of the principal of and interest on this Bond in accordance with its terms.

"IN WITNESS WHEREOF, the City has caused this Guaranty to be executed by the manual or facsimile signature of its [Mayor] [Treasurer/Chief Financial Officer] [Director of Finance].

CITY OF CAMDEN, COUNTY OF CAMDEN, NEW JERSEY

By:_____"

Section 5. The Mayor, Treasurer/Chief Financial Officer, and Director of Finance are each hereby authorized to enter into, execute and deliver in the name of the City and on its behalf, a Guaranty Agreement ("Guaranty Agreement") setting forth such matters with respect to the guaranty authorized by this Ordinance as the Mayor, Treasurer/Chief Financial Officer or Director of Finance (after consultation with counsel to the County) deems appropriate, and the City Clerk and Deputy City Clerk are each authorized to attest to the signature set forth on the Guaranty Agreement and to affix the seal of the City to the Guaranty Agreement.

Section 6. It is hereby found, determined and declared by the City Council that:

(a) This Ordinance may be adopted notwithstanding any statutory debt or other limitations, including particularly any limitation or requirement under or pursuant to the Local Bond Law, but the aggregate principal amount of the Bonds which shall be entitled to the benefits of the guaranty pursuant to this Ordinance, being an amount not to exceed $25,000,000, shall after their issuance be included in the gross debt of the County for the purpose of determining the indebtedness of the City under or pursuant to the Local Bond Law.

(b) The principal amount of Bonds entitled to the benefits of this Ordinance and included in the gross debt of the City shall be deducted and is hereby declared to be and to constitute a deduction from such gross debt under and for all the purposes of the Local Bond Law: (i) from and after the time of issuance of the Bonds until the end of the fiscal year beginning next after the completion of the Project; and (ii) in any annual debt statement filed pursuant to the Local Bond Law as of the end of said fiscal year or any subsequent fiscal year if the revenues or other receipts or moneys in such year relative to the Project are sufficient to pay its expenses of operation and maintenance in such year and all amounts payable in such year on account of the principal of and interest on all such guaranteed Bonds issued to finance the costs of the Project or as otherwise provided by law.

Section 7. The following matters are hereby determined, declared, recited and stated:

(a) The maximum principal amount of the Bonds which are hereby and hereunder guaranteed as to the punctual payment of the principal thereof and interest thereon is and the maximum estimated cost of the Project to be financed in accordance with the transaction contemplated hereby is $25,000,000.

(b) The purpose described in this Ordinance is not a current expense of the City and no part of the cost thereof has been or shall be assessed on property specially benefited thereby.

(c) A supplemental debt statement of the City has been duly made and filed in the office of the City Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State, and such debt statement shows that while the gross debt of the City, as defined in the Local Bond Law, is increased by this Ordinance by $25,000,000, in accordance with the provisions of the Act, the net debt of the County is not increased, and the obligation of the City authorized by or incurred pursuant to the terms of this ordinance is permitted by an exception to the debt limitations of the Local Bond Law which exception is contained in the Act.

Section 8. All ordinances or parts thereof, inconsistent herewith are hereby rescinded and repealed to the extent of any such inconsistency.

Section 9. This ordinance shall take effect at the time and in the manner provided by the Local Bond Law.

Section 10. This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

Section 11. If any provision of this ordinance is declared invalid, such invalidity shall not affect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

ORDINANCE AMENDING CHAPTER 115 OF THE CITY CODE, ADOPT A STREET AND LOT PROGRAM, ADOPTED BY THE CITY COUNCIL OF THE CITY OF CAMDEN ON JUNE 28, 1990 BY ORDINANCE NO. MC-2555

WHEREAS, Chapter 115. Adopt a Street and Lot Program, was adopted by the City Council of the City of Camden on June 28, 1990 by Ordinance No. MC-2555; and

WHEREAS, the City of Camden sought to institute a program for community volunteers to clean and maintain the streets and lots in the City of Camden; and

WHEREAS, a continued effort is still welcomed and numerous individuals and groups have continued to express an interest in donating their time and service to become involved in a program for cleaner, neater lots and streets in various neighborhoods in the City of Camden; and

WHEREAS, the City of Camden by way of this Amending Ordinance seeks to update its rules and regulations with regard to the City's "Adopt A Street And Lot " Program; and

WHEREAS, this City Council deems it in the public's best interest to make the following updates and changes to the current "Adopt A Street And Lot " Program, which are set forth below; now, therefore

BE IT ORDAINED, by City Council of the City of Camden that, for all the reasons stated above, Chapter 115, of the City Code be, and hereby is, amended to include the following updated guidelines for the City's "Adopt A Street And Lot " Program:

SECTION 1. Updated Guidelines To The Adopt-A-Lot Program:

A. Camden City property owners can **"ADOPT"** City-Owned Lot(s) (hereinafter referred to as an "Adopt A Lot") that are located adjacent to the property they own. Only Camden City property owners can apply for Adopt A Lot status (hereinafter referred to as an "Adoptee"). Any tenant who wants to adopt a lot(s) shall be required to have their landlord apply to the Adopt a Lot Program for such adoption.

B. At all times, the City of Camden maintains full and continuous legal ownership of the adopted City-Owned Lots under an Adopt A Lot. The City's approval of an Adopt a Lot shall not be intended or construed as a grant to Adoptee of any ownership interest in the subject City-Owned Lot(s).

C. The purpose of the Adopt A Lot is solely for the cleaning and beautification of City-Owned Lots. The Lot is permitted to be used to plant a floral or vegetable garden only. No other activities can be conducted on the Lot. The Adoptee is required to properly keep up with the maintenance of the Lot, which means the grass should be cut and the yard cleaned. The vegetable and/or flower gardens are to be kept nice and neat.

D. It is suggested that all Adoptees complete a request to purchase the Lot(s) at the Bureau of City Properties in City Hall, 3rd Floor, Room 327-A, Camden, NJ as the maximum time period to Adopt a Lot is now three (3) years. Additional information in this regard can be provided by the City Properties upon request.

E. An Adoptee must supply the City of Camden with a Certificate of Insurance, which shall evidence sufficient types and amounts of insurance coverage--as set by the City in its sole discretion--for the City against general liability while the Adopted Lot(s) is under the care and upkeep of the Adoptee.

F. All Adopt A Lots will be issued signage designating the Lot(s) as an Adopted Lot.

G. Periodic inspections will be performed by the City to verify an Adoptee's compliance with the ordinances, rules and regulations governing Adopt A Lot. If an Adoptee is found by the City to not be in compliance, the City can immediately revoke its Adopt a Lot designation without any prior notice.

H. An Adoptee CANNOT engage in or do the following activities upon the Adopt A Lot:

1. Adoptee is **NOT PERMITTED** to park cars, trailers, boats or any other vehicle on the Adopted Lot.
2. Adoptee is **NOT PERMITTED** to plant trees on the Lot.
3. Adoptee is **NOT PERMITTED** to put any permanent structures on the Adopted Lot [For example, without limitation: No pools, car ports, driveways (concrete, asphalt etc.), sheds, garages, permanent playground equipment, etc.]
4. Adoptee is **NOT PERMITTED** to place large compost piles on the lot
5. Adoptee is **NOT PERMITTED** to conduct any business transactions of any kind on the Adopted Lot (For example, without limitation: No vegetable stands, no selling of cars, no car repairs, no yard sales, etc.).
6. Adoptee is **NOT PERMITTED** to rent, lease, sublet, sell, or assign the Adopted Lot to any person or organization.
7. Adoptee is **NOT PERMITTED** to remove the City Signage of the Adopted Lot.
8. Adoptee is **NOT PERMITTED** to conduct religious services on the Adopted Lot.
9. Adoptee is **NOT PERMITTED** to have ALCOHOLIC beverages on the Adopted Lot.
10. Adoptee is **NOT PERMITTED** to allow pets or any other animals to be housed or roam freely unleashed on the Adopted Lot.

I. Adoptees shall further comply with the following:

1. Fencing is the sole responsibility of the Adoptee.
2. Fencing CANNOT be higher than four (4) feet tall.
3. Adoptee shall not remove or change any existing fencing.
4. No cemented poles are to be erected by Adoptee.
5. If an Adoptee decides to cancel his/her Adopt a Lot privileges, ADOPTEE IS SOLELY RESPONSIBLE FOR, AND MUST IMMEDIATELY REMOVE, ALL FENCING THAT ADOPTEE ERECTED on the Lot.
6. An Adopted Lot, AT ANY TIME, can be removed from the Adopt-A-Lot Status
7. FOR ANY REASON DEEMED NECESSARY BY THE CITY OF CAMDEN, AT ITS SOLE DISCRETION, AND AT ANY TIME, if the City of Camden sells the Adopted Lot(s) and Adoptee is not the buyer of the Lot(s), Adoptee must immediately cease any and all activity on the lot. ADOPTEE IS SOLELY RESPONSIBLE FOR, AND MUST IMMEDIATELY REMOVE, ALL FENCING THAT ADOPTEE ERECTED on the Lot.

J. **COMMUNITY GARDENS**

1. Community Gardens are no longer permitted under Adopt A Lot program. Individuals or groups desiring to establish a Community Garden must enter into an appropriate License Agreement with the City of Camden.

2. The City of Camden does not provide a water source for any Adopt A Lot or Community Garden.

3. After harvest season, the ground must be tilled and leveled for a nice, neat and kept appearance for any Adopt A Lot or Community Garden.

SECTION 2. The proper officer(s) and office(s) shall be, and are hereby, authorized to make the necessary changes to effectuate the herein updated guidelines.

SECTION 3. Any portion of the City Code not herein amended and supplemented shall remain in full force and effect.

SECTION 4. All ordinances or parts of ordinances inconsistent with the provisions of this Ordinance are hereby repealed as to such inconsistency only.

SECTION 5. If any provision of this Ordinance is declared invalid, such invalidity shall not affect the other provisions of this Ordinance. Furthermore, the other provisions of this Ordinance are deemed to be severable and remain in full force and effect.

SECTION 6. This Ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

RESOLUTION HONORING DR. LAWRENCE RAGONE FOR HIS CONTRIBUTIONS AND GENEROUS EFFORTS TOWARD THE BETTERMENT OF THE CITY OF CAMDEN AND ITS RESIDENTS

WHEREAS, Dr. Ragone was born in Camden New Jersey in 1928. He graduated from Camden High School, attended Temple University, and graduated from Pennsylvania College of Optometry in 1953. Dr. Ragone went into the military from 1953-1955 providing optometric services at Fort MacArthur Hospital, California, Osaka Army Hospital, Osaka Japan, and Yokohama Medical Facility, Yokohama, Japan; and

WHEREAS, Dr. Ragone, started his private practice in Camden, NJ in 1956. While maintaining his private practice in 1961, along with four other colleagues, he founded the South Jersey Eye Center, a non-profit facility that provides eye care services for all populations especially the underserved, uninsured, and underinsured people of Camden City. Dr. Ragone was well aware of the economic depression and social decline within the City. He sought to provide eye care services to those residents of Camden City and surrounding municipalities who were financially unable to receive care any other way. Although Dr. Ragone officially retired in 2015, the South Jersey Eye Center continues the fight against preventable and reversible vision loss for fifty-five years; providing more than 450,000 patient visits to populations of all ages; and

WHEREAS, Dr. Ragone through support from Camden City, Camden County officials, New Jersey State Legislators, Lions Clubs of District 16C, the establishment of the South Jersey Eye Center's Mobile Vision Clinic was realized in 1985. The Mobile Vision Clinic travels to schools, nursing homes, senior resident centers, and health fairs among other sites. Dr. Ragone has earned numerous awards and recognitions from various organizations from 1965 through 2014; and

WHEREAS, it is appropriate that this City Council of the City of Camden honor those individuals and who greatly contribute to the enrichment of the Camden community, and its residents by highlighting the remarkable talent flourishing in Camden; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden that it hereby commends Dr. Lawrence Ragone for his humanitarian efforts and spiritual wishes on his journey.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

AN ORDINANCE FURTHER AMENDING AND SUPPLEMENTING AN ORDINANCE ENTITLED, "AN ORDINANCE FIXING THE SALARY RANGES TO BE PAID TO CERTAIN OFFICERS AND EMPLOYEES IN THE CLASSIFIED AND UNCLASSIFIED SERVICE OF THE CITY OF CAMDEN" ADOPTED DECEMBER 23, 1982 (MC-1917)

BE IT ORDAINED by the City Council of the City of Camden that an ordinance entitled, "An Ordinance Fixing the Salary Ranges to be Paid to Certain Officers and Employees In the Classified and Unclassified Service of the City of Camden", adopted December 23, 1982 (MC-1917) is amended and supplemented as stated herein, with attachments, as follows:

SECTION 1. The effective date of these amendments shall be as of April 15, 2015.

SECTION 2. Attached hereto and incorporated herein, by way of reference is a list of certain titles that will increase the salaries by 2% that moved from Teamsters Local #676 into CWA Local #1014 on April 15, 2015 for certain officers and employees in the Classified and Unclassified Services of the City of Camden, as set forth on the attached schedule marked in bold.

SECTION 3. In the interest of municipal efficiency and economy, these titles and their salaries are being placed upon a single ordinance in order to avoid duplication of effort and waste of manpower.

SECTION 4. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 5. This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

SECTION 6. If any provision of this ordinance is declared invalid, such invalidity shall not effect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

AN ORDINANCE FURTHER AMENDING AND SUPPLEMENTING AN ORDINANCE ENTITLED, "AN ORDINANCE FIXING THE SALARY RANGES TO BE PAID TO CERTAIN OFFICERS AND EMPLOYEES IN THE CLASSIFIED AND UNCLASSIFIED SERVICE OF THE CITY OF CAMDEN" ADOPTED DECEMBER 23, 1982 (MC-1917)

BE IT ORDAINED by the City Council of the City of Camden that an ordinance entitled, "An Ordinance Fixing the Salary Ranges to be Paid to Certain Officers and Employees In the Classified and Unclassified Service of the City of Camden", adopted December 23, 1982 (MC-1917) is amended and supplemented as stated herein, with attachments, as follows:

SECTION 1. The effective date of these amendments shall be as of July 5, 2015.

SECTION 2. Attached hereto and incorporated herein, by way of reference is a list of titles that will increase the salary of two (2) titles by 2% as negotiated by CWA, Local 1014 as of July 5, 2015 for certain officers and employees in the Classified and Unclassified Services of the City of Camden, as set forth on the attached schedule marked in bold.

Chief Clerk
Customer Service Representative Bilingual in Spanish and English

SECTION 3. In the interest of municipal efficiency and economy, these titles and their salaries are being placed upon a single ordinance in order to avoid duplication of effort and waste of manpower.

SECTION 4. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 5. This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

SECTION 6. If any provision of this ordinance is declared invalid, such invalidity shall not effect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

Date of Introduction: July 12, 2016

AN ORDINANCE FURTHER AMENDING AND SUPPLEMENTING AN ORDINANCE ENTITLED, "AN ORDINANCE FIXING THE SALARY RANGES TO BE PAID TO CERTAIN OFFICERS AND EMPLOYEES IN THE CLASSIFIED AND UNCLASSIFIED SERVICE OF THE CITY OF CAMDEN" ADOPTED DECEMBER 23, 1982 (MC-1917)

BE IT ORDAINED by the City Council of the City of Camden that, an ordinance entitled, "An Ordinance Fixing the Salary Ranges to be Paid to Certain Officers and Employees In the Classified and Unclassified Service of the City of Camden", adopted December 23, 1982 (MC-1917) is amended and supplemented as stated herein, with attachments, as follows:

SECTION 1. The effective date of these amendments shall be January 1, 2016.

SECTION 2. Attached hereto and incorporated herein, by way of reference is the list of salaries and wages to be paid to certain officers and employees in the Classified and Unclassified Services of the City of Camden, to increase the salaries by 2% as set forth on the attached schedule.

SECTION 3. In the interest of municipal efficiency and economy, these titles and their salaries are being placed upon a single ordinance in order to avoid duplication of effort and waste of manpower.

SECTION 4. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 5. This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

SECTION 6. If any provision of this ordinance is declared invalid, such invalidity shall not effect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

ORDINANCE AUTHORIZING THE TRANSFER OF 1771 HADDON AVENUE TO THE CAMDEN REDEVELOPMENT AGENCY, IDENTIFIED AS BLOCK 1279.01, LOT 3 ON THE OFFICIAL TAX MAP OF THE CITY OF CAMDEN

WHEREAS, the City of Camden is in the process of acquiring the property known as 1771 Haddon Avenue, Block 1279.01, Lot 3 on the official tax map of the City of Camden by public purpose eminent domain as authorized by the "Eminent Domain Act of 1971," N.J.S.A. 20:3-1 et seq. and pursuant to the "Local Lands and Building Law," N.J.S.A. 40A:12-1 et seq. and N.J.S.A. 40:61-11; and

WHEREAS, the City of Camden has determined that it is necessary and in the public interest to acquire Block 1279.01, Lot 3 for the public purpose; and

WHEREAS, the City of Camden is authorized to transfer certain real property for public use to another political subdivision or body corporate of the State of New Jersey by ordinance without public sale, pursuant to N.J.S.A. 40A:12-13; and

WHEREAS, the City of Camden desires to transfer Block 1279.01, Lot 3 to the Camden Redevelopment Agency ("CRA"), once the property is acquired, whereby the CRA will facilitate the public purpose by means of a Redevelopment Agreement; and

WHEREAS, the City of Camden shall transfer said parcel to the Camden Redevelopment Agency once the City has acquired the property; and

WHEREAS, the CRA has the authority to transfer the property to a redeveloper in connection with the redevelopment project pursuant to the "Local Redevelopment and Housing Law," N.J.S.A. 40A:12A-1 et seq.; now therefore

BE IT ORDAINED, by the City Council of the City of Camden that:

SECTION 1. The governing body of the City of Camden does hereby authorize the transfer of all right, title and interest of 1771 Haddon Avenue, Block 1279.01, Lot 3, to the CRA once the City of Camden has acquired the property, and authorizes an agreement of sale relating to said transfer, any proceeds from the sale of the property to a third party shall be paid to the City of Camden.

SECTION 2. The instruments of conveyance shall provide that the property must be used for public purpose in accordance with the Redevelopment Agreement.

SECTION 3. Any portion of this ordinance not herein amended and supplemented shall remain in full force and effect.

SECTION 4. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistencies only.

SECTION 5. This ordinance shall take effect twenty (20) days after final passage and publication as provided by law.

SECTION 6. The Municipal Clerk shall, within sixty (60) days after this ordinance becomes effective, file a certified copy of this ordinance, together with a copy of the proof of publication, in the Office of the Camden County Clerk/Register of Deeds with instructions that the certified copy of this ordinance be recorded and properly indexed in the street vacation book.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this ordinance, and the action by the Commissioner regarding this ordinance shall supersede any action by the Mayor on the same ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

ORDINANCE AUTHORIZING THE CORRECTION OF THE LEGAL DESCRIPTION FOR THE VACATION AND CONVEYANCE OF AN ALLEYWAY LOCATED AT BLOCK 439 LOTS 2.01-2.06, 19.01-19.05 IN THE CITY OF CAMDEN, CAMDEN COUNTY, NEW JERSEY

WHEREAS, Ordinance MC-4838 granted the vacation of an alleyway near 9th Street between Lowell and Jackson Streets for the construction of single family housing units, was approved on May 13, 2014 and adopted June 10, 2014; and

WHEREAS, the legal description contained in Ordinance MC-4838 does not reflect the area to be vacated and conveyed to the Camden County Council on Economic Opportunity; and

WHEREAS, the Planning Board took corrective action to reflect the proper vacated areas and other actions to obtain completeness in the application; and

WHEREAS, the applicant shall be responsible for all costs and expenses incidental to the introduction, passage, and publication of this ordinance, including preparation and mailing of any and all notices related to this Ordinance, legal, engineering, and recording costs associated with the vacation area; and

WHEREAS, no buildings or structures of any kind may be constructed over the water or sewer utilities within this area subject to the easement; and

WHEREAS, the applicant shall record and/or file the Ordinance and Plan with the County Clerk's Office the Ordinance becomes effective; and

WHEREAS, no objections or reservations have been made; and

WHEREAS, it appears to the Council of the City of Camden that the interest of both the City and the public will not be adversely affected by vacating the public right in the area described below; now, therefore

BE IT ORDAINED by the City Council of the City of Camden that:

SECTION 1. All that certain parcel or tracts of land situate in the City of Camden, County and the State of New Jersey, more particularly described and legal description of lands are as follows: (See description attached as Exhibit "A").

SECTION 2. All municipal public utilities, private utilities, and cable television lines and facilities, if any, existing in, on or under the vacated street described in the legal description shall remain the property of the City of Camden or applicable public utility or cable television Company. The party or parties who become owners of the vacated street under this ordinance, and their successors in title, shall not have the right to close, remove, relocate, erect any structure upon, or block access to any municipal or public utility or cable television lines or facilities existing in, or under the vacated street, but they shall have the right to contract or reach an agreement with the City of Camden or applicable public utility or cable television company to close, remove, relocate, detour or operate and maintain any such municipal public utility or cable television company lines and facilities. The party or parties who become owners of the vacated street must maintain fire access to said vacated street at all times. The public rights, interests and obligations of the subject property, more particularly described in said Exhibit attached hereto, are hereby vacated abandoned and released.

SECTION 3. In accordance with the provisions of N.J.S.A. 40:67-1, as amended by P.L. 1985, c. 421. The street vacation is subject to the rights of the City of Camden and of public utilities to enter the vacated street in a reasonable manner for the purpose of inspecting, maintaining, repairing, replacing, closing or removing any municipal public utility or private utility or cable television lines and facilities remaining in, on, or under

the vacated street, unless the City of Camden or public utility or cable television company waive such right by contract or agreement under Section 2 above.

