**It's a Merry Monarch Christmas!
The Camden Monarchs Will Provide Christmas Gifts to Deserving Families**

CAMDEN, NJ (December 17, 2021) — Coming off road trip and back-to-back wins, The Camden Monarchs will celebrate the true meaning of the holidays by spending it with the community on Monday, December 20, 2021, at 4:30pm at the Mastery Charter High School.

Over 300 people in the Camden neighborhood will have a happier Christmas thanks to the Monarchs, special partners, Through The Fire Photography, Pickens Funeral Home, Healthy Kids, Time for Fun Rentals and several local small businesses.

Most of the families were selected by The Mastery Charter High School, who The Camden Monarchs started their partnership since 2019 and local other local families. There will be haircuts, makeup kits for the Mothers and gifts that have been donated for all the kids on hand. To top it off, the families will be treated pictures with Santa and The Monarchs.

The start of professional basketball in the City of Camden has been an inspiration and brought excitement throughout the community. This is the third year that such event of this magnitude has happened. Last year the event was held outdoors to the COVID-19 pandemic. To date, CEO Giovonni Thompson & the Monarchs have given out over 5000 toys! When asked why this is so important for Camden, Ms. Thompson's answer is simple "We want to be a blessing during this time. We couldn't be happier to back on the court to provide a professional basketball experience and off the court to a city that has embraced."

Powered by Official Team Sponsors – KROC Center and Pickens Funeral Home; the Camden Monarchs are the most talked about team in the ABA! The team has 2 more games before the end of the year and invite you out to the remainder of our home games held at the KROC Center.
