RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CAMDEN COMMEMORATING THE DEDICATION OF THE CAMDEN MUNICIPAL COURT AS "THE STEVEN P. BURKETT JUSTICE COMPLEX" IN HONOR OF THE FORMER CHIEF JUDGE OF THE MUNICIPAL COURT

WHEREAS, The Honorable Steven Paul Burkett, Chief Judge of the Municipal Court of the City of Camden, passed away unexpectedly on May 31, 2015. Raised on Long Island, New York, Chief Judge Burkett graduated from The George Washington University in Washington, D.C. with a Bachelor of Arts degree. He obtained his Juris Doctor from Temple Law School, Philadelphia, Pennsylvania, and was admitted to the Pennsylvania and New Jersey Bars in 1974; and

WHEREAS, prior to joining the City of Camden, Chief Judge Burkett operated his own law practice, Steven P. Burkett, P.C., for four years in Cherry Hill, New Jersey. Previous to then, he was an assistant managing partner of the Philadelphia Law Firm of Levy, Angstreich, Finney, Baldante, & Burkett, P.C.; and

WHEREAS, Chief Judge Burkett had been a part of all facets of the Municipal Court system in New Jersey for almost 23 years, as a witness, defense attorney, municipal prosecutor, and judge. Ten of those years were proudly served with distinction in Camden as the full-time Chief Judge after having been first appointed by the former Mayor Gwendolyn A. Faison, and the City's former Chief Operating Officers, Melvin "Randy" Primas, on April 14, 2005. He was subsequently reappointed for 3-year terms in 2008 by Mayor Faison and former Chief Operating Officer, Honorable Theodore Z. Davis; and in 2011 and 2014 by the City's current Mayor Dana L. Redd, all as unanimously consented to by the City Council of the City of Camden; and

WHEREAS, Chief Judge Burkett's unanimous appointments were a testament to his and his esteemed fellow Court Judges' and Court administrative staff's dedication to the efficient, effective, and fair disposition of matters before Camden's Municipal Court, one of the busiest in New Jersey. The success of the Municipal Court under his leadership resulted in its relocation in 2010 to three newly-constructed courtrooms and related modern facilities in Camden City Hall to better serve the public and a City in the midst of its rebirth; and

WHEREAS, outside the courtroom, in addition to his faithful service to M'kor Shalom Synagogue, its congregation and serve community, Chief Judge Burkett was a member of the Board of Trustees of the Boys & Girls Club of Camden County, Camden. He also volunteered his time to ensure the success of the City's Youth Forum program and was greatly supportive and proud of its student participants; and

WHEREAS, Chief Judge Burkett's Tenure as a public servant was defined by his professionalism and dedication to impartial and efficient justice for all people. He always sought a fair, balanced and empathetic hand—teaching life lessons to defendants who came before him. Chief Judge Burkett was also a good, hardworking, and honest man who many were fortunate enough to call a friend. He will be dearly missed by the City of Camden and its residents; now, therefore

BE IT RESOLVED, by the City Council of the City of Camden that it hereby commemorates the dedication of the Camden Municipal Court as "The Steven P. Burkett Justice Complex" in honor of the former Chief Judge of the Municipal Court.

BE IT FURTHER RESOLVED, that pursuant to N.J.S.A. 52:27BBB-23, a true copy of this Resolution shall be forwarded to the State Commissioner of Community Affairs, who shall have ten (10) days from the receipt thereof to veto this Resolution. Memorandum

To: Uzo Ahiarakwe, City of Camden

From: Kathy Cullen, Cooper's Ferry Partnership

Date: October 27, 2016

Re: **River Road Improvement Initiative – Request for Coverage of Ineligible Costs**

Cooper's Ferry Partnership, in partnership with the City of Camden and Cramer Hill Community Development Corporation (CDC), is managing the River Road Improvement Initiative. With Federal Highway Administration (FHWA) funding provided through the NJ Department of Transportation (NJDOT), the project seeks to mitigate truck traffic and promote investment along River Road, Cramer Hill's primary commercial corridor. Truck traffic which currently passes through Cramer Hill represents a public safety concern, as the trucks have great difficulty braking for pedestrians, create noise and air pollution and cause traffic congestion on this neighborhood corridor. The goal of this project is to build upon previous planning efforts undertaken by NJDOT in 2005 and develop a one-step implementation plan for River Road that will reduce truck traffic, improve the streetscape, and provide a better environment for retail commercial activities in a high-impact and cost-effective manner.

The project area is River Road between State Street to Sherman Avenue in Pennsauken, the area identified by NJDOT required to mitigate the truck impacts. The River Road Initiative includes signal upgrades, gateway enhancements and pedestrian improvements and will increase the turning radii at the intersections of 36th Street and Sherman Ave., to provide an alternative route for trucks to Rt. 130.

Final design engineering plans are being reviewed by NJDOT. The FHWA/NJDOT project funding of $3.975 million covers the construction of all improvements with the exception of the Camden County Soil Conservation Permit fee ($1,125.00) and the relocation of utility lines and removal of old poles by Verizon ($6,985.00) for a total of $8,110.00.

We respectfully request that the City of Camden directly pay for the $8,110.00 of ineligible costs associated with the River Road Improvement Initiative and leverage $3.975 million in federal funding to construct the improvements. Please let me know if there is any additional information that you require.

To be clear, in anticipation of FHWA/NJDOT authorizing Construction funds for the project, the City has to approve paying the non-participating costs directly. Thereafter, Construction funds will be authorized by the State?

That's correct. These 2 items are direct bills (1 from Camden County Soil Conservation and 1 from Verizon) for the city to pay. They are not linked to the construction funds, but are necessary to pay and complete before construction can be authorized.

6/7/12: Re-submitting Council request prepared 4/24/12 to insert DVRPC funds ($500,000) into City budget.