SECTION 4. The City Clerk shall have this ordinance published at least once, not less than ten (10) days instead of one (1) week prior to the second reading.

SECTION 5. Any portion of this ordinance not herein amended and supplemented shall remain in full force and effect.

SECTION 6. All ordinances or parts of ordinance inconsistent with the provisions of this ordinance are hereby repealed as to such insistency only.

SECTION 7. This ordinance shall take effect twenty (20) days after final passage and publication as provided by law.

SECTION 8. The Municipal Clerk shall, within sixty (60) days after this ordinance becomes effective, file a certified copy of this ordinance, together with a copy of the proof of publication, in the office of the Register of Deeds of Camden County with instructions that the certified copy of this ordinance be recorded and properly indexed in the street vacation book.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. ORDINANCE AMENDING CHAPTER CHAPTER 210, DOGS AND OTHER ANIMALS, ARTICLE I. DOGS, KENNELS AND PET SHOPS
TO PROHIBIT THE SALE OF DOGS AND CATS FROM PET SHOPS

[FOLLOWING DRAFT TEXT IS UNDER LEGAL REVIEW BY THE CITY ATTORNEY'S OFFICE]

WHEREAS, Chapter 210. Dogs And Other Animals, Article I. Dogs, Kennels And Pet Shops, of the City Code, needs to be further amended for all the reasons set forth herein in the best interest of the residents of the City of Camden; and

WHEREAS, City Council has received testimony from the public that a significant number of puppies and kittens sold at pet shops come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for ("puppy mills" and "kitten mills," respectively). According to The Humane Society of the United States, it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet shop dogs and cats come from puppy mills and kitten mills; and

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise; and

WHEREAS, the inhumane conditions in puppy and kitten mill facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers in the City are unaware of when purchasing animals from pet shops due to both a lack of education on the issue and misleading tactics of pet shops in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

WHEREAS, current federal, State and City law and regulations do not adequately address the sale of puppy and kitten mill dogs and cats in pet shops; and

WHEREAS, restricting the retail sale of puppies and kittens in the City to only those that are sourced from shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills, and is likely to increase demand for animals from animal shelters and rescue organizations; and

WHEREAS, according to the New Jersey Department of Health 2014 Animal Intake and Disposition Survey, due in large part to pet overpopulation, more than 20,000 dogs and cats are euthanized in New Jersey animal shelters annually, including nearly 1,500 in the County of Camden. Restricting the retail sale of puppies and kittens to only those that are sourced from animal shelters and rescue organizations will likely reduce pet overpopulation and thus the burden on such agencies and financial costs on local taxpayers; and

WHEREAS, across the country, thousands of independent pet shops as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

WHEREAS, this Ordinance will not affect a consumer's ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dogs or cats are bred, or can confer directly with the hobby breeder concerning those conditions; and

WHEREAS, this City Council believes it is in the best interests of the City to adopt a reasonable ordinance to reduce costs to the City and its residents; protect the resident of Camden who may purchase cats or dogs from a pet shop or other business establishment; help prevent inhumane breeding conditions, promote community awareness of animal welfare; and foster a more humane environment in the City.

[DRAFT: 6-9-16
FOR INTERNAL REVIEW]

BE IT ORDAINED, by the City Council of the City of Camden that Chapter 210. Dogs And Other Animals, Article I. Dogs, Kennels And Pet Shops, of the City Code, be, and hereby is amended as follows:

SECTION 1: §210-1 (Definitions) is hereby amended to include the following additional new definitions:

ANIMAL CARE FACILITY means an animal control center or animal shelter, maintained by, or under contract with, any New Jersey state, county, or municipal department or agency, whose mission and practice is, in whole, or significant part, the rescue and placement of animals in permanent homes or rescue organizations.

ANIMAL RESCUE ORGANIZATION means any New Jersey-based not-for-profit organization which has tax-exempt status under Section 501(c)(3) of the United States Internal Revenue Code, whose mission and practice is, in whole or in significant part, the rescue and placement of animals in permanent homes.

CAT means a member of the species of domestic cat, Felis catus.

OFFER FOR SALE means to sell, offer for sale or adoption, advertise for the sale of, barter, auction, give away or otherwise dispose of a dog or cat.

PET SHOP *[REPLACES current definition in its entirety]* means a retail establishment where dogs and cats are sold, exchanged, bartered or offered for sale as pet animals to the general public at retail. Such definition shall not include animal care facility, or animal rescue organization, as defined herein.

SECTION 2. RESTRICTIONS ON THE SALE OF DOGS AND CATS

a. A pet shop may offer for sale only those dogs and cats that the pet shop has obtained from or displays in cooperation with:
   (1) An animal care facility; or
   (2) An animal rescue organization.

b. A pet shop shall not offer for sale a dog or cat that is younger than eight (8) weeks old.

SECTION 3:. Any portion of the City Code not herein amended and supplemented shall remain in full force and effect.

SECTION 4: All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

SECTION 5: If any provision of this ordinance is declared invalid, such invalidity shall not affect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

SECTION 6: This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

ORDINANCE AUTHORIZING AN AMENDMENT TO THE CITY'S ZONING CODE AND ZONING MAP

WHEREAS, certain Articles of the Land Development Ordinance of the City of Camden at Section 577-1 et seq. need to be amended to revise the City's Zoning Codes to conform with recent growth and development within the City; and

WHEREAS, City Council hereby directs the Planning Board to consider whether zoning amendments, as enumerated below, are consistent with the Master Plan of the City of Camden; now, therefore

BE IT ORDAINED, by the City Council of the City of Camden that:

SECTION 1. The following Zoning Districts shall be amended, consistent with the recommendations of the Planning Board, as follows:

A. The GI-2 General Industrial Zone along Federal Street between 16th Street and South 19th Street south of Federal Street and 16th Street and State Street north of Federal Street shall be expanded as follows. The boundary of the GI-2 zone shall begin at the intersection of Federal Street and Linden Street and run east along the south side of Federal Street to center line of S. 16th Street; then south along the center line of S. 16th street to the center line of Carman Street; then along the center line of Carman Street east to the center line of S. 19th Street; then north to the south side of Federal Street; then east along the south side of Federal Street to the intersection of Federal Street and the center line of N. 19th Street; then north along the center line of N. 19th Street to the north side of Cooper Street; then east along the north side of Cooper Street to the east property line of Block 1190, Lot 1; then north along the east property line of Block 1190, Lot 1 to the southern lot line of Block 1189, Lot 3; then east along the southern lot line of Block 1189, Lot 3 to the center line of E. State Street; then northwest along the center line of E. State Street to the NJDOT railroad tracks; then west along the railroad tracks across the Cooper River to Linden Street; then south along Linden Street to the place of beginning. This amendment shall include those properties located at Block 116, Lot 15, Block 1181; Block 1182, Lot 5; Block 1184, Block 1185, Block 1186, Block 1187, Block 1188, Block 1189, Block 1190, Lot 1, and Block 1199.

B. The LI-1 Light Industrial Zone located at E. State Street and River Avenue shall be expanded to include all of Block 847, Lot 2.

C. The Zoning Map is and shall be amended to incorporate the changes to the GI-2 and LI-1 zones identified in this Ordinance.

SECTION 2. Article III, Section 577-20 shall be deleted in its entirety and replaced with the following to incorporate the changes to the zones identified in Section 1 of this Ordinance.

> "The boundaries of the zoning districts are established on the map entitled "Zoning Map of the City of Camden" dated January 7, 1999 as revised July 29, 2008, and as further revised _____, 2016 [date of map that incorporates these amendments], which accompanies and is attached hereto, and is made part of this Ordinance dated _____."

SECTION 3. The term "Manufacturing" as defined in Article II, Section 577-18 is deleted in its entirety and replaced with the following:

"MANUFACTURING - an activity which involves the fabrication, reshaping, reworking, assembly or combining of products for sale to the general public from previously prepared materials, including the synthesis of chemical or chemical products or the processing of any raw materials in a manner duly regulated by the New Jersey Department of Environmental Protection. Manufacturing also includes light industrial operations such as electronic, machine parts, small component and paper product assembly, packaging or printing but excludes automobile assembly or milling activities.

SECTION 4. Article XIV, Section 577-97(A) of the GI-2 General Industrial Zone entitled Permitted Uses shall be amended as follows:

"Manufacturing operations, heavy industrial operations, food processing, fabrication and light manufacturing operations (such as electronics, machine parts, small component, and paper product assembly)."

SECTION 5. Article XI, Section 577-82(A) of LI-1 Light Industrial Zone entitled Permitted Uses shall be amended to include "packaging, paper products assemblage or printing."

SECTION 6. Article XVII, Section 577-112(K) of the OLI Office Light Industrial Zone entitled Permitted Uses shall be amended to include "packaging, paper products assemblage or printing."

SECTION 7. The City Clerk shall have this ordinance published once, not less than (10) days instead of one (1) week prior to the second reading.

SECTION 8. Any portion of this ordinance not herein amended and supplemented shall remain in full force and effect.

SECTION 9. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistencies only.

SECTION 10. This ordinance shall take effect twenty (20) days after final passage and publication as provided by law.

SECTION 11. The Municipal Clerk shall, within sixty (60) days after this ordinance becomes effective, file a certified copy of this ordinance, together with a copy of the proof of publication, in the Office of the Camden County Clerk/Register of Deeds with instructions that the certified copy of this ordinance be recorded and properly indexed in the street vacation book.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this ordinance. Section 1. The improvement or purpose described in Section 3 of this bond ordinance is hereby authorized to be undertaken by the City of Camden, in the County of Camden, New Jersey (the "City"), as a general improvement. For the improvement or purpose described in Section 3 hereof, there is hereby appropriated the sum of $5,000,000, such sum being in addition to the $8,000,000 appropriated in Ordinance No. 4828 finally adopted on April 23, 2014. No down payment is required pursuant to N.J.S.A. 40A:2-11(c) as this bond ordinance authorizes obligations solely for a purpose described in N.J.S.A. 40a:2-7(d) as more fully explained in Section 6(e) of this bond ordinance.

Section 2. In order to finance the cost of the improvement or purpose, negotiable bonds or notes are hereby authorized to be issued in the principal amount of $5,000,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law, N.J.S.A. 40A:2-1 et seq. (the "Local Bond Law")

Section 3. (a) The improvement hereby authorized for which bonds or notes are to be issued is the demolition and removal of abandoned buildings and structures within the City, including all work and materials necessary therefor or incidental thereto.

(b) The estimated maximum amount of additional bonds or notes to be issued for the improvement or purpose is as stated in Section 2 of the bond ordinance.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Finance Director; provided that no note shall mature later than one year from its date. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the Finance Director. The Finance Director shall determine all matters in connection with bond anticipation notes issued pursuant to this bond ordinance and the Finance Director's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law. The Finance Director is hereby authorized to sell part or all of the notes from time to time at a private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest, if any, from their dates to the date of delivery thereof. The Finance Director is directed to report in writing to the governing body at the meeting next succeeding the date when any sale of bond anticipation notes pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget or temporary capital budget (as applicable) of the City is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the City may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of the improvement or purpose described in Section 3 of this bond ordinance, computed on the basis of the amount of obligations authorized for the improvement or purpose and the reasonable life thereof within the limitations of the Local Bond Law, is 15 years.

(c) An aggregate amount not exceeding $500,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost of the improvement or purpose set forth in Section 3 of this bond ordinance.

(d) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk of the City, and submitted to the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the City is increased by $5,000,000 (the amount of the authorization of the obligations provided for in this bond ordinance). The obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(e) This bond ordinance authorizes obligations of the City solely for a purpose described in N.J.S.A. 40A:2-7(d). This purpose is in the public interest and is for the health, welfare, convenience, or betterment of the inhabitants of the City. The amounts expended for this purpose pursuant to this bond ordinance are not unreasonable or exorbitant and the issuance of the obligations authorized by this bond ordinance will not materially impair the credit of the City or substantially reduce the ability to pay punctually the principal of and interest on its debts and the supply of other essential public improvements and services. The Local Finance Board in the Division of Local Government Services of the Department of Community Affairs of the State of New Jersey has heretofore made a determination to this effect and has caused its consent to be endorsed upon a certified copy of this bond ordinance as adopted upon first reading.

Section 7. The full faith and credit of the City is hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable real property within the City for the payment of the obligations and the interest thereon without limitation as to rate or amount.

Section 8. The City hereby declares its intent to reimburse itself from the proceeds of the bonds or bond anticipation notes authorized by this bond ordinance pursuant to Income Tax Regulation Section 1.150-2(e), promulgated under the Internal Revenue Code of 1986, as amended (the "Code"), for "original expenditures", as defined in Income Tax Regulation Section 1.150-29(c)(2), made by the City prior to the issuance of such bonds or bond anticipation notes.

Section 9. This bond ordinance cancels Ordinance No. 4927 of the City finally adopted September 8, 2015. Ordinance No. 4927 is hereby repealed upon the validity of this ordinance.

Section 10. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, and approval by the Mayor, as provided by the Local Bond Law.

Section 11. All ordinances or parts of ordinances inconsistent with the provisions of this ordinance are hereby repealed as to such inconsistency only.

Section 12. This ordinance shall take effect twenty (20) days after its final passage and publication as provided by law.

Section 13. If any provision of this ordinance is declared invalid, such invalidity shall

not effect the other provisions of this ordinance. Furthermore, the other provisions of this ordinance are deemed to be severable and remain in full force and effect.

BE IT FURTHER ORDAINED, that pursuant to N.J.S.A. 52:27BBB-23 and N.J.S.A. 40:69A-41, a true copy of this Ordinance shall be forwarded to the Mayor, who shall have ten (10) days from the receipt thereof to approve or veto this Ordinance. Additionally, pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Ordinance shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Ordinance, and the action by the Commissioner regarding this Ordinance shall supersede any action by the Mayor on the same Ordinance. All notices of approval and/or veto shall be filed in the Office of the Municipal Clerk.

RE: $5,000,000 Bond Ordinance Supplementing Bond Ordinance No. 4828 for Demolition and Removal of Abandoned Buildings and Structures and Cancelling Bond Ordinance No. 4927

Dear Mr. Pastoriza:

In accordance with my conversations with Glynn Jones, I am forwarding the above-referenced supplemental bond ordinance ("Bond Ordinance") for the City of Camden (the "City"). Please list the Bond Ordinance for public hearing and final adoption on the agenda of the July 12, 2016 meeting of the Municipal Council. The bond ordinance was introduced at the April 12, 2016 meeting of the Municipal Council and thus, need not be reintroduced because there was no change in legislative year of the City.

1. In order to hold the public hearing on the Bond Ordinance on July 12, 2016, the Bond Ordinance must be published in summary form and we have attached a "Notice of Pending Bond Ordinance and Summary" to the Bond Ordinance for use for such publication. The summary must be published not less than seven (7) days prior to the date set for the public hearing and final adoption of the Bond Ordinance, which date of publication shall not be later than July 5, 2016.

2. At least one (1) week prior to the date scheduled for further consideration, the Bond Ordinance or the summary should be posted on the bulletin board customarily used for notices. A notice should also be posted that copies of the Bond Ordinance will be made available to anyone who requests it of the Clerk, naming the place at which such copies will be so available.

3. If the Bond Ordinance has been posted and copies made available as indicated in paragraph two (2) above, then the Bond Ordinance may be read at this second reading by title only; otherwise the Bond Ordinance must be read in full. After the appropriate reading of the Bond Ordinance, the governing body must hold a public hearing and give all members of the public a chance to be heard on the Bond Ordinance. After the public hearing, the Bond Ordinance can be finally adopted by the affirmative vote of not less than two-thirds of the full membership of the governing body (not just two-thirds of the members present) and, if the Mayor's approval is required for the passage of the ordinance, upon approval by (or passage over the veto of) the Mayor.

4. After final adoption and assuming approval by the requisite number of votes of the Municipal Council, the Bond Ordinance must then be published in either full or summary form and we have attached a "Bond Ordinance Statement and Summary" to the Bond Ordinance. The Bond Ordinance is not effective until 20 days after the publication of the "Bond Ordinance Statement and Summary" or the Bond Ordinance in full with the required notice.

To establish the necessary records that the Bond Ordinance was properly adopted, please complete the enclosed Clerk's Certificate for the ordinance and to return the completed certificate to me, with the indicated attachments, as soon as possible after the 20 days have elapsed after final publication. Please make sure that all publications are in a newspaper published and circulating in the City (if there is one), or, if there is no such newspaper, in a newspaper published in Camden County and circulating in the City.

Please call me (201-347-2171) if you, the Corporation Counsel, or the Finance Director have any questions about the Bond Ordinance, the adoption procedure, or the enclosed Clerk's Certificate. Thank you.

Very truly yours,

Cheryl J. Oberdorf

City of Camden
Ordinance No._____

ORDINANCE SUPPLEMENTING BOND ORDINANCE NO. 4828 ("Ordinance No. 4828") FINALLY ADOPTED ON APRIL 23, 2014, PROVIDING FOR THE DEMOLITION AND REMOVAL OF ABANDONED BUILDINGS AND STRUCTURES IN AND BY THE CITY OF CAMDEN, COUNTY OF CAMDEN, STATE OF NEW JERSEY (the "City") BY APPROPRIATING AN ADDITIONAL $5,000,000 BONDS OR NOTES OF THE CITY TO FINANCE THE COST THEREOF AND CANCELLING ORDINANCE NO. 4927 UPON THE VALIDITY OF THIS ORDINANCE

WHEREAS, Ordinance No. 4927 ("Ordinance No. 4927") was adopted on September 8, 2015, supplementing Ordinance No. 4828 by appropriating an additional $5,000,000 toward such purpose; and

WHEREAS, there were technical inconsistencies contained within Ordinance No. 4927 and it therefor becomes necessary to adopt a new ordinance appropriating the additional $5,000,000 and simultaneously cancelling Ordinance No. 4927;

BE IT ORDAINED AND ENACTED BY THE MUNICIPAL COUNCIL OF THE CITY OF CAMDEN, IN THE COUNTY OF CAMDEN, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The improvement or purpose described in Section 3 of this bond ordinance is hereby authorized to be undertaken by the City of Camden, in the County of Camden, New Jersey (the "City"), as a general improvement. For the improvement or purpose described in Section 3 hereof, there is hereby appropriated the sum of $5,000,000, such sum being in addition to the $8,000,000 appropriated in Ordinance No. 4828 finally adopted on April 23, 2014. No down

payment is required pursuant to N.J.S.A. 40A:2-11(c) as this bond ordinance authorizes obligations solely for a purpose described in N.J.S.A. 40a:2-7(d) as more fully explained in Section 6(e) of this bond ordinance.

Section 2. In order to finance the cost of the improvement or purpose, negotiable bonds or notes are hereby authorized to be issued in the principal amount of $5,000,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law, N.J.S.A. 40A:2-1 et seq. (the "Local Bond Law")

Section 3. (a) The improvement hereby authorized for which bonds or notes are to be issued is the demolition and removal of abandoned buildings and structures within the City, including all work and materials necessary therefor or incidental thereto.

(b) The estimated maximum amount of additional bonds or notes to be issued for the improvement or purpose is as stated in Section 2 of the bond ordinance.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Finance Director; provided that no note shall mature later than one year from its date. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the Finance Director. The Finance Director shall determine all matters in connection with bond anticipation notes issued pursuant to this bond ordinance and the Finance Director's signature upon the notes shall be conclusive evidence as to all such determinations. All notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law. The Finance Director is hereby authorized to sell part or all of the notes from time to time at a private sale and to deliver them to the purchasers thereof upon receipt of payment of the

purchase price plus accrued interest, if any, from their dates to the date of delivery thereof. The Finance Director is directed to report in writing to the governing body at the meeting next succeeding the date when any sale of bond anticipation notes pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser.

Section 5. The capital budget or temporary capital budget (as applicable) of the City is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3 of this bond ordinance is not a current expense. It is an improvement or purpose that the City may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of the improvement or purpose described in Section 3 of this bond ordinance, computed on the basis of the amount of obligations authorized for the improvement or purpose and the reasonable life thereof within the limitations of the Local Bond Law, is 15 years.

(c) An aggregate amount not exceeding $500,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost of the improvement or purpose set forth in Section 3 of this bond ordinance.

(d) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk of the City, and submitted to the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the City is increased by $5,000,000 (the amount of the authorization of the obligations provided for in this bond ordinance). The obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(e) This bond ordinance authorizes obligations of the City solely for a purpose described in N.J.S.A. 40A:2-7(d). This purpose is in the public interest and is for the health, welfare, convenience, or betterment of the inhabitants of the City. The amounts expended for this purpose pursuant to this bond ordinance are not unreasonable or exorbitant and the issuance of the obligations authorized by this bond ordinance will not materially impair the credit of the City or substantially reduce the ability to pay punctually the principal of and interest on its debts and the supply of other essential public improvements and services. The Local Finance Board in the Division of Local Government Services of the Department of Community Affairs of the State of New Jersey has heretofore made a determination to this effect and has caused its consent to be endorsed upon a certified copy of this bond ordinance as adopted upon first reading.

Section 7. The full faith and credit of the City is hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable real property within the City for the payment of the obligations and the interest thereon without limitation as to rate or amount.

Section 8. The City hereby declares its intent to reimburse itself from the proceeds of the bonds or bond anticipation notes authorized by this bond ordinance pursuant to Income Tax Regulation Section 1.150-2(e), promulgated under the Internal Revenue Code of 1986, as amended (the "Code"), for "original expenditures", as defined in Income Tax Regulation Section 1.150-29(c)(2), made by the City prior to the issuance of such bonds or bond anticipation notes.

