

Over the next few weeks the Region 2 National Preparedness Division will provide you, our fellow co-workers with a *Preparedness Tip of the Week*.

TIP #1: Know the digital resources available to you; receive weather alerts and additional preparedness tips with the [FEMA App](#).

September is recognized as National Preparedness Month (NPM) which serves as a reminder that we all must take action to prepare, now and throughout the year, for the types of emergencies that could affect us where we live, work, and also where we visit.
