GARDEN

SUPPLIES NEEDED

- ✓ All Purpose Planting Soil/Dirt
- ✓ Seeds of you choice (2/\$1 at Dollar Tree)
- ✓ Gardens tool (\$1 at Dollar Tree)
- ✓ Pair of Gloves
- ✓ Potting Trays (egg crate or foam cup)
- ✓ Popsicle sticks or marker
- ✓ 1 bag of Gravel (for proper drainage)

LET'S GET STARTED

1. Prep & Clean Location to plant your garden. (read sun/shade guidelines for your seeds)
2. Add a layer of gravel to you potting trays
3. Add good quality soil $\frac{3}{4}$ full of your trays
4. Insert you favorite seeds of fruits, vegetable, and herbs into trays.
5. Label each tray with what you planted inside. Be creative
6. Don't forget to water, love and watch your seeds/plants grow.
7. Keep a journal of what you planted, how long it took to sprout, and their continued growth.