Section 9. This bond ordinance cancels Ordinance No. 4927 of the City finally adopted September 8, 2015. Ordinance No. 4927 is hereby repealed upon the validity of this ordinance.

Section 10. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, and approval by the Mayor, as provided by the Local Bond Law.

The foregoing bond ordinance is hereby approved.

RESOLUTION IN MEMORIAM OF FORMER CAMDEN CITY POLICE CHIEF GEORGE D. "BOB" PUGH

WHEREAS, former Camden City Police Chief George D. "Bob" Pugh, passed away on June 21, 2016. Affectionately known as "Bobby Pugh", George was born in Camden, in 1941, and grew up in the Parkside neighborhood of the city. George graduated from Camden High School in 1960 and completed a 15-week program at the FBI Academy in Quantico, Va., in 1974. He led a long and distinguished police career, serving the City of Camden for more than 30 years; and

WHEREAS, George Pugh began his career as a Camden Police Officer in 1965; ascending the ranks from Officer to Detective, Sergeant, Lieutenant and Captain. In 1988, he was appointed to the title of Police Chief by Mayor Melvin R. Primas Jr., after serving as the City's Chief for eight years until his retirement in 1996; and

WHEREAS, Chief Pugh was known to be a tremendous motivator and for being fair. He had a unique ability for evaluating his personnel and recognizing how to get the most out of his officers. He also made concentrated efforts to make sure the police force was diverse and represented the community it served. It was always his priority to make sure the community's needs were met, thus initiating many community policing practices now used today to strengthen and maintain community relations; and

WHEREAS, In January, 1997, Mr. Pugh was appointed as Director of Public Safety in Atlantic City. He left the post in September, 2000, to be closer to his family. In 2002, he was named Director of Public Safety in Lawnside. Later in 2009, George Pugh was elected to the town council in Cheswold, Delaware, where he also served for a time as mayor. He ended his public service career in 2010; and

WHEREAS, Chief Pugh was preceded in death by his daughter, Deana Simmons, and is survived by his wife, Renee Pugh, and their sons and spouses: Marlon, and his wife, Anne; David; Byron, and his wife, Patricia; and Jeris, and his wife, Eve; as well as 10 grandchildren; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden that it hereby expresses its deepest sympathy and sorrow to the family of former Camden City Police Chief George D. "Bob" Pugh upon his passing and hopes that his memory and spirit will burn long in our hearts and minds.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

That this governing body strongly encourage congress to support President Obama's ban on assault weapons.

In light of the tragic mass shooting at an Orlando gay club, the political debate is back on over whether U.S. gun laws are too lenient. Addressing the situation June 12, President Obama said that "we need to keep guns like the ones used last night out of the hands of terrorists or other violent criminals."

It's fair to say that guns like the AR-15-style rifle that helped kill 49 people and injure at least 53 more in Orlando should be kept out of the hands of *anyone*—not just those who commit crimes and acts of terror. People who make this argument are often accused of hoplophobia by NRA denizens. However, the research around gun restrictions, such as bans on assault weapons, is becoming clearer in its conclusions: Such laws do tend to reduce gun-related homicides.

RESOLUTION CONSENTING TO THE TRANSFER OF THE CAMDEN WATERFRONT TECHNOLOGY CENTER FROM THE NEW JERSEY ECONOMIC DEVELOPMENT AUTHORITY TO THE CITY OF CAMDEN

WHEREAS, the New Jersey Economic Development Authority ('NJEDA") is the owner of the Camden Waterfront Technology Center located at 200 Federal Street, also known as Block 139.02, Lot 1 (the "Tech Center"); and

WHEREAS, the NJEDA and the City entered into a certain Financial Services Agreement dated February 9, 2006 whereby the NJEDA agreed to require any Private Sector Occupants to make a Payment in Lieu of Taxes ("PILOT Payment") in accordance with the schedule set for in the Financial Services Agreement; and

WHEREAS, the NJEDA desires to sell the Tech Center to the County of Camden; and

WHEREAS, the County of Camden desires to continue to adhere to the terms of the Financial Services Agreement and has requested that the City of Camden consent to the transfer of the Tech Center and to the assignment of the Financial Services Agreement from NJEDA to the County;

WHEREAS, the transfer of the Tech Center and the assignment of the Financial Services Agreement from the NJEDA to the County are in the best interest of the City of Camden, now therefore

BE IT RESOLVED, by the City Council of the City of Camden, that City Council hereby consents to the transfer of the Tech Center from the NJEDA to the County of Camden and to the assignment of the Financial Services Agreement from NJEDA to the County of Camden.

BE IT FURTHER RESOLVED, that the proper City officers are hereby authorized to execute such documents as may be required to effect the assignment of the Financial Services Agreement.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. TITLE OF RESOLUTION/ORDINANCE: Resolution Consenting to the Transfer of the Camden Waterfront Technology Center from the New Jersey Economic Development Authority to the County of Camden

BRIEF DESCRIPTION:

Procurement Process: Bid#, RFP#, State Contract#, Non-Fair & Open, EUS:

The New Jersey Economic Development Authority ("NJEDA") is the owner of the Camden Waterfront Technology Center located at 200 Federal Street, also known as Block 139.02, Lot 1 (the "Tech Center"). The NJEDA and the City entered into a certain Financial Services Agreement dated February 9, 2006 by which NJEDA agreed to require any Private Sector Occupants to make a Payment in Lieu of Taxes ("PILOT Payment") in accordance with the schedule set forth in the Financial Services Agreement. The NJEDA desires to sell the Tech Center to the County of Camden. The County of Camden desires to continue adhere to the terms of the Financial Services Agreement and has requested that the City of Camden consent to the transfer of the Tech Center and the continuation of the Financial Services Agreement. This resolution will evidence the City of Camden's consent to the transfer the Tech Center to the County of Camden and the assignment/assumption of the Financial Services Agreement by the County of Camden. This resolution will also authorize the appropriate City officers to execute such documents as are necessary to document the continuation of the Financial Services Agreement.

FINANCIAL & SERVICE AGREEMENT

THIS FINANCIAL AND SERVICE AGREEMENT (the "Agreement"), made as of the 9th day of February, 2006 between THE CITY OF CAMDEN, a municipal corporation in the County of Camden and the State of New Jersey, (hereinafter, the "City"), and

NEW JERSEY ECONOMIC DEVELOPMENT AUTHORITY, an instrumentality of the State of New Jersey ("Redeveloper"), which is authorized to serve as an Urban Renewal Entity under the provisions of the Long Term Tax Exemption Law, N.J.S.A. 40A:20-1 et seq. (hereinafter referred to as the "Act").

WITNESSETH:

WHEREAS, the Redeveloper has proposed the redevelopment of portions of the areas generally identified as an approximately 10 acre site bounded by Mickle, Third, Delaware and Federal Streets in downtown Camden (the "Property") for office and research use and for off-street parking in connection therewith; and

WHEREAS, the Property is identified on the City of Camden Official Tax Map as Block 139.02, Lot 1; and

WHEREAS, the Property is located within the City of Camden Urban Enterprise Zone and is also located within a designated Area in Need of Redevelopment; and

WHEREAS, the Redeveloper has acquired a ground leasehold interest in a 4.5 acre portion of the Property (the "Land") from the property owner, the Delaware River Port Authority ("DRPA"), a tax-exempt entity, and will construct thereon certain improvements hereinafter defined (the "Improvements") consisting in general of an office/research building containing a total of approximately 100,000 gross square feet (the "Building"), together with surface parking (hereinafter sometimes together referred to as the "Project"); and

WHEREAS, pursuant to N.J.S.A. 34:1B-15, interests in real property owned or acquired by Redeveloper are exempt from municipal real estate taxes; however, any person or entity who is not exempt from real estate taxes and occupies all or a portion of said property shall pay to the municipality in which said property is located a payment in lieu of taxes ("PILOT") equal to the amount of real estate taxes that would be assessed on the portion of the Land and Improvements occupied by said person or entity if the property were not exempt from real estate taxes; and

WHEREAS, pursuant to 52:27BBB-52, private entities which are exempt from payment of real estate taxes to municipalities and receive funding pursuant to N.J.S.A. 52:27BBB-1 et seq. are required to pay an annual service charge to the municipality;

WHEREAS, Redeveloper has received funding for the Project pursuant to N.J.S.A. 52:27BBB-1 et seq. and, therefore, tax-exempt private entities that lease space at the Project indirectly receive the benefit of funding pursuant to N.J.S.A. 52:27BBB-1 et seq.; and

WHEREAS, Redeveloper and the City enter into this Agreement to establish that the formula for payment of annual service charges as set forth in this Agreement shall be applied to all private sector occupants ("Private Sector Occupants") of the Project; and

WHEREAS, the Project shall be developed by Redeveloper for the public purpose of creating high technology jobs and tax rateables in an urban area; and

WHEREAS, portions of the Property and Project may be withdrawn by the Redeveloper from the coverage of this Agreement, whereupon the remaining portions of the Property and Project shall remain subject to the terms hereof and shall thereafter be deemed to be the "Property" and "Project" respectively; and

WHEREAS, in accordance with the Act the Redeveloper has heretofore made written application to the City for approval of tax abatement for the Project; and

WHEREAS, pursuant to N.J.S.A. 52:27BBB-9c, the City's Chief Operating Officer has presented said Application and this Agreement to the Camden City Council for the information of the Council members, copy of said Application being attached hereto as Exhibit "A"; and

WHEREAS, the City believes that, but for the in lieu tax consideration to be given to the Project pursuant to this Agreement, the Project would not be financially feasible and that in lieu tax consideration is necessary to attract Private Sector Occupants to the Project and is, therefore, in the best interest of the City and the health, safety, morals and welfare of its residents and is in accordance with the provisions of the Act and the public purposes pursuant to which the redevelopment of the downtown area of the city has been undertaken and is being assisted in accordance with the applicable provisions of State law;

NOW, THEREFORE, it is mutually agreed as follows:

1. This Agreement shall be governed by the provisions of the Act and the New Jersey Economic Development Authority Act, N.J.S.A. 34:1B-1 et seq. (the "NJEDA Act"), it being expressly understood and agreed that the City relies upon the facts, data and representations contained in the Application, and Redeveloper covenanting and agreeing to use its reasonable best efforts to conform in the development, construction and operation of the Project to the matters and things set forth in said Application; that is, the manner in which Redeveloper proposes to develop, manage and operate the Project and the plans for financing the Project, it being understood, however, with respect to the Project cost, interest rate, financing terms and mortgage amortization, rents and lease terms, that the same are projected and estimated and may be modified as particular circumstances may require, but that in all material respects it is the intent of Redeveloper to comply as closely as shall be practicable with the information and representations set forth in the said Application.

2. (a) The City hereby grants to Private Sector Occupants but only to the extent hereinafter expressly set forth in paragraph 3(a) hereof, exemption from payment in lieu of taxes on the Land and on the Improvements to be constructed on the Property for a period of not more than thirty-five (35) years from the date of the execution of this Financial Agreement or for a

period of not less than thirty (30) years from the "Date of Completion of the Project" (as hereinafter defined), whichever period ends first.

(b) As used herein, the term "Date of Completion of the Project" is defined as the date on which actual occupancy by the first Occupant of the Building occurs. Redeveloper shall provide the Camden Tax Assessor and the Camden City Attorney written notification of the Date of Completion of the Project within fifteen (15) days of its occurrence.

3. (a) The Redeveloper shall include provisions in each lease agreement with a Private Sector Occupant an obligation to make payment to either the Redeveloper or the City of an annual service charge ("Annual Service Charge") for municipal services supplied to the Project in accordance with the following formula:

(1) for the first stage of the exemption period, which shall commence with the date of completion of the Project and continue for a period of fifteen (15) years therefrom, an amount equal to ten (10%) percent of annual gross revenue realized from the Private Sector Occupant's lease;

(2) for the second stage of the exemption period, commencing upon the conclusion of the first stage and continuing for a period of six (6) years, an amount equal to twenty (20%) percent of the PILOT but not less than ten (10%) percent of annual gross revenue realized from the Private Sector Occupant's lease;

(3) for the third stage of the exemption period, commencing upon the conclusion of the second stage and continuing for a period of six (6) years, an amount equal to forty (40%) percent of the PILOT but not less than ten (10%) percent of annual gross revenue realized from the Private Sector Occupant's lease;

(4) for the fourth stage of the exemption period, commencing upon the conclusion of the third stage and continuing for a period of two (2) years, an amount equal to sixty (60%) percent of the PILOT but not less than ten (10%) percent of annual gross revenue realized from the Private Sector Occupant's lease;

(5) for the final stage of the exemption period, commencing upon the conclusion of the fourth stage and continuing for a period of one (1) year, an amount equal to

eighty (80%) percent of the PILOT but not less than ten (10%) percent of annual gross revenue realized from the Private Sector Occupant's lease.

(b) Payments of Annual Service Charges shall be remitted to the City on a quarterly basis in a manner consistent with the City's tax collection schedule.

(c) The City agrees that: (1) the Annual Service Charge shall be inclusive of any and all payments and special assessments, past, present or prospective, that might otherwise be due the City from Redeveloper or the Delaware River Port Authority ("DRPA") with respect to the Project, excepting only sewer and water rents; (2) the Annual Service Charge shall satisfy any and all obligations of DRPA to pay Redevelopment Fees in connection with or related to the Project; (3) leasehold improvements shall not be subject to assessment by the City during the term of this Agreement; (4) "annual gross revenue" shall consist of base rent and operating cost reimbursements (less amounts attributable to Annual Service Charges) actually received by Redeveloper from Private Sector Occupants; (5) vacant space and common areas shall be excluded from the calculation of annual gross revenue; and (6) rent collected from public sector tax-exempt entities occupying any portions of the Project shall be excluded from the calculation of annual gross revenue.

(d) That in the event that the Annual Service Charge is not paid, the City may proceed to enforce the collection thereof in the same manner and with the same rights as are applicable to delinquent real estate taxes or in any other manner authorized by the Act, subject however to the provisions of the NJEDA Act which provides, inter alia, that neither the Redeveloper nor any of its property, projects, accounts or funds shall be liable for or subject to a lien of any kind for the enforcement, collection or payment of any sums due hereunder.

4. A Financial Plan, showing the anticipated Project funding, and a Fiscal Plan, computing the estimated Annual Service Charge, are attached hereto as Exhibits "B" and "C" and made a part hereof.

5. The Redeveloper further covenants and agrees as follows:

(a) To remit to the City Annual Service Charge payments received by the Redeveloper from Private Sector Occupants by the tenth days of February, May, August and October, provided, however, that the February payment shall be tolled until the submission of Redeveloper's annual report described below.

(b) To submit annually, within ninety (90) days after the close of each of its fiscal years, its reports of costs related to the Project, as certified by Redeveloper's controller, to the Mayor, Chief Operating Officer and Governing Body of the City, and to the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs, which reports shall remain confidential, except as otherwise provided by law.

(c) To submit annually, within ninety (90) days after the close of each of its fiscal years, a copy of the current rent roll along with the calculation of all amounts due under this Agreement, such calculations to be attested to by Redeveloper's controller as to the accuracy of the computation and the compliance with this Agreement.

(d) Upon request of the City or the State, to permit inspection of the property, equipment, buildings and other facilities of the Redeveloper at the Project, and to permit examination and audit of any of its books, contracts, records, documents and papers relating to this Agreement or the Project, by duly authorized representatives of the City or the State, provided same are at reasonable hours on reasonable notice and in the presence of designated representatives of the Redeveloper.

(e) At all times prior to the expiration or other termination of this Agreement, to remain bound by the provisions of the Act to the extent not inconsistent with the NJEDA Act..

(f) Not to effect or execute any agreement, lease, conveyance, or other instrument, whereby the Project, or any part thereof, or the use thereof, is restricted upon the basis of race, color, creed, religion, ancestry, national origin, sex, or marital status, in the sale, lease or occupancy thereof, nor to discriminate upon the basis of race, color, creed, religion, ancestry,

national origin, sex, or marital status, in the sale, lease, or rental, or in the use or occupancy of the Project or any Improvement erected or to be erected thereon, or any part thereof, and to comply with applicable State and local laws, in effect from time to time, prohibiting discrimination or segregation by reason of race, color, creed, religion, ancestry, national origin, sex or marital status.

(g) That operation under this Agreement shall be terminable by the Redeveloper in the manner provided under the Act.

6. It is understood and agreed that, at the end of thirty-five (35) years from the date of the execution of this Agreement, or at the end of thirty (30) years from the Date of Completion of the Project, as defined herein, whichever period ends first, the tax exemption provided upon the Project by the Act shall thereupon absolutely cease, and the Property and Improvements comprising the Project shall thereupon be assessed and taxed according to the NJEDA Act.

7. (a) Any voluntary transfer of the Project by Redeveloper (other than pursuant to paragraph 10(c) below) shall cause this Agreement to automatically expire unless the transfer is to a qualified urban renewal entity that: (i) agrees to assume all of the obligations of this Agreement; and (ii) otherwise qualifies under all other applicable requirements of law. Upon receipt of written notice from Redeveloper, the City, by operation of this Agreement, shall be deemed to have consented to any such transfer of the Project and assignment of this Agreement that satisfies the above conditions. Notwithstanding the foregoing, the City Council may, by resolution, approve a voluntary transfer of the Project and assignment of this Agreement upon terms and conditions other than as set forth above.

(b) The City and Redeveloper acknowledge that subsequent changes or expansions within the area of the Project may occur which may not now be in the contemplation of the parties. In connection with such changes or expansions, the City agrees that unimproved portions of the Project area (including surface parking areas) may be withdrawn by the Redeveloper from the coverage of this Agreement upon written notice to the City. Any such withdrawals shall not affect the continued applicability of this Agreement to the remainder of the

Project.

8. The Redeveloper may at any time after the expiration of one (1) year from the Date of Completion of the Project notify the City that, as of a certain date designated in said notice, it relinquishes the tax exemption status provided by the Act as to all or any designated portion of the Project. As of the date so set, the tax exemption, the service charges, and all other restrictions and limitations imposed by this Agreement and by the Act shall terminate as to the Project or any designated portion of the Project, as applicable.

9. Subject to the provisions of paragraphs 10(c), 12(b) and 12(c), in the event of a default in or breach of this Agreement by Redeveloper, if such default or breach is not cured within ninety (90) days after receipt by Redeveloper of written demand by the City to do so, then the City may terminate this Agreement and such termination shall be deemed to be a termination of tax exemption as herein provided.

10. The Redeveloper shall give the City written notice of any mortgage loan providing for the advancing of funds either for temporary or construction loans or for permanent financing in respect to the Land, Improvements, or both, for the Project ("Mortgage Loan"), together with the name and address of the holder of such Mortgage Loan ("Mortgagee"). Anything contained herein to the contrary notwithstanding, in order to meet the terms, conditions and provisions required to secure a Mortgage Loan to finance the Project or a portion thereof, Redeveloper and the City further agree, for the benefit and protection of the Mortgagee, provided the Redeveloper has given the City notice of such Mortgage Loan, that:

(a) The Redeveloper will keep, observe and perform each and every provision of this Agreement and do every other act and all things required by law to keep and continue this Agreement in full force and effect for the full period provided for herein except as may otherwise be agreed to by the Mortgagee;

(b) The City and the Redeveloper will make no agreement expressly, impliedly, or by conduct, serving to modify, alter, add to, terminate or delete, any provision of this Agreement and will exercise no option or right hereunder unless the Redeveloper has prior thereto obtained and furnished to the City the written consent of the

Mortgagee;

(c) If there is any default by the Redeveloper hereunder, and if such default has not been waived by the City and has not been cured (or, if appropriate, the curing of such default has not commenced) by Redeveloper (or the permitted assignee involved in such default, as the case may be) after due notice thereof, within the period therefore stated in this Agreement, the City agrees that before taking any step which it may then be entitled to take, it will provide Mortgagee a reasonable opportunity to cure the same in light of the nature of the default and the available means to correct it, but in any event shall allow not less than fifteen (15) days from the date Redeveloper was required to cure such default, and, if and to the extent that the Mortgagee cures any default, or causes the same to be cured, the Mortgagee shall be subrogated to the rights of the Redeveloper hereunder and under such other applicable agreement, if any, and shall have the right, but not the duty, to assume the position of the Redeveloper hereunder, in which event the City shall attorn to the Mortgagee hereunder. Upon the City's receipt of written notice from Mortgagee that: (i) it is exercising its right of subrogation hereunder; and (ii) it agrees to assume all of Redeveloper's obligations of this Agreement, the City shall be deemed by operation of this Agreement to have consented to such transfer of the Project and assignment of this Agreement to Mortgagee.

(d) All the terms and provisions of the Redevelopment Projects Mortgage Loan Act of 1967 (N.J.S.A. 55:17-1 et seq.) shall be made a part of and included herein with like effect as though recited at length, except to the extent that the Mortgagee is authorized to waive, and does waive in writing, any provision thereof;

(e) No waiver, election, acquiescence, estoppel or consent on the part of or against either party hereto shall affect or be binding upon the holder of the Mortgage Loan unless the Redeveloper has obtained and furnished to the City the prior written consent of the holder of the Mortgage Loan; and

(f) Nothing in this agreement shall be construed in any way as to adversely affect the

right of the City to receive the contractual payments and other substantive rights to which it may be entitled under this Agreement, it being the primary intention hereof that all of the terms, conditions and provisions hereof shall be and remain in full force and effect for the benefit and protection of the Mortgagee, notwithstanding any default or breach by the Redeveloper, its successors or assigns, so long as the City receives, whether from the Redeveloper or from its lawful transferee or the Mortgagee, its subsidiary, nominee or assignees, the performance to be provided to it.

