**NOTICE OF FUNDS AVAILABILITY (NOFA)**

For FY 2022/2023 the City of Camden will target its Entitlement Grant funds to the City’s proposed objectives in the Annual Consolidated Plan. Organizations submitting proposals are asked to identify the activity category or categories to which the activities requested for funding belong. Funding will be made available for the following entitlement grants funded by the US Department of Housing and Urban Development:

**COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)  
HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME)**

**Basis for Allocation Funding**

The primary objectives of the Consolidation Plan programs are to benefit low and moderate-income residents. Camden City’s block grant programs are targeted to low and moderate-income neighborhoods and activities that benefit the City as a whole, the majority of whose residents are low and moderate income.

**Geographic Location**

Guided by the eligibility requirements of the various Consolidated Plan programs, the City of Camden recognizes the following priority need categories for the annual planning period. Relative priorities and targeted funding levels were established through the synthesis of the needs assessment review. A core component of the public outreach in preparation of the plan was to prioritize among the lengthy list of real needs given the limited amount of resources available through the Consolidated Plan programs.

The **2022 – 2023 Priority Needs Summary Table** identifies Annual Consolidated Plan objectives and the corresponding priorities need level as low, medium, high, or not rated for each objective. Applicants must match the proposed project description with the objectives from the Priority List. See the Priority Needs chart below.