(g) It is anticipated that a lender or a number of lenders may hold mortgages on all or portions of the Project. The Redeveloper shall notify the City of the identity and address of each other lender as and when such mortgages have been granted.

11. Unless otherwise provided by law, neither the Redeveloper nor any of its officers, members, directors or employees shall be personally liable for the payment of the Annual Service Charge nor for the payment of any tax or assessment which may be levied or assessed against any land or building now or hereafter constituting all of or a portion of the Project.

12. (a) Any notice, demand or other communication under this Agreement by any party to any other shall be sufficiently given or delivered if sent by registered or certified mail, postage prepaid and return receipt requested, or delivered personally and,

in the case of the Redeveloper, addressed to:

New Jersey Economic Development Authority

or to any such other address with respect to any such party as that party may, from time to time, designate in writing and forward to the other as provided in this paragraph.

(b) Whenever the City shall deliver any notice or demand to the Redeveloper with respect to any breach or default by the Redeveloper in its obligations or covenants under this Agreement, the City shall at the same time forward a copy of such notice or demand to each holder of any Mortgage Loan authorized by this Agreement at the last known address of such holder shown in the records of the City.

(c)(1) After any breach or default referred to in the foregoing paragraph 12(b), each such

holder shall (insofar as the rights of the City are concerned) have the right, at its option, to cure or remedy such breach or default.

(2) Any such holder or any permitted transferee of any such holder who shall cure or remedy any breach or default which is referred to in the foregoing paragraph 12(b) shall be entitled to the benefits of the tax abatement previously granted to the Redeveloper pursuant to the Act and this Agreement, to the same extent that the Redeveloper would then have been if no default had occurred, provided any such holder or its permitted transferee complies with the provisions of Paragraph 10(c) of this Agreement by providing the City written notice that: (i) it is exercising its right of subrogation hereunder; and (ii) it agrees to assume all of Redeveloper's obligations of this Agreement, upon which the City shall be deemed by operation of this Agreement to have consented to such transfer of the Project and assignment of this Agreement to such holder or its permitted transferee.

13. (a) In the event of a breach of the within Agreement by either of the parties hereto or a dispute arising between the parties in reference to the terms and provisions as set forth herein, either party may apply to the Superior Court of New Jersey by an appropriate proceeding, to settle and resolve said dispute in such fashion as will tend to accomplish the purpose of the Act. In the event the Superior Court shall not entertain jurisdiction then the parties shall submit the dispute to the American Arbitration Association in Camden, New Jersey to be determined in accordance with its rules and regulations in such a fashion as to accomplish the purposes of the Act. Cost for said arbitration shall be borne equally by the parties.

(b) Anything in the foregoing to the contrary notwithstanding: (1) any dispute between the parties hereto concerning any provision of this Agreement shall be governed by the Laws of the State of New Jersey; and (2) no arbitrator shall have the power or authority to amend, alter, or modify any part of this Agreement in any way.

14. If any clause, sentence, subdivision, paragraph, section or part of this Agreement be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder hereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part hereof directly involved in the controversy in

which said judgment shall have been rendered.

15. This Agreement may be executed in counterparts, each of which will be deemed to be an original, and such counterparts will constitute one and the same instrument.

IN WITNESS WHEREOF, the City has caused this Financial Agreement to be duly executed in its name and on its behalf by the Chief Operating Officer, and the Redeveloper has caused this Financial Agreement to be duly executed on its behalf by a duly authorized officer, all as of the day and year first above written.

RESOLUTION AUTHORIZING A LICENSING AGREEMENT BETWEEN THE CITY OF CAMDEN AND LAWRENCE LINDSEY FOR THE CONSTRUCTION OF A TEMPORARY FENCING ON CITY OWNED LAND

WHEREAS, Attorney Lawrence Lindsey desires to construct/erect a Temporary Fencing in the City of Camden's Right of Way located at WS No. 4th 96' South Market Street, Block 77, Lot 60; and

WHEREAS, the City of Camden, is of the opinion that it is in the best interest of the City to enter into a License Agreement with Attorney Lindsey to abate the problems on the City lot adjacent to his Law Offices. Said agreement will be terminable at the will of the Licensor and establishing the terms and use of said property and requiring the Licensee to completely indemnify the City of Camden; and

WHEREAS, Attorney Lawrence Lindsey wants to construct Temporary fencing on City owned land located to prevent illegal activity in the 7 foot wide space adjacent to his Law Firm. The section of land runs about 7 wide in the front and 84 feet long; and

WHEREAS, Lawrence Lindsey will be solely responsible for all expenses necessary to construct and upkeep said vacant lot; now therefore

BE IT RESOLVED, by the City Council of the City of Camden, that the proper offices be and are hereby authorized to enter into Licensing Agreement with Attorney Lawrence Lindsey for the purpose of constructing a temporary fencing on City owned land. This License Agreement is conditioned upon Lawrence Lindsey obtaining any necessary planning or zoning approvals to erect the aforementioned sign.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

RESOLUTION AUTHORIZING A CONTRACT UNDER NEW JERSEY STATE CONTRACT #A88215 TO WINNER FORD, 250 HADDONFIELD-BERLIN ROAD, CHERRY HILL, NJ TO PURCHASE ONE (1) 2016 FORD F450 (4X4) WITH STANDARD SPECIFICATIONS AND OPTIONS REQUIRED FOR AERIAL BUCKET LIFT LOAD

WHEREAS, under N.J.S.A. 40A: 11-12, a municipality may, without advertising for bids, purchase materials, supplies or equipment under a contract entered into on behalf of the State by the Division of Purchase and Property in the Department of Treasury, State of New Jersey; and

WHEREAS, it has been certified by the Purchasing Agent of the City of Camden that the City seeks to purchase one (1) 2016 ford F450 (4x4) with standard specifications and options required for aerial bucket lift load under State Contract No. A88215; and

WHEREAS, the municipality seeks to purchase this equipment under said State contract from Winner Ford, 250 Haddonfield-Berlin Road, Cherry Hill, NJ 08034 for an amount not to exceed THIRTY-FOUR THOUSAND ONE HUNDRED NINETY-THREE DOLLARS ($34,193.00); and

WHEREAS, there will be substantial savings by the municipality by purchasing under the State Contract and this procedure is in the best interest of the City of Camden; and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under the capital ordinance budget of the City of Camden under line item "C-15-701-999", and said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden, that the City of Camden is hereby authorized to award a contract to Winner Ford, 250 Haddonfield-Berlin Road, Cherry Hill, NJ 08034, to purchase one (1) 2016 ford F450 (4x4) with standard specifications and options required for aerial bucket lift load under State Contract No. A88215 for an amount not to exceed THIRTY-FOUR THOUSAND ONE HUNDRED NINETY-THREE DOLLARS ($34,193.00).

Dr. Edward Williams
Department of Planning and Development
Division of Planning
520 Market Street
City Hall, Room 224
Camden, NJ 08101

Dear Dr. Williams,

As part of our ongoing commitment to ensure the safety and security of patients, visitors, employees and neighbors in the surrounding area, Cooper University Hospital has undertaken a Security Upgrade Project to enhance security measures already in place. An integral part of the plan is to improve perimeter security throughout the campus with the installation of Code Blue Emergency Call Stations. (Attachment #1) These stations are routinely used on college campuses to alert Campus Police/Security to incidents requiring a timely response. The station is activated when the "Push For Help" button is pressed. Communication will immediately be established between Cooper's Security Central and the Code Blue station, allowing Security personnel to speak directly to the individual seeking help. This direct communication will also facilitate Security's ability to determine the appropriate level of response, which includes assistance from Camden County Sheriff's Officers, who are currently assigned to Cooper's campus 24/7, as well as the Camden County Police Department.

Moreover, the Code Blue Emergency Call Stations are intended for more than just responding to calls for help. Code Blue stations have been effective in serving as a deterrent to crime. Upon activation, a highly visible blue LED strobe light will begin flashing to notify anyone within the immediate area that a distress call has been activated.

Based on a security assessment recently conducted by Cooper's Security Department and Risk Management Department, as well as crime statistics provided by the Camden County Police Department, 12 sites have been strategically chosen where installation of the Code Blue stations will improve security. These locations, as indicated on the attached map, were determined to be areas of vulnerability where security should be enhanced. (Attachment #2)

Cooper University Hospital will provide the necessary funding for the procurement, installation and maintenance of the proposed 12 Code Blue Emergency Call Stations. The City of Camden will not incur any costs associated with these units.

On behalf of Cooper University Hospital, I greatly appreciate your consideration of this proposal. If you have any questions or need additional information, I will make myself available at your convenience.

Sincerely,

Joseph M. Campbell
Director of Security

Anchor Bolt Install tion Instructions

1.0 FOUNDATION

1.1 Conduit – Electrical and telephone line conduit, with a maximum combined diameter of four (4) inches, should be run up through the center of the foundation hole. A minimum of two (2) inches and a maximum of six (6) inches of conduit above the finished grade level is required. To ensure proper grounding, a ½ inch x 8 foot copper rod should be inserted in the center of the foundation and tied in the steel pattern.

NOTE: Follow all national and local codes governing this installation.

1.2 Prep the Foundation – The foundation should be at least 24 inches in diameter, and to the correct depth for the frost line in your area, with a minimum depth of at least three (3) feet (follow local territory codes for foundations).

1.3 Set the Anchor Bolts in the Wet Foundation – Four (4) 24-inch L-shaped anchor bolts and an engraving template are supplied for anchoring the Code Blue unit. The bolts should be set into the foundation so that six (6) inches are left showing above the finished grade level. The anchor bolts should be affixed, using the supplied template, in such a way that the phone faceplate on the unit will face in the desired direction.

2.0 WIRING

2.1 Pull power and phone line up through the conduits – A minimum of two feet of wire must be available from the conduit for electrical and communications wiring

1.0 SUPPLY WIRING

1.1 Pulling the power wires – Wire should be a minimum of 14 AWG and be pulled into the unit, leaving a minimum of two (2) feet of wire from the opening of the conduit.

1.2 Pulling the communications wire (if needed) – Communications wire must be stranded phone line. The phone line must be pulled into the unit using a separate conduit from the power, and be run so as to extend a minimum of two (2) feet out of the phone opening

2.0 CONNECT THE POWER WIRES

2.1 Make the connections – Locate the grounding lug and connect the ground wire.

2.2 Using 115v AC supply – Connect the colored (hot) wire to the black wire, and connect the white or gray (neutral) wire to the white wire.

2.3 Higher voltage supply – If the unit was ordered for a higher voltage, a pre-wired power brick will be located on the top of the electrical panel with a 24 volt secondary to supply the low voltage monitor and power brick to supply the area light. Connect the colored (hot) wire and the white or gray (neutral) wire to the white wire in the junction box.

RE: PURCHASE REQUISITION – **16-02521**

DATE: May 31, 2016

With reference to the attached Purchase Requisition please find the following information to justify the request:

- What is it for? Why needed now?
  The attached Requisition is intended to encumber $10,476.00 in HOPWA funds for rental assistance for Section 8 tenant #CHB006.

- Is there an existing contract or purchase order that obligates the City of Camden to make the expenditure? Please specify contract/purchase order.
  Yes

- If there is no contract or purchase order, is there a critical need? Please explain:

- Are the funds already encumbered?
  Yes – G-HP-015-023

- Is the funding source a grant fund? Is this an allowable expenditure? Are there sufficient grant funds available for the expenditure? The approval from Grants Management must be attached.
  Yes – see endorsement of OGM on Purchase Requisition.

Thank you.

RE: PURCHASE REQUISITION – **16-02525**

DATE: May 31, 2016

With reference to the attached Purchase Requisition please find the following information to justify the request:

- What is it for? Why needed now?
  The attached Requisition is intended to encumber $11,808.00 in HOPWA funds for rental assistance for Section 8 tenant #CHC024.

- Is there an existing contract or purchase order that obligates the City of Camden to make the expenditure? Please specify contract/purchase order.
  Yes

- If there is no contract or purchase order, is there a critical need? Please explain:

- Are the funds already encumbered?
  Yes – G-HP-015-023

- Is the funding source a grant fund? Is this an allowable expenditure? Are there sufficient grant funds available for the expenditure? The approval from Grants Management must be attached.
  Yes – see endorsement of OGM on Purchase Requisition.

Thank you.

RESOLUTION AMENDING AGREEMENT BETWEEN THE CITY OF CAMDEN AND ANTHONY TRUSTY GAD062

WHEREAS, the City of Camden has a rent subsidy Section 8 Program; and

WHEREAS, the City has entered into an agreement with ANTHONY TRUSTY GAD062 (landlord) in connection with the Section 8 Program; and

WHEREAS, it is now necessary to amend this agreement with ANTHONY TRUSTY to extend the term of the agreement from July 1, 2016 to June 30, 2017 at an increase of rental subsidy for 1 year in the amount of $550.00 per month for a total amount of SIX THOUSAND SIX HUNDRED DOLLARS ($6,600.00) for tenant #GAD062; and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under the state and federal grant budget of the City of Camden under line items "G-HP-015-023" and said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED, the City of Camden is hereby authorized to amend the agreement with ANTHONY TRUSTY to extend the term of the agreement from July 1, 2016 to June 30, 2017 at an increase of rental subsidy for 1 year in the amount to $550.00 per month for a total amount of SIX THOUSAND SIX HUNDRED DOLLARS ($6,600.00) for tenant #GAD062.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

RE: PURCHASE REQUISITION – **16-02371**

DATE: May 13, 2016

With reference to the attached Purchase Requisition please find the following information to justify the request:

- What is it for? Why needed now?
  The attached Requisition is intended to encumber $6,000.00 in HOPWA funds for rental assistance for Section 8 tenant #CHC012.

- Is there an existing contract or purchase order that obligates the City of Camden to make the expenditure? Please specify contract/purchase order.
  Yes

- If there is no contract or purchase order, is there a critical need? Please explain:

- Are the funds already encumbered?
  Yes – G-HP-015-023

- Is the funding source a grant fund? Is this an allowable expenditure? Are there sufficient grant funds available for the expenditure? The approval from Grants Management must be attached.
  Yes – see endorsement of OGM on Purchase Requisition.

Thank you.

RESOLUTION AUTHORIZING AMENDMENT #2 TO CONTRACT #11-15-137 BETWEEN THE CITY OF CAMDEN AND COOPER'S FERRY PARTNERSHIP

WHEREAS, the Council of the City of Camden by Resolution R-8 (MC-14:3590) adopted November 10, 2015 authorized a subrecipient agreement with Cooper's Ferry Partnership in connection with the City's expansion of the original Camden POWER Program in the amount of One Hundred Eighty-Nine Thousand Ninety-Three Dollars ($189,093.00); and

WHEREAS, the Council of the City of Camden by Resolution R-47 (MC-16:5058) adopted on May 10, 2016 authorized the amendment #1 in an amount not to exceed Two Hundred Fifty Thousand Dollars ($250,000.00) to finance costs associated with rehabilitation of properties assisted under the Camden POWER II program; and

WHEREAS, it is now necessary to amend the subrecipient agreement with Cooper's Ferry Partnership by amendment #2 in an amount not to exceed FIVE HUNDRED EIGHTY-ONE THOUSAND EIGHT HUNDRED FIFTHTEEN DOLLARS ($581,815.00) to finance costs associated with rehabilitation of properties assisted under the Camden POWER II program; and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under the state and federal budget of the City of Camden, under line item(s) "G-HM-M14-039 & G-HM-M15-032", said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED by the City Council of the City of Camden that the subrecipient agreement with Cooper's Ferry Partnership be amended by amendment #2 in the amount of FIVE HUNDRED EIGHTY-ONE THOUSAND EIGHT HUNDRED FIFTHTEEN DOLLARS ($581,815.00), making the total amount of the contract an amount not to exceed ONE MILLION TWENTY THOUSAND NINE HUNDRED AND EIGHT DOLLARS ($1,020,908.00).

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

Summary: **HOME-** (Amendment #2) - The Department of Planning/Housing Services is requesting a resolution to **amend the contract # 11-15-137 to increase the original contract in the amount of $581,815.00.** The total contract amount is $1,020,908.00. The purpose of the amendment is to finance the cost associated with the rehabilitation of properties assisted under the Camden POWER II Program. The funding for the amendment is coming from HOME HUD funds, all HOME regulations will apply to the contract and the agency will have to meet the National Objective by servicing Camden City low to modern income individuals.

CDBG - The Department of Planning/Housing Services is requesting a resolution to **amend the contract # 11-15-137 to increase the original contract in the amount of $250,000.00.** The total contract amount is $439,093.00. THE purpose of the amendment is to finance the cost associated with the rehabilitation of properties assisted under the Camden POWER II Program.

Problematic Areas/Recommendations

1. **The funding was transferred from the Camden Housing Project in the amount of $291,968.00 and from the Camden POWER II in the amount of $289,847.00. I have a copy of the Budgetary Transfer Request and the Department is in the process of preparing the article for the paper to inform the public.**
2. **This agency is already working with the POWER II project. An RFP was not completed for this request. (The Department was aware that an RFP should be done)**

RE: PURCHASE REQUISITION – **16-02668**

DATE: June 9, 2016

With reference to the attached Purchase Requisition please find the following information to justify the request:

- What is it for? Why needed now?
  The attached Requisition is intended to encumber $581,815 to subsidize the costs associated with the rehabilitation of properties assisted under the Camden POWER II.

- Is there an existing contract or purchase order that obligates the City of Camden to make the expenditure? Please specify contract/purchase order.
  Yes – Contract # 11-15-137

- If there is no contract or purchase order, is there a critical need? Please explain:

- Are the funds already encumbered?
  Yes –G-HM-M14-025 & G-HM-M15-021

- Is the funding source a grant fund? Is this an allowable expenditure? Are there sufficient grant funds available for the expenditure? The approval from Grants Management must be attached.
  Yes, see evidence of OGM endorsement on Requisition.

Thank you.

DATE: June 8, 2016

With reference to the attached Purchase Requisition please find the following information to justify the request:

- **What is it for? Why needed now?**
  Amendment #1 to Professional Services contract in connection with Municipal and Consulting Engineering Services.

- **Is there an existing contract or purchase order that obligates the City of Camden to make the expenditure? Please specify contract/purchase order.**
  Contract #01-16-110

- **If there is no contract or purchase order, is there a critical need? Please explain:** N/A

- **Are the funds already encumbered?**

  Yes

- **Is the funding source a grant fund? Is this an allowable expenditure? Are there sufficient grant funds available for the expenditure? The approval from Grants Management must be attached.**

  No

Thank you.

Re: Proposal for Additional Services Under Municipal Consulting Appointment - Additional Tasks Assigned/Anticipated

Dear Mr. Ahiarakwe:

Confirming our conversations regarding engineering services for Camden, there was one area that we have not previously addressed in other proposal letters. Since April there have been two tasks that have been identified. An independent construction estimate for CDBG project at the North Camden Community Center was needed to comply with Federal guidelines. Last week, Risk Management requested an updated inventory of properties of the City associated with the water and sewer systems and potentially some assessment of values of assets that has yet to be defined.

Since the selection of Buchart Horn (BH) for the municipal consulting appointment these assignments ~~seem~~ to periodically appear with a short turnaround. Based upon this, I suggest that the City allocate about $25,000 to address the current and future needs for these assignments.

We appreciate the opportunity to continue to provide our support services to the City of Camden.

Sincerely,

Buchart Horn, Inc.

Re: Proposals for Additional Services Under Municipal Consulting Appointment

Dear Mr. Ahiarakwe:

Buchart Horn is pleased to provide for your consideration the following proposals for work assignments as recently discussed. Should there be any questions or clarifications, please contact me and I will address promptly.

I. WATER SYSTEM INTERCONNECTOINS

After discussing this work further, we would like to suggest a phased approach. Our thought is Phase I is Concept Development which would be reviewed and approved by City and the participating water system owner. Phase II would be Detailed Design and Bid Package / Support Services and Phase III, Field Services for Construction. There are 3 locations where interconnections are proposed and our services for each location is outlined below.

A. City of Camden interconnection with Merchantville-Pennsauken Water Commission

An upgraded emergency interconnection is planned between the City of Camden and Merchantville-Pennsauken Water Commission (MPWC). There were originally two locations in Pennsauken Township proposed for the interconnection site: One near the intersection of River Road and 49th Street (west side of River Road); and an alternate location in the ROW near the intersection of River Road and Tinseman Avenue (east side of River Road). The first location was found to have issues with NJDEP approvals since the site is Green Acres Encumbered. So the alternate location (east side of River Road) is proposed.

1. Services:

A survey will be completed for the area of the interconnection location. The interconnection between Camden and MPWC's water systems will include an underground meter chamber that will be installed within the ROW. If the meter chamber is located outside the ROW, then an easement will be required and we will check the lot for Green Acres Encumbrance or similar restrictions. The pressure gradients will be checked for the interconnection location to make sure the water will flow in both directions. A concept plan of the meter chamber and cost estimate for the project will also be provided. Based on the survey and concept plan a meeting will be held with Camden and MPWC staff for concurrence before proceeding with design (phase II).

Based on information provided by Camden and our above understanding of the project the following services are proposed by Buchart Horn Inc. (BH).

a. Survey Work: We have teamed up with Land Dimensions to provide the topography and survey work for the interconnection location on River Road and Tinseman Avenue (East Side).
b. Concept Site Plan and Piping Layout: We will prepare a concept plan of the meter chamber with preliminary piping arrangement and equipment selection.
c. Attend Meetings: Buchart Horn will plan on attending one meeting with the City of Camden and MPWC to review the concept plans for this interconnection and address any comments or concerns.
d. Cost Estimate: We will prepare a preliminary construction cost estimate of the meter chamber interconnection.

2. Effort and Fee

Work Effort Estimate – 43 hours
Proposed Staff – Danielle Scoleri, Edward DiMond
Per Rate Sheet, Estimated Cost - $7,700

B. CITY OF CAMDEN INTERCONNECTION TO COLLINGSWOOD'S WATER DEPARTMENT

An interconnection is proposed between the City of Camden and Collingswood Borough. This interconnection will improve fire flows, increase operating efficiencies, and provide backup for each municipality's water supply system.

1. **Services**

Based on information provided by Camden and our understanding of the project the following services and support is proposed by Buchart Horn Inc. (BH).

a. Locate and Develop Concept Plan and Piping Layout: We will perform a review of water maps and a field review to locate proposed interconnection point and meter chamber. A concept plan of the meter chamber with preliminary piping arrangement and equipment selection will be developed.
b. Cost Estimate: We will prepare a preliminary construction cost estimate of the meter chamber interconnection.
c. Attend Meetings: Buchart Horn will plan on attending one meeting with the City of Camden and Collingswood to go over the concept plans for this interconnection and address any comments or concerns.

2. Approach and Key Assumptions:

The interconnection between Camden and Collingswood's water systems will include an underground meter chamber that will be installed inside the ROW. If the meter chamber is located

outside the ROW, then an easement may need to be obtained. Buchart Horn will research different areas that the meter chamber can be located either in Collingswood or Camden. This will involve field evaluations after a few sites have been preliminarily selected. The pressure gradients will be checked for the sites to make sure the water will flow in both directions. No survey work of the site is proposed until after the meeting with City of Camden and Collingswood and all parties have approved the interconnection location and concept plan.

3. Effort and Fee

Work Effort Estimate – 63 hours
Proposed Staff – Danielle Scoleri, Edward DiMond
Per Rate Sheet, Estimated Cost - $8,300

C. CITY OF CAMDEN and NEW JERSEY AMERICAN WATER in CRAMER HILL

An interconnection currently exists between the City of Camden and New Jersey American Water's (NJAW) system in the Cramer Hill section of Camden, NJ. The interconnection apparently only allows metering of water flow in one direction. We have been told by American Water that there is also an issue with flow due to the difference in the pressure gradients of the two (2) water systems. This problem will be investigated to determine the extent of the pressure gradient difference, under what conditions water can flow in each direction, and what corrective actions/modifications would be required to allow metering and flow between the 2 systems under all conditions.

1. Services

a. Review of Meter Chamber Plans and Water System Gradients: A review of available plans of the meter chamber and information on the water systems pressure gradients will performed. A summary of key information and identification of the various conditions when water can flow between the 2 systems. Modifications that would be needed to allow water flow in both directions would also be identified and a conceptual plan developed of the modifications needed to allow this to occur.

b. Cost Estimate: We will prepare a preliminary construction cost estimate of the meter chamber and interconnection modifications.

c. Attend Meetings: Buchart Horn will plan on attending one meeting with the City of Camden and NJAW to review the concept plans for any modifications and address any comments or concerns.

2. **Effort and Fee**

Work Effort Estimate – 49 hours
Proposed Staff – Danielle Scoleri, Edward DiMond
Per Rate Sheet, Estimated Cost - $6,500

II. **METERING**

I have set a meeting with Allen Sayles, Itron, American Water as Contract Operator and the City. The purpose of this meeting and a subsequent report from me is to explore the option for enhancing the AMR system in Camden. Previous upgrades were funded by the City through the Environmental Infrastructure Trust program with low interest long term loans. The benefits of these improvements

largely passed to the previous contract operator and not back to the City. In the new contract we set a process for the contract operator to initiate such improvements and fund these with payback through reduced operating expenses. The concept being the City and Operator agree on the scope and an expected payback period. There would be an incentive/management fee consisting of an additional year of payback. There after the contract would be amended by reducing the fees by the payback amount to return the benefit to the system owner. In addition to this concept, we will also investigate options associated with potential benefits and cost risks with the supply of meters (Operator purchase vs. City) and options with the disposition of the unused meters in storage at 17th St. recently transferred to AW by Suez.

Work Effort Estimate – 8 hours
Proposed Staff – Jim Hopkins
Per Rate Sheet, Estimated Cost - $1,280.00

III. CM – Firehouse Roof Replacement

The City has out for bid, the replacement of the firehouse roof for the firehouse on 27th St, between Federal St. & Westfield Ave. The scope consists of the replacement of the asphalt roof, the lowering of a roof tower and the installation of new framing and roof for this small structure. The contract proposes a duration of 90 days and includes associated gutter, snow guards and related items.
BH will augment our staff with the services of Corsey Building Group, specifically Tyrone Philips. Tyrone has worked with BH on the Sewer CM Phase IV project and directly for a similar project for the replacement of roofs on three community center buildings owned by the City.
It is projected that the 90 calendar day allowance should be more than adequate for the work scope. The assumption is the 13 week schedule will have 2 weeks with no significant field time for mobilization, submittals, material approvals and deliveries, etc. As the work demand may fluctuate over the project, we project an average of 6 hours per day, to be determined by our field inspector, in concert with the contractor and City representatives.

Work Effort Estimate – 340 hours
Proposed Staff – Jim Hopkins, Chuck Potts, Staff Architect, Tyrone Philips, CBG
Per Rate Sheet, Estimated Cost - $42,850.00

IV. CM- Firehouse HVAC & Boiler Replacement

The City has out for bid, the installation of three (3) roof mounted HVAC units, rated at 60,000 BTUs for one and 36,000 BTUs for the others. Additionally an in-house boiler package unit will be installed at the firehouse located on 3rd and Federal St. The contract proposes a duration of 90 days and includes associated piping, ductwork, electrical and controls work.
BH will utilize the services of multiple staff, including a BH staff HVAC engineer to assist our inspection team which will include Corsey Building Group's Tyrone Philips, whose related experience is addressed above.
It is projected that the 90 calendar day allowance should be more than adequate for the work scope. The assumption is the 13 week schedule will have 2 weeks with no significant field time for mobilization, submittals, material approvals and deliveries, etc. As the work demand may fluctuate

over the project, we project an average of 6 hours per day, to be determined by mutual agreement over the course of the project. Should the City be able to award these fire house projects at the same time, it is projected that synergies between the projects could significantly reduce the work efforts by sharing inspection roles, with the potential for up to a 30% reduction in costs for these two small projects.

Work Effort Estimate – 350 hours
Proposed Staff – Jim Hopkins, Chuck Potts, HVAC Staff Engineer, Tyrone Philips, CBG
Per Rate Sheet, Estimated Cost - $44,450.00

V. Scope Development / Task Development / Project Coordination

The identification of various task assignments results in the need to work with City Engineer and staff to define the scope of services in sufficient detail based upon available information and data and coordinate all support efforts from concept through completion. This work will be performed at the direction of the City Engineer and will be performed by Jim Hopkins, who over the past two years has developed a detailed understanding of Camden policies and procedures. Based upon the efforts required for the above tasks and assuming a similar number of additional tasks, the following estimate is provided.

Work Effort Estimate – 40 hours
Proposed Staff – Jim Hopkins
Per Rate Sheet, Estimated Cost - $6,400.00

The estimated total costs for services described above amounts to $117,480. As discussed, the CM services for the Firehouse Roof Replacement may be needed shortly with bids due next week and CBG has been alerted and await your direction. Again, if there are any questions or clarifications needed, let me know. On behalf of Buchart Horn and our team partners, we thank you for the opportunity to provide these services for the City.

Sincerely,

Buchart Horn, Inc.

Re: Proposal for Additional Services Under Municipal Consulting Appointment - Additional Tasks Associated with Whitman Park

Dear Mr. Ahiarakwe:

Buchart Horn (BH) is pleased to provide for your consideration the following proposal for professional services associated with the rehabilitation of the western half of Whitman Park nearest the intersection of Hallowell Lane and Sayrs Avenue, or more specifically, the current combination football /baseball fields of the park. This scope of services was developed as a result of the site visit conducted earlier today that included in addition to you and I, Larry DiVietro and Mike DiVietro of Land Dimensions Engineering (LDE) and Ebere Okoro of your office.

1. Objective

City of Camden seeks on a fast track, expedited as quickly as possible basis, professional services to prepare a bid package for park upgrades. The scope of work envisioned will be developed from the services described below. It is focused on the rehabilitation of the existing joint football/baseball field in Whitman Park. The desired timeline is for a bid package to be issued in mid –March, bids received and evaluated so that a recommendation for contract award can be presented to City Council at their April Meeting. The expected start is immediately with surveying work to begin and be completed next week so as to afford the Camden/BH/LDE team as much available time as possible.

2. Services

Based on our understanding of the project needs the following services are proposed by BH and our team partner, LDE. The intent expressed by the City is to perform the work in phases. Phase 1 is the design of initial rehabilitation of the combined fields to include stormwater management as applicable. In order to meet the expedited time schedule, it may be necessary to include sub-phases here, which will be determined as work progresses and in concert with your directives. Subsequent phases expected are field lighting and a permanent concession building. A variety of sub-phase work that will or might be needed as project is defined are construction administration and inspection services, additional off site drainage system designs, fencing, addressing possible compliance issues with league standards and such. We offer some preliminary projections where possible if that helps. We also recognize that this project will be fund limited and scope adjustments may include a reduction of work to remain within the expected City project value of $350,000.

a. Survey: Perform a field survey to establish location and existing topography for Whitman Park from the existing paved walkway separating the combined football/baseball fields and the

playground and dedicated baseball field in a general westerly direction to Hallowell Lane frontage with the preparation of CAD formatted base plans of the current existing conditions. (LDE)

b. **Soil Samples/Testing:** Obtain soil samples and perform pH testing to determine soil amendments for turf development. (LDE)

c. **Site Plans:** Develop and prepare site grading analysis for design of combination (football/baseball) fields addressing current concerns with site erosion problems and excessive stone presence in current turf. Tasks will include: baseball infield mix design; relocation of backstop and goalposts; turf/seed specification; temporary fencing needs for baseball field if determined needed; soil erosion and sedimentation design plans for permitting; subsoil investigation for soil infiltration analysis; stormwater management system design for infiltration/overflow system for site; and preparation of technical bid specifications. (LDE)

d. **Project Management Services**: BH/LDE team will plan on a review meeting with your office during preliminary design efforts to ensure Camden objectives are being met and if needed adjustments incorporated in plans.
With support and coordination of City Engineer's staff, will incorporate administrative and regulatory requirements with design specifications to produce bid package and assist as needed with City Engineering, Law and Purchasing Departments for solicitation, procurement and evaluation of proposals. (BH)

e. **Cost Estimate**: We will prepare a preliminary construction cost estimate of the project scope to be bid. (LDE)

f. **Additional Services**: As discussed, this proposal includes significant assumptions and limited scope to avoid unknown and to be defined issues. Some preliminary items that might need to be addressed could include:

- Site landscape design
- Site lighting design
- Off-site drainage systems design
- Site plan design for concession building
- Architectural design for concession building
- Construction administration and inspection
- Fencing, other control or league compliance standards

3. Estimated Costs

Survey	$ 4,000.
Soil Samples/Testing	$ 500.
Site Plans	$ 14,000.
Project Management Services	$ 6,000.
Cost Estimate / Review	$ 1,000.
Subtotal	**$ 25,500.**

Additional Services:

• Site landscape design	$ 2,500.
• Site lighting design	$ 4,000.
• Off-site drainage systems design	$ 6,000.
• Site plan design for concession building	$ 6,500.
• Architectural design for concession building	TBD
• Construction administration and inspection	TBD
• Fencing, other control or league compliance standards	TBD
• Others	TBD

We hope that the above information is adequate for your evaluation and implementation. Should there be any questions, please do not hesitate to contact me or in the interests of expediency, Larry DiVietro directly.

On behalf of the BH/LDE team we look forward to assisting the City in performance of the Whitman Park project.

Sincerely,

Buchart Horn, Inc.

MEMORANDUM

DATE: July 10, 2015

TO: Deborah Beasley, Purchasing Agent

FROM: Uzo Ahiarakwe, P.E., P.L.S., P.P., City Engineer UA

RE: Emergency repair of Morgan Boulevard Bridge over Newton Creek

I have visited the above referenced site and visually inspected the condition of the bridge and its surrounding. The damage the bridge sustained due to the vehicular collision poses a safety hazard to the pedestrians and the motoring public. I highly recommend that we declaration an emergency so as to immediately repair the bridge and restore the surrounding area.

The firms that submitted proposals are, Remington & Vernick Engineers, S&R Engineers, PE and Buchart Horn, Inc. The City reviewed the three (3) emergency proposals received and recommends the award of the above project to Buchart Horn, Inc. in the amount not to exceed $36,007.00.

Should you have any questions, please feel free to contact me.

Re: Emergency Bridge Professional Engineering Services
Morgan Boulevard Bridge over North Branch of Newton Creek

Dear Mr. Ahiarakwe:

Buchart Horn is pleased to submit one (1) copy of our proposal for the above referenced project. Our firm has considerable bridge rehabilitation, inspection, and design experience. We also maintain a strong bridge inspection group who are currently working on 61 Camden County Bridge Inspections – Group 04C5. We have also successfully completed many other bridge projects throughout the State for various Cities, Counties, and Municipalities including Camden City.

Mr. William Munz, PE will serve as Project Manager for this project. He has 20 years of bridge design and project management experience and is knowledgeable of the current AASHTO and NJDOT standards. The experienced *Buchart Horn Team* that we have proposed is committed to providing the City of Camden with this expeditious emergency on-call service. Further information on Buchart Horn's proposed staff for this project and our similar project experience can be furnished upon request.

Buchart Horn has maintained Term Agreements with the NJDOT Bureau of Bridge Maintenance since 2006 and is very experienced at providing bridge rehabilitation design services. These included three separate three-year term contracts in 2006, 2009, and 2014 (on-going).

Buchart Horn thanks the City for inviting us to submit a proposal and we look forward to working with you and the City of Camden.

Very truly yours,

BUCHART HORN, Inc.

Associate Vice President

PROJECT OVERVIEW

The Morgan Boulevard Bridge (004A006) is a single span, closed spandrel, earth filled, reinforced concrete arch structure. The structure has a length of 71' and is 44' wide. The bridge was constructed in 1919 making it almost 100 years old. The structure is located in the Morgan Village and Fairview communities of the City and spans the North Branch of Newton Creek.

Recently the structure sustained a significant vehicle collision and the City endeavors to repair the bridge under emergency conditions. At the northeast corner of the bridge, a vehicle took out approximately 30' of the bridge railing, including two concrete pylons and three sections of metal railing. The sidewalk edge beam also sustained damage. The City's Department of Public Works has currently cordoned off the damaged section with fencing and concrete construction barrier to prevent pedestrians from using the sidewalk and also to protect the traveling public, as both lanes of the bridge remain open to traffic.

SCOPE OF WORK

The scope of work includes the preparation of the structural design required for the City to engage an Emergency Contractor to construct immediate repairs, preparation of construction estimates, review of shop drawings, inspection of construction for conformance to structural design and repair, and communication with NJDOT Structural Evaluation and Bridge Management and the City Engineer. According to the City of Camden's brief Solicitation, the Emergency Engineering services are to include the following:

1. Evaluate and provide a report detailing any adverse condition the accident may have caused to the structural integrity of the complete bridge system.
2. Design and prepare plans and specifications for the repair of missing and/or damaged bridge components caused by the accident; and addressing all required/needed repairs to ameliorate all existing deficiencies on the bridge per the last inspection report.
3. Services should include Construction Management & Inspections during the proposed emergency repair.
4. Review attached bridge report and provide professional engineering required for the repair of the same.

All bridge design prescribed herein shall comply with the NJDOT Standard Specifications for Road and Bridge Construction 2007 (and all SI), NJDOT Design Manual/Roadway, A Policy on Geometric Design of Highways and Streets (AASHTO), FHWA Standards, NBIS Standards or any other design standards applicable to the project.

It is anticipated that the emergency design and construction tasks will be performed in a short time span due to the emergency condition. The nature of the repairs will require the Engineering Consultant to work in the field with the City's Emergency Contractor, to quickly resolve any unforeseen conditions that arise during the repair.

TASK 1 – EMERGENCY DESIGN

The following tasks are anticipated in order to complete the emergency repair design:

1. Review of available plans for Morgan Boulevard Bridge (if available)
2. Inspection and measurement of field conditions
3. Structural Calculations
4. Preparation of Signed and Sealed Design Plans, Sketches, or other Information Necessary for Emergency Contractor to Install Repair
5. Obtain Review/Approval of Proposed Repair by NJDOT
6. Submission of Permits as Required
7. Preparation of Engineering Estimate
8. Preparation of Detour or Staging Plan
9. Engineer's Design Certification

TASK 2 – CONSTRUCTION PHASE

The following tasks are anticipated during the construction phase of the emergency repair design:

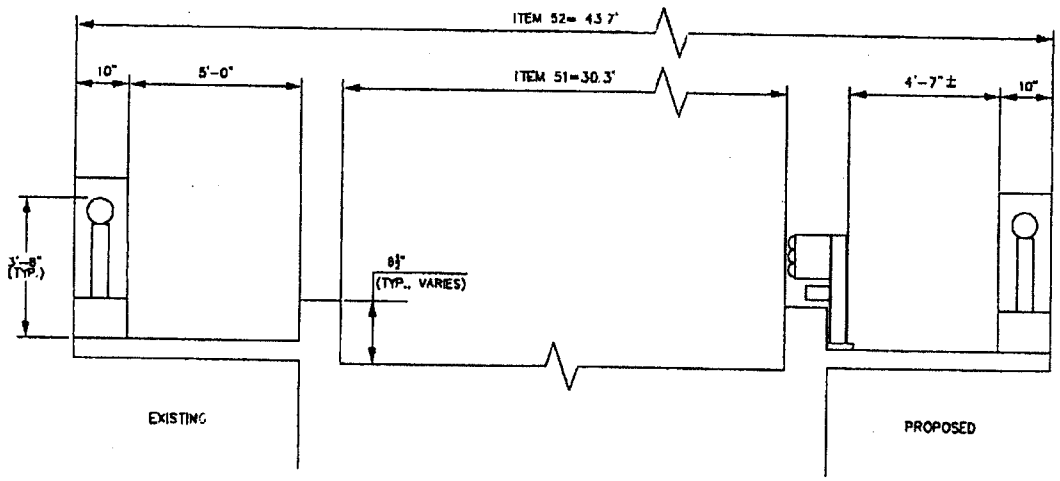
1. Meet with City's Emergency Contractor
2. Review/Approval of Shop Drawings
3. Design of Field Modifications
4. Inspection during Emergency Repair Construction
5. Preparation of Signed and Sealed As-Built Plan

Buchart Horn's approach to this project is to implement a repair to the damaged section of railing that was sustained to approximately 30' of railing at the northeast corner of the bridge and devise a system that will prevent vehicles from crashing through the railing in the future. It is our opinion that the current railing configuration, constructed back in another era (1919), cannot be feasibly reconstructed to avoid future similar occurrences. This is primarily due to the existing design – the bridge railing is constructed on a cantilevered sidewalk. The dead load of a newly constructed parapet and the force (i.e.: moment) created by a vehicle impacting the cantilevered system are too great to be economically resisted. However, Buchart Horn's recommendation as the solution to this problem is to construct bridge-mounted guiderail on the structure at the existing curbline and in front of the sidewalk.

This is a common solution implemented to many bridges throughout the State, including two Camden County bridges we recently inspected this spring. The photo below is of Nicholson Road over South Branch of Newton Creek in Gloucester City. This structure is also an arch bridge, and you can see how the guiderail will also protect pedestrians from errant vehicles as well.

This second photo below is of Maple Avenue over South Branch of Pennsauken Creek in Cherry Hill. The system is simple and relatively easy to construct. It is comprised of steel H-posts mounted to the sidewalk on a base plate with anchor bolts drilled into the concrete. The posts support plastic spacer blocks attached to the guide rail element as well as a lower rub rail.

Our preliminary investigation indicates this bridge-mounted guide rail system is feasible and can be carried onto the approaches and terminated with appropriate guide rail end terminals. We note that the approaches widen greatly past both ends of the bridge, a favorable scenario that improves the instances of end treatment damage. One slight drawback will be the narrowing of both sidewalks. As you can see in the cross section sketch below, the sidewalk will be narrowed from 5'-0" down to approximately 4'-7". This is still adequate and also in compliance with ADA accessible requirements.



TYPICAL CROSS SECTION
N.T.S.

Our work will also address restoring the damaged section of railing. The first option is to replace in-kind. This would require replacing the sidewalk in its entirety, constructing the sidewalk edge beam, constructing the two concrete pylons (4'x12"x10"), and installing the three metal pipe/metal railing system sections (9½'; 6'; and 11' long). As an economic alternative to this in-kind replacement, 6' high chain link fence could be a permanently mounted at the edge of sidewalk for this 30' damaged area, although even further slight constriction of the sidewalk at this corner of the bridge will occur.

As per the City's solicitation, the work to be performed should include the recommendations in the latest Bridge Re-Evaluation Survey Report (13th Cycle – 3/29/2013). Therefore, in summary, Buchart Horn shall prepare a design that includes the following:

- Repair of damaged bridge railing on the northeast corner of the Morgan Avenue bridge (approximately 30').
- Installation of bridge-mounted guide rail and approach guide rail with proper end treatments on both sides of the bridge.
- Repair all loose rail panels as per Priority #1 Repair recommendation from the 13th cycle report.

- Install rip rap along exposed footing as per Priority #2 Repair recommendation from the 13th Cycle Report.
- Repair west concrete curb at the northwest corner of the bridge as per BH Priority #1 Repair recommendation letter dated 4/3/2015.

Attached is our Fee Summary that encompasses the above referenced work, including construction management / inspection services of said work.

RE: Morgan Boulevard Bridge Repairs
Camden City, NJ
M2015-253

Dear Mr. Ahiarakwe:

REMINGTON & VERNICK ENGINEERS is pleased to present this proposal to provide professional services for Repairs to the Morgan Boulevard Bridge. As you know, a recent vehicle collision to the bridge removed a section of bridge rail. Accordingly, the City has declared it an emergency and desires to obtain quotes from qualified contractors to make the repairs on an emergency basis. Furthermore, the entire bridge rail on both sides of the bridge is in poor condition and also needs to be replaced with the City-desired four (4) rail steel bridge railing. Additionally, there was a priority repair issued for the bridge curb during the most recent bridge inspection on March 31, 2015. Consequently, the Priority 1 bridge curb repair and the bridge rail replacement will be completed under the emergency contract. Finally, the City desires to repair the entire bridge based on the recommendation from the most recent bridge inspection under a separate public bid contract.

We will thus perform the following scope of services for both projects as follows:

Emergency Bridge Repair

Engineering Phase

1. Perform a visual condition inspection of the bridge with specific attention to the bridge railing and the missing bridge railing from the recent vehicle impact to ensure the bridge is still in a serviceable condition.

2. Conventional ground survey of the bridge and approach roadway.

3. Prepare a base plan based on the obtained survey and any existing construction or as-built plans of the bridge in order to show the existing conditions of the bridge and approach roadway.

4. Design of the bridge curb repair and new bridge railing on both sides of the bridge, including any necessary upgrades to the current cantilever support system for the railing.

5. Preparation of a construction plan and applicable details for the bridge curb repair and new bridge railing.

6. Preparation of a quote information package complete with specifications and any necessary contract documents.

7. Prepare an engineer's construction estimate to compare with the obtained quotes.

8. Utilizing the quote information package, including the construction plans, solicit quotes from three (3) qualified contractors.

9. Review the quotes and make a recommendation to the City for an award of the repair work to the lowest qualified contractor.

Construction Phase

1. Schedule, chair, create and distribute minutes for the pre-construction conference.

2. Track, review and approve all submittals, including bridge rail, concrete, traffic control plan and any other necessary construction item.

3. Provide full-time inspection to ensure compliance with the construction documents based on an anticipated two (2) weeks of actual construction time to install the bridge railing and repair the curb.

4. Prepare a construction punch list upon completion and inspect the punch-list work to ensure full completion.

5. Review contractor payment request and provide a recommendation to the City for payment.

6. Provide a project completion certification.

Bridge Repair

As previously discussed, the City desires to make repairs to the entire bridge based on the most recent bridge inspection. This work will be performed via typical public bid standards, and our scope of services is as follows for engineering services only at this time:

1. Utilizing the data obtained from the bridge inspection under the Emergency Bridge Repair scope, as well as the most recent bridge inspection report, prepare a letter of findings and outline our recommended repairs for concurrence by the City.

2. Upon concurrence by the City regarding the repairs, prepare construction plans using the existing conditions base plan from the Emergency Bridge Repair scope which will also include necessary details, quantities sheet and a title sheet.

3. Design and material research for repairs to the bridge.

4. Prepare construction specifications and an engineer's construction estimate for obtaining construction bids for the project.

5. Coordination with City Officials regarding the construction documents.

6. Assist in the bid opening, review of the construction bids, and recommend award of the contract.

Exclusions:

Please note our scope and fee do not include the following items, and if they become required, they will be considered as additional work, and a separate proposal will be provided for consideration. Furthermore, the priority 2 repair (Rip Rap around exposed footings) from the 2013 Bridge Inspection Report is assumed to have been completed:

- NJDEP Permits of any kind, as we do not anticipate the need based on the planned scope of work

- County Soil Conservation District certification, as the disturbance is anticipated as being less than 5000 square feet

Accordingly, our fees for the above services will be billed on a time-and-material basis with a maximum not-to-exceed figure as follows.

Emergency Bridge Repairs	
Engineering Phase	$ 14,950.00
Construction Phase	$ 14,350.00
Bridge Repairs	
Engineering Phase	$ 12,600.00

Remington & Vernick Engineers looks forward to working with the City on this important project. Should you have any questions or require additional information, please contact Frank J. Seney, P.E., in our office at (856) 795-9595.

SCOPE OF SERVICES

INTRODUCTION

S & R Engineers, P.C. located in Hamilton, has been providing professional engineering services in the State of New Jersey for over 7 years, with a total staff of over 32 personnel consisting of 13 Professionally Licensed Engineers, 2 NICET4 Resident Engineers, and 3 NICET3 Inspectors, to provide the necessary professional engineering services for this project. All project work would be performed from our Hamilton Office.

KEY PERSONNEL AND POINT OF CONTACT

The Principal and the Project Manager for this project will be **Mr. Chetan Shah, P.E.** We understand that this is primarily a Bridge Lead Project. Therefore, we are proposing a very experienced Structural Bridge Engineer, **Mr. Riaz Zamil, P.E.** as the Project Engineer (Structures Team Leader). All can be reached at 609-888-4001. **Mr. Shah** will be available via cell phone 24/7. Condition Inspection will be performed by **NBIS qualified Team Leaders.**

UNDERSTANDING OF THE PROJECT REQUIREMENTS

Brief History of the Existing Bridge

The bridge was originally constructed in 1919. The structure is a one span reinforced concrete arch, with wingwalls parallel to the roadway. As-Built plans are not available. The overall structure length is 71 ft. and overall structure width is 43.7'. The roadway curb-to-curb width is 30.3'. Substructure units consist of reinforced concrete arch skewback on footings. The bridge currently carries 2-lane of traffic and is not load posted. **Historical Significance of the Bridge is unknown.**

Findings of the field inspections:

Summary of field inspection findings and overall condition rating is summarized below, based upon the most recent (July 2013) Routine NBIS Bridge Inspection Evaluation Report:

Superstructure

The overall condition of the superstructure (Reinforced Concrete Arch) is **fair** due to several localized spalls and leakage with efflorescence at the intrados, spalls with exposed corroded steel along the spandrel wall, cracking and leakage with efflorescence at sidewalk overhang.

Substructure

The overall condition of substructure units is in **fair** condition due to spalling and cracking at both abutments, exposed footings at north abutment, spalling of retaining walls with exposed steel and spalling and cracking at wing-walls.

Roadway and Highway Safety

The overall condition of bridge and approach roadway is **satisfactory** due to several small potholes and wide cracks within 10' of the abutment and minor wheel depression. There are not approach roadway guiderails. Need for guiderails will be evaluated based upon clear zones.

The bridge is currently not **Structurally/Functionally Obsolete. However, both the inventory and operating ratings are below legal loads, (as reported in 13th Cycle Report) and therefore will need to be load posted. Improvement to load carrying capacity for the structure is not part of this scope of work. Not included in this scope is underwater inspections, scour countermeasure or substructure repairs below water.**

PROJECT OBJECTIVE

Based upon the RFP and review of available information, we understand the Project Objective, as a minimum, is to repair the collision damaged bridge railing; upgrade the current substandard bridge railing to current standard, evaluate need for approach guiderails (clear zone) and repair major deficiencies in the bridge/roadway to rehabilitate the existing structure to retard further deterioration, preserve the structural integrity of the bridge, improve safety and extend its useful life. Intent is not to improve any roadway vertical alignment, nor to increase the condition rating of the deck, superstructure or substructure element.

APPROACH TO THE PROJECT

Field Inspection:

We will perform and in-depth, hands-on inspection of the entire structure and identify each member that may or will require either replacement or reinforcement, based upon the extent of section loss/deterioration. Member sizes, to the extent possible, will be obtained. We will evaluate entire superstructure and substructure, including the highway safety features and approach roadway. We will accomplish this work with a platform boat, so as to afford us close visual inspection. Digital photographs shall be taken. We will perform field reconnaissance to supplement available record documents, become familiar with existing topography, soils and water courses, utility locations, adjacent structure locations, landscape and vegetation and other features, which may affect the project, determine the layout of the existing roadway drainage systems, including discharge points and pipe size, if they exist within project site and identify contractor's staging area. Under arch and cantilever sidewalk and support brackets will be sounded for any hollow sound and deterioration. Since as built plans are not available for this structure, we will take this opportunity to obtain all necessary critical structure measurements during our hands-on field inspection above, and prepare as-built plans.

Field Inspection Summary Report of Deficiencies:

At the conclusion of the field investigation, we will prepare summary of findings report, deficiencies, and schematic suggestions of repair method, with construction durations. We will attend a meeting with City Engineer to discuss the advantages and disadvantages of each repair option, and revise the report as required.

Final Design & Contract Plans

We realize that this is a fast tracked project and delivery of contract plans within a short-time is critical. At the conclusion of Field Investigations, we will prepare Contract Plans, Specifications and Estimate. Rehabilitated elements will be designed for the following minimum requirements:

- Design will be based on City of Camden/NJDOT/AASHTO Specifications. All specifications will utilize the current NJDOT 2007 Standard Specifications (English Units) with applicable amendments with current Local Aid and City of Camden Supplements.
- Maintain current vertical profile and horizontal alignment of the bridge.
- Provide highway safety features meeting current standards.
- All work to be within existing County R-O-W. No easements are anticipated.
- Noise abatement during construction.

Specifications, Engineer's Estimate & Submittals
The construction plans shall be prepared on media for reproduction and accompanied by supplementary specifications in accordance with supplementary "Standard Specifications for Road and Bridge Construction," New Jersey Department of Transportation 2007, and those items not covered by the "Standard Specifications. If available, we will mark-up City of Camden Standard Supplementary specifications.

S&R will prepare complete estimate of quantities, unit prices and costs for the various items of work in the construction contract. Quantity calculations will be bound with cover and index sheets, and will be referenced to the appropriate construction plan sheet. Final estimates of quantities shall be included on the plans as well as in the bid documents. Two sets of all back-up calculations for the estimate of quantities shall be presented. One set of mylars, along with disc containing CADD drawings compatible (Microstation), shall be furnished. Ten sets of full size prints and as well as 11"x17" plans will be provided for the purposes of bidding.

Construction Support Services
S&R will provide a qualified field inspector/engineer to oversee contractor's activities and conformance with contract plans, as well as advice to the City Engineer on technical matters during construction. We will provide clarifications during the bidding period, review shop/erection/working drawings, attend pre-construction meetings, etc. S&R shall review and approve all shop drawings and catalog cutouts, in timely manner.

PROJECT TEAM & ORGANIZATION

Project Manager is the main point of contact and assumes responsibility for ensuring the schedule is met. It is the PM's responsibility to accelerate the project as required so that construction can be coordinated with funding availability. Project Manager will maintain weekly contact with City Engineers Office and will advise City Engineer of project status. To facilitate the open relationship, we maintain an open door policy with our clients. We can send deliverables via e-mails and download files to FTP site.

Project Manager: We are proposing **Mr. Chetan Shah, P.E.** to spearhead this project and be the primary point of contact. Chet has extensive experience in the design and rating of bridges in the State of New Jersey. He has over 30 years of "hands-on" bridge design experience and has managed several projects during the past 10 years. He is very familiar with the current NJDOT Procedure Manual, having worked on several bridge replacement projects. He has designed over 40 bridges in the State of New Jersey alone. He has extensive experience in design of structural elements, preparation of contract plans and documents for mass transit structures, railroad, highway bridges and related structures; Lead and supervise structures design team; Complete projects within time and budget; Feasibility design study, alternate design study and Value Engineering; Bridge load rating analysis, seismic analysis and retrofit design, preparation of reports and inspection of bridges; Preparation of specifications, tender documents and cost estimates; Construction management and provide engineering support during construction and; Preparation of proposals, budgets, Scope of work, schedule and man-hour estimates.

Project Engineer (Bridge): We are proposing **Mr. Riaz Zamil, P.E.** to be the key bridge design engineer to assist Chet. **Raiz** has over 20 years of experience in the in the design of structures and preparation of contract plans and documents for mass transit structures, railroad, highway bridges and related structures. His responsibility also includes quality control for projects, bridge load rating analysis, and preparation of specifications, tender documents, feasibility design study, alternate design study reports and progress reports. In addition, he has also participated in construction management and provided engineering support during construction.

RESOLUTION AUTHORIZING AMENDMENT #3 TO CONTRACT #7-14-128 WITH BUCHART HORN, INC. FOR CONSTRUCTION MANAGEMENT & ADMINISTRATION OF THE SEWER RECONSTRUCTION PHASE IV PROJECT

WHEREAS, the Council of the City of Camden by Resolution R-8 adopted July 8, 2014 awarded a professional service contract to Buchart Horn, Inc., to provide construction management & administration for the sewer reconstruction phase IV project for a period of one (1) year; and

WHEREAS, the contract price set forth in Resolution R-8 as aforesaid was TWO HUNDRED THIRTY-EIGHT THOUSAND ONE HUNDRED THIRYT-EIGHT DOLLARS ($238,138.00); and

WHEREAS, contract #07-14-128 has been amended by amendment #1 in an amount of One Hundred Twenty-Six Thousand, Eight Hundred Dollars ($126,800.00) to expand the original scope of services necessary to correspond with the revisions to the funding allocations in connection with the sewer reconstruction phase IV project by Resolution R-8 adopted July 8, 2014; and

WHEREAS, contract #07-14-128 has been amended by amendment #2 by Resolution R-22 adopted November 10, 2015 in an amount of One Hundred Twenty-Five Thousand Dollars ($125,000.00) due to unforeseen circumstances in connection with the sewer reconstruction phase IV project; and

WHEREAS, it is necessary to further amend contract #07-14-128 in an amount not to exceed THIRTY THOUSAND DOLLARS ($30,000.00) and to extend the contract term until June 30, 2016 due to unforeseen circumstances; and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under the adopted budget of the City of Camden, under line item "6-70-101-906", said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden that contract #07-14-128 with Buchart Horn, Inc., be amended in the amount of THIRTY THOUSAND DOLLARS ($30,000.00), making the total amount of the contract an amount not to exceed FIVE HUNDRED NINETEEN THOUSAND NINE HUNDRED THIRTY-EIGHT DOLLARS ($519,938.00).

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

RE: Construction Management Services for City of Camden Phase IV Sewer Reconstruction – Third Request for Additional Funding and Time

Dear Mr. Ahiarakwe:

In September 2015, Buchart Horn (BH) submitted a request for additional funding and time for the continuation of services for the City of Camden for Phase IV Sewer Reconstruction. As stated in that letter, the performance of the contractor, Petrongolo Construction, Inc. (PCI) has been erratic and inconsistent with many unannounced and unnecessary stoppages.

Our September request was based on what we thought was a conservative estimation that the work would be completed by the end of the calendar year of 2015. By minimizing charges and expenses whenever and wherever possible, BH has been able to extend the funds of the previous authorization beyond the end of calendar year 2015 and into March of 2016. Unfortunately, the contractor has continuously found ways to extend the project. BH has exhausted the previous authorization of inspection services in late March.

We have discussed for the past eighteen months, possible approaches to reasonably end the project as CCMUA as the hiring agency for Petrongolo Construction has chosen not to pursue more traditional contract management approaches to effect performance by the contractor. The resultant approach combines deleting work activities for tasks that were not yet begun such as lining work in Lanning Square and allowed the contractor to complete work in areas previously commenced with the exception of N. 25th St. As this work was closed down in October 2014, followed by a wait over a year for the Contractor to provide requested professional engineering approved shoring plans per a change order request.

However, after acceptance of the plan, we subsequently directed the contractor not to reopen 25th Street in the winter.

In addition to time delays from the absence of contractor for extended periods, the need existed to monitor the construction zones during these down times. This was necessitated as the sites were left for long periods with temporary traffic barriers (moved and removed) and frequently plagued by storm induced sinkholes and settlements creating vehicle and pedestrian safety hazards. These interim times of no field activity but safety monitoring consumed significant construction inspection time over the contract life.

BH has prepared an analysis of additional services required to complete the project as now envisioned and quantifiable rather than projected. We envision three meetings to address change orders and back charges for City provided support / repairs. Coordination and closeout activities to include punch list monitoring, record drawing preparation, interfaces with CCMUA and County and remaining field inspections. These services will require an additional 200 manhours. BH proposes that the current contract for $489,938 be amended by $30,000 to cover these hours for a new revised value of $519,938 for services through the closeout of the project. We project that the construction of the project will be completed by the end of April and hope that the project can be closed out by the end of May. We thank you for the opportunity to be of service to the City of Camden and if there are any questions or concerns, please contact me directly at my cell, 215.901.6547 or email at jhopkins@bh-ba.com.

Sincerely,

RE: 2014 Sanitary/Combined Sewer Rehabilitation and Replacement Project
P.O. 15-02744
Addendum No.1

Dear Mr. Ahiarakwe:

I am pleased to enclosing a proposal to extend our sewer assessment, survey and design project to cover additional sewer segments located under the County Roads within Camden.

Our cost estimate for this additional work is based on a metric we developed from 8 years of Camden sewer assessment working for US Water and UWC. Over that time period we evaluated over 400,000 feet of the City's worst sewer segments. We are happy to report that only 13.5% of the sewer segments reviewed required rehabilitation or reconstruction.

The additional work includes assistance with the collection of the CCTV data and review of the video images for 94,085 feet of sewer. Using the rate of 13.5%, we are prepared to add 12,700 feet of sewer to the project's survey and design effort.

Due to the tight time schedule for the Loan Application we are proposing to complete the CCTV inspections on the first 4 sewer segments as AMWater gets its organization to work on the remaining sewers.

The following pages provides a breakdown of our lump sum estimate following the tasks in the original Scope of Work and a list of hourly billing rates for the proposed project personnel.

We thank you for the opportunity to submit this proposal and request that you contact me if you need additional information.

Regards,

Robert F. Serpente, P.E.

RE: General Engineering Services for City of Camden Water and Sewer Operations Continuation of Services

Dear Mr. Ahiarakwe:

Confirming our conversation yesterday, Buchart Horn, Inc. (BH) submits this letter of proposed services for the continuation of general engineering services for the City of Camden Water and Sewer Operations. We appreciate the opportunity to continue to provide our services and demonstrate our value to the City of Camden. BH looks forward to the opportunity to provide for the City of Camden contract monitoring and administration services for the new service agreement for Camden's Water and Sewer Operations with American Water. This proposal follows our previous letter of February 25, 2015, whereby BH offered and the City approved the extension of our services to support the RFP/Procurement Process, define City Scope Priorities, support negotiations for the City, serve as City representative for the transition and for the initial preparation/review of contract submittals due within the first ninety days of contract.

The expected duration was through mid-June 2016. With the addition of support services for USEPA ACO compliance, NJ OSC follow-up meetings, reviews and presentations with City Administration, Council and the Citizens of Camden as well as preparation of data and support for claims to be resolved with the previous operator, the approved funding will be exhausted approximately 4 -6 weeks earlier than projected last year, that is about May 1, 2016.

It is noted that the NJ OSC prepared a series (23) of recommendations to the City. Specifically, Recommendation #22, states that the City should assign a contract administrator outside of the Department of Public works who is authorized and qualified to handle all matters pertaining to the Contract including: Monitoring Contract activities and progress; Providing necessary documentation to relevant City personnel involved in Contract operations; Reviewing and monitoring expenditures; Verifying accuracies of invoicing; and Reporting Contract disputes to appropriate City personnel. The State Comptroller further acknowledges the City entered into with CCMUA, a shared services agreement in December 2013 for many of these activities but that none had commenced. It is further noted that these recommendations addressed a wide range of issues from CMMS implementation, billing, collection, asset procedures to unique problems with the previous agreement as to communications and coordination. The new agreement incorporates corrections to most of these recommendations with the exception of rate studies which will be handled by the Finance Department with third party support services.

Additionally, New Jersey Local Finance Board in its November 12, 2015 resolution for the approval of the new agreement with American Water, stated "BE IT FURTHER RESOLVED that, in light of the foregoing findings and determinations, the Local Finance Board has determined to grant and accordingly hereby grants approval to the contract proposed to be executed by the City of Camden with American Water Operations and Maintenance, Inc. for the operation, maintenance and management of the City of Camden's water supply system under the condition that the City of Camden contract with an engineer/contract administrator to monitor compliance of the Operator, as well as, to ensure that the Camden County Municipal Utilities Authority perform the oversight and administrative duties as outlined in the Shared Services Agreement dated December 28, 2013.

As BH has not only effectively provided these services for the past year for the previous contract and for the first month of the new contract with American Water, but is well versed in the terms of the new contract having been involved in the preparation and negotiation of the agreement, we remain uniquely qualified to continue these services. That performance has met the approval of the City Attorney, Finance Director, Public Works Director and you as City Engineer as well as Camden's DCA representative. These services would continue to be predominately provided by myself.

Based upon the overall experiences of the past nearly two years, I anticipate the level of support will require for about the first eight months of the contract, about 52 -65 hours per month. For the remaining four months, I would project a reduction of needs to 35 – 44 hours per month, for an annual projection of 625 hours. These services would include at a minimum bi-weekly site visits/ meetings with American Water as well as frequent interactions (multiple times weekly) with City staff including Engineering, Public Works and to a lesser degree with Law and Finance Departments to monitor the contract. Included in this estimate is an allowance for interfacing with CCMUA and its consultants for the Shared Services Agreement. Not included is any oversight or management effort associated with Capital Improvement work. Based upon the recently negotiated rate in the Municipal Consulting Service Agreement, the corresponding billing rate is $160 per hour. This equates to a projected cost proposed at a value of $100,000.

I would further recommend the consideration of a contingency of 20% to address potential unknown needs which would probably be highly likely.

Sincerely,

BUCHART HORN, INC.

RE: General Engineering Services for City of Camden Water and Sewer Operations
Continuation of Services – Claim Support

Dear Mr. Ahiarakwe:

Confirming our conversation today, Buchart Horn, Inc. (BH) submits this additional letter of proposed services for the continuation of general engineering services for the City of Camden Water and Sewer Operations. Overlooked in our February 25, 2016 letter was any additional support for claim support against the previous contract operator. At the time of that proposal, we did not envision a lack of cooperation and communication by United Water / SUEZ.

It is extremely difficult to estimate the potential need as it will be driven by third party legal consultants hired by the City. A projection based upon the efforts to date, I offer an approximation of about 160 manhours. Based upon a rate of $160 per hour would yield a projection of $25,600.00

We appreciate the opportunity to continue to provide our services and demonstrate our value to the City of Camden.

Sincerely,

BUCHART HORN, INC.

Contract time impact: 323 Days

- REASON FOR CHANGE: The contract notice to proceed was issued on August 7, 2014 with a contract duration of 240 calendar days. This would place substantial completion for the contract on April 7, 2015. However, during the execution of construction Worth was delayed by several factors as outlined in their March 10 correspondence among which are:
    - Issues with flow meter selection (66 calendar days): Worth had requested to use an alternate meter to those specified in the contract documents to address concerns for site constrictions at Federal St. and Baird Blvd. The technical issues associated with selected alternate meters, and lead time to obtain the alternate meters caused delay to the contract until these issues could be resolved. This was ultimately resolved to the satisfaction of the owner. Further the force main at Federal St. was discovered upon digging a test pit to be different than the configuration shown on the contract drawings. Resolution of the technical issues resulted in a delay of 66 calendar days.
    - Permission to enter onto ABC bus company property for contract work (246 calendar days): Installation of the flowmeter at Federal St. involved work and installation on the property of the adjacent ABC Bus company. Work could not proceed until express permission was received from the owner. Subsequent to property owner approval it was necessary to resolve the issues of permanent easement or temporary access. The time associated with this delay resulted from the resolution process to ensure appropriate access. The permission was obtained allowing Worth to commence construction on August 31, 2015.
    - Inability to get service from PSE&G for permanent power at Federal St., Baird Blvd, and Pine St. (173 calendar days): The new electrical services at the Baird and Pine Street Pump Stations were ready for final connection and energizing by PSE&G on June 12, 2015 and February 16, 2016 respectively. The Baird Blvd. pump station was connected and energized on October 1, 2015 and the Pine St. Pump Station was energized on February 24, 2016. This resulted in a delay of 173 calendar days..
    - Resolution and ultimate value engineering of the Pine St. bypass plan (323 calendar days): The preferred construction option according to the contract documents was to place the Pine St. Pump Station on bypass while the pumps were rehabilitated. However, it was discovered that due to construction of the netting facility downstream of the station prior to bidding of this contract, the invert elevations were such that bypass pumping from the upstream manhole on Memorial Drive would not be feasible. Plans were developed to excavate a temporary wetwell for the bypass operation. However, the technical and cost issues associated with this method made it a less than desirable option. Worth and McKissack developed an option to perform the work in a phased fashion using an alternate flowmeter. Delay occurred from the several iterations of the plan and necessary reviews and approvals of the alternate scheme that was ultimately adopted.

- Per the included by reference NJDOT specification and the NJDEP Water Pollution Control Act included with the contract, Worth is entitled to compensation for additional costs associated with the summarized delays. Backup documentation and a schedule analysis are included as part of this change.
- Costs for this change were calculated based on actual costs for labor, equipment and services through the date of substantial completion (February 24, 2016). Costs have been documented in the attached information provided by Worth and comply with the regulations stipulated in the contract as noted above. A daily overhead rate was not calculated for the purpose of this change as direct eligible costs could be calculated and documented.
- Delays requested under this change reflect actual dates encountered during the execution of the contract. As substantial completion has occurred as of this time, delays were taken as actual and can be demonstrated via the documentation cited below.
- McKissack has agreed with Worth that these delays occurred concurrently and that a time extension of 323 days should be awarded with substantial completion occurring on February 24, 2016 and Final completion on March 31, 2016. McKissack recommends that the City accept this change and associated cost recovery.

Re: HOME #05-11-136
Camden Rehab 2

Dear Stan:

I would like to request an extension to Contract #05-11-136 for the Camden rehab 2 Project to December 30, 2016. Enclosed please find the Contract Amendment Form.

This project funds the construction of four homes in Cooper Plaza. 723 Berkley Street and 720 Berkley Street have both been sold. 711 New and 652 Washington are both under agreement and we are awaiting the final commitments on both houses.

Thank you for your assistance with this. Please let me know if you need additional information.

Sincerely,

Pilar Hogan Closkey, PE, PP, AICP
Executive Director

Good morning Director. I am writing to follow up on this trust account. Specifically, we are in need of direction regarding the procedure for close out.

There is a spending reserve balance in the amount of $1,166,571.14. Are we required to process a City Council Resolution to cancel this spending reserve as we would grants? At your earliest convenience, please advise.

RESOLUTION RATIFYING AN EMERGENCY BID TO "ORIGINAL" W. HARGROVE DEMOLITION COMPANY, 1507 STATE STREET, CAMDEN, NEW JERSEY 08105 FOR THE PARTIAL DEMOLITION OF 601 SOUTH BROADWAY

WHEREAS, pursuant to N.J.S.A. 40A:11-6, it has been certified to the Council of the City of Camden by the Director of Public Works that an emergency existed in the City of Camden for the partial demolition of 601 South Broadway in the City of Camden; and

WHEREAS, pursuant to N.J.S.A. 40A:11-6, the health and safety of the public and the exigency of public services did not permit the advertising for public bids in eliminating this emergency; and

WHEREAS, by Resolution R-34 (MC-15:4599) an emergency contract was awarded to Neri's Construction & Rental to perform the partial demolition of 601 Broadway and they could not perform the work in time, so it was awarded to the second lowest and only other bidder Original" W. Hargrove Demolition Company causing the rescission of Neri's Construction & Rental bid; and

WHEREAS, an agreement has been negotiated with "ORIGINAL" W. HARGROVE DEMOLITION COMPANY, 1507 State Street, Camden, NJ 08105, for the partial demolition of 601 South Broadway in the City of Camden for an amount not to exceed FIFTEEN THOUSAND TWO HUNDRED EIGHTY DOLLARS ($15,280.00); and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under the adopted budget of the City of Camden under line item "6-01-700-908" in the amount of FIFTEEN THOUSAND TWO HUNDRED EIGHTY DOLLARS ($15,280.00), and said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden as follows:

1. An emergency is hereby declared to exist and to have existed in the City of Camden due to the need for an emergency demolition.

2. The exigencies of the public services did not permit the advertising for public bids in eliminating this emergency.

3. That the City Council of the City of Camden hereby ratifies a contract between the City of Camden and "ORIGINAL" W. HARGROVE DEMOLITION COMPANY, 1507 State Street, Camden, NJ 08105, for the partial demolition of 601 South Broadway in the City of Camden for a total sum of FIFTEEN THOUSAND TWO HUNDRED EIGHTY DOLLARS ($15,280.00).

BE IT FURTHER RESOLVED, that the proper officers of the City of Camden be and are hereby authorized to execute the aforesaid contract.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

RESOLUTION IN SUPPORT OF STRONGER FEDERAL GUN CONTROL LEGISLATION

WHEREAS, With all due respect to the right to bear arms, afforded by the Second Amendment to the United States Constitution, and the decisions rendered by the United States Supreme Court in District of Columbia v. Heller, 554 U.S. 570 (2008) and McDonald v. City of Chicago, 561 U.S. 3025 (2010), in recent years the United States has been witness to several tragic and preventable firearms related mass tragedies; and

WHEREAS, on June 17, 2015 in Charleston, South Carolina, 21-year-old Dylann Roof shot 10 people in the Emanuel African Methodist Episcopal Church, with 9 killed and 1 injured; and

WHEREAS, on July 23, 2015 in Lafayette, Louisiana, a shooting occurred at the Grand 16 movie theater in Lafayette, Louisiana. John Russell Houser, age 59, opened fire during a showing of the film Trainwreck, killing two people and injuring nine others before he committed suicide; and

WHEREAS, in June 12, 2016 in Orlando, Florida, a mass shooting perpetrated by Omar Mateen, a 29-year-old U.S. citizen, opened fire in a nightclub, killing 49, and injuring 50+, the worst shooting massacre by a lone perpetrator in modern US history; and

WHEREAS, in light of these horrific events and other preventable gun related tragedies, it is fitting and proper for the U.S. Congress to support legislation enacting sensible gun control measures; now, therefore,

BE IT RESOLVED by the City Council of the City of Camden that:

1. Congress is respectfully urged to support legislation HR 1076 that would simply allow the attorney general to bar any "known or suspected dangerous terrorist" from buying guns.

2. Congress is respectfully requested to support legislation HR 1217, a bipartisan bill that would expand requirements for conducting background checks on firearms sales at gun shows and over the internet.

3. Congress is respectfully called on to introduce legislation to renew the federal military-style assault weapons ban.

BE IT FURTHER RESOLVED that Municipal Clerk of the City of Camden forward a copy of this resolution expressing the sentiments of the City Council to U.S. Congressman Donald Norcross and President Barack Obama.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. All notices of veto shall be filed in the Office of the Municipal Clerk.

RESOLUTION CONSENTING TO THE ASSIGNMENT OF THE FINANCIAL SERVICES AGREEMENT ON THE CAMDEN WATERFRONT TECHNOLOGY CENTER FROM THE NEW JERSEY ECONOMIC DEVELOPMENT AUTHORITY TO THE COUNTY OF CAMDEN

WHEREAS, the New Jersey Economic Development Authority ('NJEDA") is the owner of the Camden Waterfront Technology Center located at 200 Federal Street, also known as Block 139.02, Lot 1 (the "Tech Center"); and

WHEREAS, the NJEDA and the City entered into a certain Financial Services Agreement dated February 9, 2006 whereby the NJEDA agreed to require any Private Sector Occupants to make a Payment in Lieu of Taxes ("PILOT Payment") in accordance with the schedule set for in the Financial Services Agreement; and

WHEREAS, the NJEDA desires to sell the Tech Center to the County of Camden; and

WHEREAS, the County of Camden desires to continue to adhere to the terms of the Financial Services Agreement and has requested that the City of Camden consent to the transfer of the Tech Center and to the assignment of the Financial Services Agreement from NJEDA to the County;

WHEREAS, the transfer of the Tech Center and the assignment of the Financial Services Agreement from the NJEDA to the County are in the best interest of the City of Camden, now therefore

BE IT RESOLVED, by the City Council of the City of Camden, that City Council hereby consents to the transfer of the Tech Center from the NJEDA to the County of Camden and hereby consents to the assignment of the Financial Services Agreement from NJEDA to the County of Camden.

BE IT FURTHER RESOLVED, that the proper City officers are hereby authorized to execute such documents as may be required to effect the assignment of the Financial Services Agreement.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. LOPEZ/TORRES
07-12-16

RESOLUTION IN SUPPORT OF COMMON SENSE MEASURES AND STATE AND FEDERAL LEGISLATION TO FIGHT ILLEGAL GUNS AND RELATED CRIME AND VIOLENCE

WHEREAS the City Council of the City of Camden recognizes that many of its residents are extremely concerned about illegal guns, particularly given the tremendous loss of life in Camden over a long period of time due to crime and violence involving illegal guns; and

WHEREAS the City Council also recognizes there are many initiatives pending before the New Jersey Legislature and the United States Congress to address the epidemic of illegal guns and related crime and violence in the State of New Jersey and nationwide; and

WHEREAS the City Council recognizes that legislation regulating illegal guns and related crime and violence is preempted by legislation at the State and federal levels; and

WHEREAS the City Council believes that, while New Jersey's gun control laws are among the strictest in the nation, the State and the United States Congress must do more legislatively to address illegal guns and related crime and violence; and

WHEREAS, during the last week of June 2016, the New Jersey State Legislature passed important gun control legislation:

1. Intended to spur sales of so-called "smart guns" by establishing a Personalized Handgun Authorization Commission which would be responsible for establishing performance standards for personalized handguns, also known as "smart guns" and "child proof guns." The Commission also would be responsible for approving and maintaining a roster of personalized handguns authorized for sale to the public and to set related standards and evaluate handguns that can only be fired by a recognized user (A-1426/S-816).

2. Making it more difficult to obtain permits to carry guns by limiting permits to carry guns only to applicants who can demonstrate a specific threat or previous attack. (A-3689/S-2165).

3. A third gun-related vote--to override the Governor's veto of a bill, A-1211/S-805, that would require domestic violence offenders and subjects of domestic violence restraining orders to surrender firearms--was postponed until June 30, 2016;

now, therefore,

BE IT RESOLVED that the City Council of the City of Camden calls upon the New Jersey State Legislature and the United States Congress to continue to examine common sense measures and responsible gun control legislation that balances the fight against illegal guns and related crime and violence, and citizens' rights to be safe from same, with the right of citizens to own guns.

BE IT FURTHER RESOLVED that the City Council of the City of Camden hereby supports all of the New Jersey State Assembly's recently proposed and future legislation that properly balances the protection of citizens and their communities from illegal guns and related crime and violence with citizens' right to own guns.

BE IT FURTHER RESOLVED that Municipal Clerk of the City of Camden forward a copy of this resolution expressing the sentiments of the City Council to the representatives of the 5th Legislative District: Senator Nilsa Cruz-Perez and Assemblypersons Pat Jones and Arthur Barclay; U.S. Congressman Donald Norcross, Governor Chris Christie; and President Barack Obama.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. SHARED SERVICES AGREEMENT
BY AND BETWEEN
THE COUNTY OF CAMDEN
AND
CITY OF CAMDEN

This document constitutes an SHARED SERVICES AGREEMENT pursuant to N.J.S.A. 40:8A-1 *et seq.* Entered into between the County of Camden, a body politic and corporate of the State of New Jersey with the offices located at the 14th Floor, 520 Market Street, Camden, New Jersey 08102, hereinafter referred to as GRANTEE and the City of Camden, a body politic and corporate of the State of New Jersey with offices located at City Hall, 6th & Market Street, Camden, NJ 08101 hereinafter referred to as SUB-GRANTEE:

THIS AGREEMENT, made and entered into this day of , 2016

WITNESSETH:

WHEREAS, the GRANTEE and the SUB-GRANTEE are desirous of entering into an agreement to provide the SUB-GRANTEE funds provided by the Governor's Council on Alcoholism and Drug Abuse and authorized by resolution of the Board of Chosen Freeholders of the County of Camden on June 16, 2016; and

WHEREAS, pursuant to said program, the SUB-GRANTEE, with funds received from the GRANTEE, shall provide a comprehensive and coordinated effort to establish prevention and early intervention programs to fight alcoholism and drug abuse as detailed herein. Now therefore,

In consideration of the mutual promises set forth herein the GRANTEE and the SUB-GRANTEE agrees as follows:

1. **TERM**

This agreement shall commence July 1, 2016 and end June 30, 2017. It is specifically understood between the GRANTEE and the SUB-GRANTEE that the Governor's Council on Alcoholism and Drug Abuse as outlined in the fiscal requirements for said funds, "requires that all funds awarded through this letter agreement will be expended during the agreement period. Monies carried forwarded must have the written permission of the Executive Director of the Council. "

2. **SCOPE OF SERVICES**

The SUB-GRANTEE shall perform all services set forth in the scope of services attached hereto as Exhibit A and hereby incorporated into this agreement by reference. The SUB-GRANTEE agrees to provide all services in compliance with all applicable federal, state and local statutes, rules and regulations.

3. **FUNDING OF AGREEMENT**

(a) The GRANTEE shall provide to the SUB-GRANTEE funds designated to the SUB-GRANTEE as follows:

City of Camden $ 61,461

The SUB-GRANTEE may only use these funds for the purpose of conducting the activities or providing the materials as set forth in Exhibit "A", the Scope of Services of this agreement;

(b) The GRANTEE shall provide said funding to the SUB-GRANTEE in four installments representing four (4) quarterly payments, provided all required expenditure reports and County Vouchers are submitted in a timely manner.

(c) The GRANTEE and the SUB-GRANTEE specifically understand and agree that both the GRANTEE and the SUB-GRANTEE are bound by all rules and regulations promulgated by the Governor's Council on Alcoholism and Drug Abuse, specifically attachments A, which is hereby made a part of this agreement. Attachment A outlines programmatic requirements, fiscal requirements, and "other compliance requirements" and "general conditions", for municipal alliance grants. The GRANTEE and the SUB-GRANTEE recognizes that N.J.A.C. 17:4-1 et seq requires the TOWNSHIP to produce a 100% match of grant funds. The State of New Jersey Governor's Council on Alcoholism and Drug Abuse requires the SUB-GRANTEE to provide the 100% match funds as follows: A minimum 25% cash match, the remaining 75% in kind match for the period of this agreement.

4. **TERMINATION OF AGREEMENT**

(a) This Agreement may be terminated in whole or in part by the GRANTEE for any reason upon thirty (30) days written notice to the SUB-GRANTEE;

(b) Upon receipt of the Notice of Termination, the SUB-GRANTEE shall promptly discontinue all services affected unless otherwise directed by the GRANTEE. The GRANTEE shall not be liable for funding any services continued by the SUB-GRANTEE after the effective date of the termination of this agreement.

5. **COMPLIANCE WITH THE LOCAL PUBLIC CONTRACT LAW**

The SUB-GRANTEE shall comply with the Local Public Contract Law with respect to

the award of any Contract for the performance of services or the purchase of any goods to be provided under this agreement.

6. AUDIT

The Contractor shall permit the County and/or its independent auditors to have access, at a reasonable time and place, to the records and financial statements necessary to comply with the following audit requirements as applicable:

Type of Contractor	**Audit Requirements**
Non-Profits and Institutions of Higher Education	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds-** OMB's Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards
State and Local Governments	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds** OMB's Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards
For-Profit	County's requirement of access as detailed above.

Copies of the above-referenced circulars are available upon request from the Camden County Chief Financial Officer.

All non-profits, institutions of higher education, and state and local government contractors shall, annually, forward a copy of their Single Audit Report to the Camden County Chief Financial Officer, 9th Floor – Court House, 520 Market Street, Camden, New Jersey 08102-1375. Failure to comply with this procedure will result in the withholding of payment pursuant to this contract.

7. **RIGHT TO INSPECT**

The Borough shall permit the GRANTEE or its authorized representative to make visits to the site or sites where specified services are being provided for the purposes of assuring the SUB-GRANTEE compliance with the terms of the Agreement.

8. **INDEMNIFICATION**

The SUB-GRANTEE shall defend, indemnify and hold harmless the State of New Jersey, the Governor's Council on Alcoholism and Drug Abuse and the GRANTEE, their officers, agents and/or employees from any and all suits and actions of every nature and kind which may be brought for or on account of any injury, death or damage arising or growing out of the acts or omissions of the SUB-GRANTEE, its officers and/or its employees under this agreement.

9. **INSURANCE**

The SUB-GRANTEE shall provide and maintain during the term of the agreement adequate insurance coverage for the services to be performed pursuant to this agreement. Said insurance coverage shall include, but not limited to, general liability and workers compensation insurance.

10. **NOTICE**

All notice hereunder shall be in writing and mailed postage paid, certified mail, return receipt requested to the Office of County Counsel, 14th Floor, Courthouse, 520 Market Street, Camden, NJ 08102.

11. **MISCELLANEOUS**

The following miscellaneous provisions shall apply to this agreement:

A. **CONSTRUCTION OF THIS AGREEMENT**

The parties acknowledge that this agreement was prepared under New Jersey Law and shall therefore be interpreted under the Laws of the State of New Jersey.

B. **AMENDMENTS**

This Agreement may not be amended, altered or modified in any manner except in writing signed by the parties hereto.

C. **HEADINGS**

This section and any other headings contained in this agreement are for reference only and shall not affect the meanings or interpretation of this contract.

D. **INVALID CLAUSE**

The invalidity of any clause contained herein shall not render any other provision invalid and the balance of this agreement shall be binding upon all parties hereto.

E. **ENTIRE AGREEMENT**

This agreement together with all attachments shall consist of the entire agreement of the parties and it is acknowledged that there are no other outstanding agreements regarding to this undertaking.

F. **ASSIGNABILITY**

This agreement and all rights, duties and obligations herein may not be assigned by the SUB-GRANTEE.

G. **NON-DISCRIMINATION**

The parties to this Agreement agree that the provisions of N.J.S.A 10:2-1 through 10:2-4 and 10:5-40, dealing with discrimination in employment on public contracts, and the rules and regulations promulgated pursuant thereunto, are hereby made a part of this contract and binding upon them.

H. **FUNDING**

In accordance with the provision of N.J.S.A. 40 A: 11-15 this contract is subject to the availability and appropriation of sufficient funds in the year in which it is in effect and the receipts of said funds from the State of New Jersey.

I. **INTERPRETATION OF DOCUMENTS CONSTITUTED IN THIS AGREEMENT**

If the language of this agreement is ambiguous with the language outlined in attachment A of this agreement the language contained in attachment A of this agreement shall prevail.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be duly executed on this day and year mentioned on the first of this agreement.

SHARED SERVICES AGREEMENT
BY AND BETWEEN
THE COUNTY OF CAMDEN
AND
CITY OF CAMDEN

This document constitutes an SHARED SERVICES AGREEMENT pursuant to N.J.S.A. 40:8A-1 et seq. Entered into between the County of Camden, a body politic and corporate of the State of New Jersey with the offices located at the 14th Floor, 520 Market Street, Camden, New Jersey 08102, hereinafter referred to as GRANTEE and the City of Camden, a body politic and corporate of the State of New Jersey with offices located at City Hall, 6th & Market Street, Camden, NJ 08101 hereinafter referred to as SUB-GRANTEE:

THIS AGREEMENT, made and entered into this day of , 2016

WITNESSETH:

WHEREAS, the GRANTEE and the SUB-GRANTEE are desirous of entering into an agreement to provide the SUB-GRANTEE funds provided by the Governor's Council on Alcoholism and Drug Abuse and authorized by resolution of the Board of Chosen Freeholders of the County of Camden on June 16, 2016; and

WHEREAS, pursuant to said program, the SUB-GRANTEE, with funds received from the GRANTEE, shall provide a comprehensive and coordinated effort to establish prevention and early intervention programs to fight alcoholism and drug abuse as detailed herein. Now therefore,

In consideration of the mutual promises set forth herein the GRANTEE and the SUB-GRANTEE agrees as follows:

1. **TERM**

This agreement shall commence July 1, 2016 and end June 30, 2017. It is specifically understood between the GRANTEE and the SUB-GRANTEE that the Governor's Council on Alcoholism and Drug Abuse as outlined in the fiscal requirements for said funds, "requires that all funds awarded through this letter agreement will be expended during the agreement period. Monies carried forwarded must have the written permission of the Executive Director of the Council. "

2. **SCOPE OF SERVICES**

The SUB-GRANTEE shall perform all services set forth in the scope of services attached hereto as Exhibit A and hereby incorporated into this agreement by reference. The SUB-GRANTEE agrees to provide all services in compliance with all applicable federal, state and local statutes, rules and regulations.

3. **FUNDING OF AGREEMENT**

(a) The GRANTEE shall provide to the SUB-GRANTEE funds designated to the SUB-GRANTEE as follows:

City of Camden $ 61,461

The SUB-GRANTEE may only use these funds for the purpose of conducting the activities or providing the materials as set forth in Exhibit "A", the Scope of Services of this agreement;

(b) The GRANTEE shall provide said funding to the SUB-GRANTEE in four installments representing four (4) quarterly payments, provided all required expenditure reports and County Vouchers are submitted in a timely manner.

(c) The GRANTEE and the SUB-GRANTEE specifically understand and agree that both the GRANTEE and the SUB-GRANTEE are bound by all rules and regulations promulgated by the Governor's Council on Alcoholism and Drug Abuse, specifically attachments A, which is hereby made a part of this agreement. Attachment A outlines programmatic requirements, fiscal requirements, and "other compliance requirements" and "general conditions", for municipal alliance grants. The GRANTEE and the SUB-GRANTEE recognizes that N.J.A.C. 17:4-1 et seq requires the TOWNSHIP to produce a 100% match of grant funds. The State of New Jersey Governor's Council on Alcoholism and Drug Abuse requires the SUB-GRANTEE to provide the 100% match funds as follows: A minimum 25% cash match, the remaining 75% in kind match for the period of this agreement.

4. **TERMINATION OF AGREEMENT**

(a) This Agreement may be terminated in whole or in part by the GRANTEE for any reason upon thirty (30) days written notice to the SUB-GRANTEE;

(b) Upon receipt of the Notice of Termination, the SUB-GRANTEE shall promptly discontinue all services affected unless otherwise directed by the GRANTEE. The GRANTEE shall not be liable for funding any services continued by the SUB-GRANTEE after the effective date of the termination of this agreement.

5. **COMPLIANCE WITH THE LOCAL PUBLIC CONTRACT LAW**

The SUB-GRANTEE shall comply with the Local Public Contract Law with respect to

the award of any Contract for the performance of services or the purchase of any goods to be provided under this agreement.

6. AUDIT

The Contractor shall permit the County and/or its independent auditors to have access, at a reasonable time and place, to the records and financial statements necessary to comply with the following audit requirements as applicable:

Type of Contractor	**Audit Requirements**
Non-Profits and Institutions of Higher Education	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds-** OMB's Uniform Administrative Requirements Cost Principles, and Audit *Requirements for* Federal Awards
State and Local Governments	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds** OMB's Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards
For-Profit	County's requirement of access as detailed above.

Copies of the above-referenced circulars are available upon request from the Camden County Chief Financial Officer.

All non-profits, institutions of higher education, and state and local government contractors shall, annually, forward a copy of their Single Audit Report to the Camden County Chief Financial Officer, 9th Floor – Court House, 520 Market Street, Camden, New Jersey 08102-1375. Failure to comply with this procedure will result in the withholding of payment pursuant to this contract.

7. **RIGHT TO INSPECT**

The Borough shall permit the GRANTEE or its authorized representative to make visits to the site or sites where specified services are being provided for the purposes of assuring the SUB-GRANTEE compliance with the terms of the Agreement.

8. **INDEMNIFICATION**

The SUB-GRANTEE shall defend, indemnify and hold harmless the State of New Jersey, the Governor's Council on Alcoholism and Drug Abuse and the GRANTEE, their officers, agents and/or employees from any and all suits and actions of every nature and kind which may be brought for or on account of any injury, death or damage arising or growing out of the acts or omissions of the SUB-GRANTEE, its officers and/or its employees under this agreement.

9. **INSURANCE**

The SUB-GRANTEE shall provide and maintain during the term of the agreement adequate insurance coverage for the services to be performed pursuant to this agreement. Said insurance coverage shall include, but not limited to, general liability and workers compensation insurance.

10. **NOTICE**

All notice hereunder shall be in writing and mailed postage paid, certified mail, return receipt requested to the Office of County Counsel, 14th Floor, Courthouse, 520 Market Street, Camden, NJ 08102.

11. **MISCELLANEOUS**

The following miscellaneous provisions shall apply to this agreement:

A. **CONSTRUCTION OF THIS AGREEMENT**

The parties acknowledge that this agreement was prepared under New Jersey Law and shall therefore be interpreted under the Laws of the State of New Jersey.

B. **AMENDMENTS**

This Agreement may not be amended, altered or modified in any manner except in writing signed by the parties hereto.

C. **HEADINGS**

This section and any other headings contained in this agreement are for reference only and shall not affect the meanings or interpretation of this contract.

D. **INVALID CLAUSE**

The invalidity of any clause contained herein shall not render any other provision invalid and the balance of this agreement shall be binding upon all parties hereto.

E. **ENTIRE AGREEMENT**

This agreement together with all attachments shall consist of the entire agreement of the parties and it is acknowledged that there are no other outstanding agreements regarding to this undertaking.

F. **ASSIGNABILITY**

This agreement and all rights, duties and obligations herein may not be assigned by the SUB-GRANTEE.

G. **NON-DISCRIMINATION**

The parties to this Agreement agree that the provisions of N.J.S.A 10:2-1 through 10:2-4 and 10:5-40, dealing with discrimination in employment on public contracts, and the rules and regulations promulgated pursuant thereunto, are hereby made a part of this contract and binding upon them.

H. **FUNDING**

In accordance with the provision of N.J.S.A. 40 A: 11-15 this contract is subject to the availability and appropriation of sufficient funds in the year in which it is in effect and the receipts of said funds from the State of New Jersey.

I. **INTERPRETATION OF DOCUMENTS CONSTITUTED IN THIS AGREEMENT**

If the language of this agreement is ambiguous with the language outlined in attachment A of this agreement the language contained in attachment A of this agreement shall prevail.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be duly executed on this day and year mentioned on the first of this agreement.

SHARED SERVICES AGREEMENT
BY AND BETWEEN
THE COUNTY OF CAMDEN
AND
CITY OF CAMDEN

This document constitutes an SHARED SERVICES AGREEMENT pursuant to N.J.S.A. 40:8A-1 et seq. Entered into between the County of Camden, a body politic and corporate of the State of New Jersey with the offices located at the 14th Floor, 520 Market Street, Camden, New Jersey 08102, hereinafter referred to as GRANTEE and the City of Camden, a body politic and corporate of the State of New Jersey with offices located at City Hall, 6th & Market Street, Camden, NJ 08101 hereinafter referred to as SUB-GRANTEE:

THIS AGREEMENT, made and entered into this day of , 2016

WITNESSETH:

WHEREAS, the GRANTEE and the SUB-GRANTEE are desirous of entering into an agreement to provide the SUB-GRANTEE funds provided by the Governor's Council on Alcoholism and Drug Abuse and authorized by resolution of the Board of Chosen Freeholders of the County of Camden on June 16, 2016; and

WHEREAS, pursuant to said program, the SUB-GRANTEE, with funds received from the GRANTEE, shall provide a comprehensive and coordinated effort to establish prevention and early intervention programs to fight alcoholism and drug abuse as detailed herein. Now therefore,

In consideration of the mutual promises set forth herein the GRANTEE and the SUB-GRANTEE agrees as follows:

1. **TERM**

This agreement shall commence July 1, 2016 and end June 30, 2017. It is specifically understood between the GRANTEE and the SUB-GRANTEE that the Governor's Council on Alcoholism and Drug Abuse as outlined in the fiscal requirements for said funds, "requires that all funds awarded through this letter agreement will be expended during the agreement period. Monies carried forwarded must have the written permission of the Executive Director of the Council. "

2. **SCOPE OF SERVICES**

The SUB-GRANTEE shall perform all services set forth in the scope of services attached hereto as Exhibit A and hereby incorporated into this agreement by reference. The SUB-GRANTEE agrees to provide all services in compliance with all applicable federal, state and local statutes, rules and regulations.

3. **FUNDING OF AGREEMENT**

(a) The GRANTEE shall provide to the SUB-GRANTEE funds designated to the SUB-GRANTEE as follows:

City of Camden $ 61,461

The SUB-GRANTEE may only use these funds for the purpose of conducting the activities or providing the materials as set forth in Exhibit "A", the Scope of Services of this agreement;

(b) The GRANTEE shall provide said funding to the SUB-GRANTEE in four installments representing four (4) quarterly payments, provided all required expenditure reports and County Vouchers are submitted in a timely manner.

(c) The GRANTEE and the SUB-GRANTEE specifically understand and agree that both the GRANTEE and the SUB-GRANTEE are bound by all rules and regulations promulgated by the Governor's Council on Alcoholism and Drug Abuse, specifically attachments A, which is hereby made a part of this agreement. Attachment A outlines programmatic requirements, fiscal requirements, and "other compliance requirements" and "general conditions", for municipal alliance grants. The GRANTEE and the SUB-GRANTEE recognizes that N.J.A.C. 17:4-1 et seq requires the TOWNSHIP to produce a 100% match of grant funds. The State of New Jersey Governor's Council on Alcoholism and Drug Abuse requires the SUB-GRANTEE to provide the 100% match funds as follows: A minimum 25% cash match, the remaining 75% in kind match for the period of this agreement.

4. **TERMINATION OF AGREEMENT**

(a) This Agreement may be terminated in whole or in part by the GRANTEE for any reason upon thirty (30) days written notice to the SUB-GRANTEE;

(b) Upon receipt of the Notice of Termination, the SUB-GRANTEE shall promptly discontinue all services affected unless otherwise directed by the GRANTEE. The GRANTEE shall not be liable for funding any services continued by the SUB-GRANTEE after the effective date of the termination of this agreement.

5. **COMPLIANCE WITH THE LOCAL PUBLIC CONTRACT LAW**

The SUB-GRANTEE shall comply with the Local Public Contract Law with respect to

the award of any Contract for the performance of services or the purchase of any goods to be provided under this agreement.

6. AUDIT

The Contractor shall permit the County and/or its independent auditors to have access, at a reasonable time and place, to the records and financial statements necessary to comply with the following audit requirements as applicable:

Type of Contractor	**Audit Requirements**
Non-Profits and Institutions of Higher Education	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds-** OMB's Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards
State and Local Governments	**State Funds-** N.J.O.M.B. Circular Letter 15-08 **Federal Funds** OMB's Uniform Administrative Requirements Cost Principles, and Audit Requirements for Federal Awards
For-Profit	County's requirement of access as detailed above.

Copies of the above-referenced circulars are available upon request from the Camden County Chief Financial Officer.

All non-profits, institutions of higher education, and state and local government contractors shall, annually, forward a copy of their Single Audit Report to the Camden County Chief Financial Officer, 9th Floor – Court House, 520 Market Street, Camden, New Jersey 08102-1375. Failure to comply with this procedure will result in the withholding of payment pursuant to this contract.

7. **RIGHT TO INSPECT**

The Borough shall permit the GRANTEE or its authorized representative to make visits to the site or sites where specified services are being provided for the purposes of assuring the SUB-GRANTEE compliance with the terms of the Agreement.

8. **INDEMNIFICATION**

The SUB-GRANTEE shall defend, indemnify and hold harmless the State of New Jersey, the Governor's Council on Alcoholism and Drug Abuse and the GRANTEE, their officers, agents and/or employees from any and all suits and actions of every nature and kind which may be brought for or on account of any injury, death or damage arising or growing out of the acts or omissions of the SUB-GRANTEE, its officers and/or its employees under this agreement.

9. **INSURANCE**

The SUB-GRANTEE shall provide and maintain during the term of the agreement adequate insurance coverage for the services to be performed pursuant to this agreement. Said insurance coverage shall include, but not limited to, general liability and workers compensation insurance.

10. **NOTICE**

All notice hereunder shall be in writing and mailed postage paid, certified mail, return receipt requested to the Office of County Counsel, 14th Floor, Courthouse, 520 Market Street, Camden, NJ 08102.

11. **MISCELLANEOUS**

The following miscellaneous provisions shall apply to this agreement:

A. **CONSTRUCTION OF THIS AGREEMENT**

The parties acknowledge that this agreement was prepared under New Jersey Law and shall therefore be interpreted under the Laws of the State of New Jersey.

B. **AMENDMENTS**

This Agreement may not be amended, altered or modified in any manner except in writing signed by the parties hereto.

C. **HEADINGS**

This section and any other headings contained in this agreement are for reference only and shall not affect the meanings or interpretation of this contract.

D. ***INVALID CLAUSE***

The invalidity of any clause contained herein shall not render any other provision invalid and the balance of this agreement shall be binding upon all parties hereto.

E. **ENTIRE AGREEMENT**

This agreement together with all attachments shall consist of the entire agreement of the parties and it is acknowledged that there are no other outstanding agreements regarding to this undertaking.

F. **ASSIGNABILITY**

This agreement and all rights, duties and obligations herein may not be assigned by the SUB-GRANTEE.

G. **NON-DISCRIMINATION**

The parties to this Agreement agree that the provisions of N.J.S.A 10:2-1 through 10:2-4 and 10:5-40, dealing with discrimination in employment on public contracts, and the rules and regulations promulgated pursuant thereunto, are hereby made a part of this contract and binding upon them.

H. **FUNDING**

In accordance with the provision of N.J.S.A. 40 A: 11-15 this contract is subject to the availability and appropriation of sufficient funds in the year in which it is in effect and the receipts of said funds from the State of New Jersey.

I. **INTERPRETATION OF DOCUMENTS CONSTITUTED IN THIS AGREEMENT**

If the language of this agreement is ambiguous with the language outlined in attachment A of this agreement the language contained in attachment A of this agreement shall prevail.

IN WITNESS WHEREOF the parties hereto have caused this agreement to be duly executed on this day and year mentioned on the first of this agreement.

SINGLE AUDIT REQUIREMENT CERTIFICATION

Subrecipient: CITY OF CAMDEN

Subaward Number: FY15-EMPG-EMEE-0408

Federal rules require that a non-Federal entity expending $750,000 or more in Federal awards during the non-Federal entity's fiscal year must have a single or program-specific audit conducted for that year. Please note that the $750,000 threshold may include an aggregate of grant and other Federal awards. Accordingly, the State of New Jersey, Department of Law & Public Safety, Consolidated Grants Management Office is requiring that all subrecipients complete this Single Audit Requirement Certification and provide information on the receipt of Federal funds. Please have your Chief Financial Officer or designee complete this form and return it with your completed award package. Packages received without a completed form will be considered incomplete.

Check all that apply:

1. ✓ The agency or jurisdiction has completed the required single or program-specific audit, as required under 2 C.F.R. Part 200, Subpart F, Audit Requirements (2 C.F.R. § 200.500, et seq.), for the current fiscal year and:

   ✓ *There were no findings affecting any federal awards*

   _____ There were findings affecting one or more federal awards

   Proof of submission of your single audit is required. You may access the Federal Audit Clearinghouse website at: https://harvester.census.gov/facweb/default.aspx/

2. _____ The agency or jurisdiction was not required to perform a single or program-specific audit due to the following:

   _____ The agency or jurisdiction received less than $750,000 in Federal awards during its last fiscal year.

   _____ Other Reason: (explanation required): _____

Keith,

I have been tasked with making sure all applications for FY15 EMAA are complete and get approved. I just reviewed Camden City's application and found there are several missing documents.

Missing:

* Resolution
* Subaward Contract
* Federal Single Audit Requirement (the old form was there, but I deleted it. The AG's office is not accepting that form, so we can not use it)

I attached a copy of the Subaward Contract and the correct version of the Federal Single Audit Requirement. The Contract is very straight forward, you simply change the red highlighted areas. Along with the Federal Single Audit Requirement you MUST attach the search results from the Federal Audit Clearinghouse, which are also attached to this email. If you have any problems give me call and I can walk you through it.

In addition, I made the following corrections (no need to take any action on these):

* I located the City of Camden's DUNS number and used it to search SAM.gov. I attached the results to the Debarment and Suspension Certification.

* The Debarment Lobbying/ Drug Free document required an address to be printed on the third page, I used the City OEM address for this.

* I completely re-did the Subaward Budget Detail Worksheet using the numbers suggested by SFC Couts.

* I added the award number on page 18 of the Subaward Conditions.

If you need any help at all with any of this, please give me a call or email, so we can get the application complete as fast as possible.

RE: Emergency Management Agency Assistance (EMAA) Eligibility for Fiscal Year (FY) 2015

Dear Mr. Walker:

Upon review of the Preliminary Questionnaire submitted for the 2015 Emergency Management Agency Assistance (EMAA) Program, it has been determined that your agency is eligible to submit a Subaward Application for up to $7,000.00 of the FY2015 EMAA funding for the Performance Period of July 1, 2015 through June 30, 2016.

The completed application shall be submitted via the NJEMGrants online system. The application will be reviewed for completeness by the County OEM and forwarded to the New Jersey Office of Emergency Management (NJOEM) Emergency Response Bureau. Upon completion of the Performance Period, approved Workplan activities, and Expenditure Certification, reimbursement will be made to your agency by the State.

Your agency is responsible for the required 50% (dollar-for-dollar) match, either cash or in-kind, to the federal portion of the award. The source of the match, and the match amount, must be documented in the application and on the required reimbursement forms.

If you have any questions or concerns, please contact Captain P. Gorman at (609) 963-6900 X6980.

RESOLUTION AUTHORIZING AMENDMENT #2 (CHANGE ORDERS #2 and #3) TO CONTRACT #06-15-113 WITH RICHARD E. PIERSON CONSTRUCTION COMPANY, INC. OF 426 SWEDESBORO ROAD, PILESGROVE, NJ 08098 FOR DEMOLITION OF GROUP 4—103 STRUCTURES

WHEREAS, the Council of the City of Camden by Resolution #MC-15:4442 dated June 9, 2015 awarded a professional services contract to Richard E. Pierson Construction Company, Inc. for the demolition and removal of One Hundred Three (103) structures and their contents and debris; and

WHEREAS, the contract price set forth in Resolution #MC-15:4442 as aforesaid was TWO MILLION FOUR HUNDRED SEVENTY THOUSAND TWO HUNDRED AND THIRTY DOLLARS ($2,470,230.00); and

WHEREAS, the Council of the City of Camden by Resolution R-27 dated February 9, 2016 amended the contract with Richard E. Pierson Construction Company, Inc. by Amendment #1 (Change Order #1) in the amount of ONE HUNDRED FIFTY THOUSAND DOLLARS ($150,000.00) due to unforeseen and/or unknown field conditions or emergencies; and

WHEREAS, it is necessary to amend contract #06-15-113 with Richard E. Pierson Construction Company Inc. by Amendment #2 for Change Order #2 in the amount of EIGHTY-THREE THOUSAND DOLLARS ($83,000.00) due to unforeseen and/or unknown field conditions or emergencies; and

WHEREAS it is necessary to further amend contract #06-15-113 with Richard E. Pierson Construction Company, Inc. by Amendment #2 for Change Order #3 to reduce the contract by TWENTY THOUSAND DOLLARS ($20,000.00), as well as increase the total of demolitions covered from 103 to 113, as a result of issues not foreseen in the original proposal; and

WHEREAS, pursuant to the directive of the Division of Local Government Services, a certification has been attached hereto which certifies that the funds for this expenditure are available and appropriated under Capital Ordinance budget of the City of Camden under line item "C-15-698-999" and said certification has been signed by the Chief Financial Officer and approved as to form by the City Attorney; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden that the contract #06-15-113 between the City of Camden and Richard E. Pierson Construction Company, Inc. is hereby amended by Amendment #2 for Change Orders #2 and #3 to increase the amount by EIGHTY-THREE THOUSAND DOLLARS ($83,000.00) as well as increase the total amount of demolitions from 103 to 113 which results in an overall decrease of TWENTY THOUSAND DOLLARS ($20,000.00) which makes the total contract an amount not to exceed TWO MILLION SIX HUNDRED EIGHTY-THREE THOUSAND TWO HUNDRED THIRTY DOLLARS ($2,683,230.00).

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution.
